CLERGY SESSION

The Clergy Session of the 2012 Annual Conference was held at Brown Chapel, Centenary College, Shreveport, Louisiana.

Rev. Mickey Cloud offered an organ prelude, and Rev. Danny Gleason led in the call to worship. The clergy sang the Charles Wesley hymn “Jesus, United by Thy Grace.” Rev. Connie Saizon offered the opening prayer, and Rev. Rita Chiasson presented the offertory.

The clergy gave an offering designated for the pension program of the Central Conferences of The United Methodist Church. Rev. Drew Sutton read Acts 20:17-38, and Bishop William Hutchinson presented a sermon entitled “And Now....”. The Bishop knelt in prayer for the clergy of the Louisiana Annual Conference.

The Bishop called the Clergy Session to order.

Part II of the report “Pertaining to Ordained Ministers and Local Pastors,” Disciplinary Questions 17 through 56, was presented by various members of the Board of Ordained Ministry. Corrections, deletions, and additions were made to the pre-printed report and noted by Rev. John Edd Harper for printing in the Conference Journal. Bishop Hutchinson conducted election and votes as necessary. Rev. Harper recorded election results.

The Clergy Session also considered the following parts of the Disciplinary Questions: Part III, “Certification in Specialization and Certified Lay Ministry (questions 60 through 65); Part IV, “Diaconal Ministers” (questions 66 through 75 of the 1992 Book of Discipline); and Part V, “Appointments and Concluding Business” (questions 76 through 84). Bishop Hutchinson conducted votes as necessary, and Rev. John Edd Harper recorded the results.

Rev. Danny Gleason moved that the entire report be approved, as corrected during the proceedings, by the Clergy Session. The vote was recorded by Rev. John Edd Harper.

Rev. Danny Gleason noted that the Board of Ordained Ministry has approved guidelines for use when Conference leadership requests surrender of credentials. The guidelines are published in the report of the Clergy Session of the Annual Conference.

Rev. Charlie Langford presented the Harry Denman Evangelism Award to Rev. Robert E. Johnson, Sr., a part-time local pastor.

Rev. Brady Whitton, chair of the Order of Elders, gave information on activities and nominated Rev. Donnie Wilkinson to be elected as the new chair of the Order of Elders. No other nominations were offered from the floor. The elders voted unanimously to elect Rev. Wilkinson.

Rev. Bernadine Johnson, chair of the Order of Deacons, reported that Rev. Mimi McDowell has been nominated as the next chair of the Order of Deacons. The election will be conducted among deacons on Tuesday, June 5, 2012.

Rev. Bill Strawbridge, chair of the Louisiana Fellowship of Local Pastors and Associate Members, reported that the Fellowship has elected Rev. Pattye Hewitte as the new chairperson.

Rev. Danny Gleason led the clergy in the Wesleyan Covenant Prayer, and Rev. James Haynes led in the singing of “A Charge to Keep I Have.”

LAITY SESSION

The session was opened with music led by George and Judy Gross.

Dr. Sarah Kreutziger introduced Bishop William Hutchinson, who welcomed and addressed the Laity. In his address he talked about the laity and their importance in the church and how important they have been in the twelve years he has served as Bishop of this Conference.

Dr. Sarah Kreutziger asked the members of our Conference Board of Laity to proceed to the stage.

Mrs. Glennell Cottrill, Treasurer, presented the annual treasurer's report for the Board of Laity for the year 2011.

The Bob Lay Memorial received contributions from the various districts totaling \$52,103. Our Goal for the year was \$75,051. The ending balances for the Bob Lay Memorial \$246,923, of this amount \$83,190 is on deposit for the building of Faith Crossing UMC, \$28,700 is on deposit for the building of The Well UMC, and \$135,084 is available by resolution of the 2009 Annual Conference, for loans to churches for redevelopment or growth needs if approved by the 1000 Club appropriations committee. During the year, we disbursed \$48,712 to the Well UMC Church to assist for their first building. We had set the goal of \$150,000 for each of the three new churches; however, we were only able to raise \$119,524 for the Well. We raised \$82,893.14 for Faith Crossing which was chartered on Mother's Day 2012. The current call is for New Song on Perkins Road. All funds collected during the remainder of 2012 will be designated for New Song.

We have made a loan from the Grambling Funds up to \$130,000 to New Song for their new facility. To date we have advanced \$20,000.

For the conference year ended December 31, 2011 the Daughenbaugh Matheny Scholarship Fund received contributions from the various districts totaling \$27,296. We disbursed scholarships totaling \$34,500 to Louisiana United Methodist students attending Centenary College and Dillard University. The ending balance for the Daughenbaugh Matheny Scholarship Fund totaled \$8,950. There is a balance of \$37,083 in the Endowment Fund at the Foundation. Only earnings on these funds can be used for scholarships.

Dr. Sarah Kreutziger presented the Nominations Committee report. Sarah reported that one of the duties of the Conference Lay Leader is to convene a nominations committee composed of the presidents of the UMM, UMW and conference youth and the District Lay Leaders during the last year of the quadrennial for the purpose of nominating officers for the next four years. This year a discernment process was used to select the slate. After prayer and a review of some guidelines that stressed the importance of selecting individuals because of their passion and competence first, although we were conscious as well of diversity, the following slate was chosen.

Conference Lay Leader: Mrs. Carolyn Dove

Associate Conference Lay Leader: Mr. Terrell Deville

Secretary: Mr. Pete Aguila

Treasurer: Mr. Henry Stamper

Young Adult: Mr. Phillip Bates

Daughenbaugh-Matheny Scholarship Chair: Mrs. Valla Johnson

Lay Speaking Ministries: Mr. Al Franks

1000 Club: Mrs. Eloise Cox

Four at Large Members: Ms. Donna Whittington, Mr. Walter Weiss, Mrs. Willie Mount, Mrs. Nancy Carr

Dr. Kreutziger asked the nominees to stand as their names were called. She then listed each position, called the name of the person the Nominations Committee selected and asked if there were other nominations from the floor.

There were no nominations from the floor for any of the positions. Dr. Anita Crump made a motion to accept the slate as presented. The motion was seconded and the slate was accepted as presented.

Dr. Don Cottrill wished the Laity greetings and presented the following Annual Conference report. Dr. Cottrill noted in the next few days the laity would:

Come to learn, participate in worship service, pray, do holy conferencing and have discussions in regards to work we will do. He stated Tuesday and Wednesday will be presentation of the SVTF/CFA Report and voting on 10 amendments and 4 petitions. This year there will be Marshalls at the entrances to be sure only voting members are on the bar of the conference.

The Harry Denman Awards were presented to the recipients this year: Laity, Mrs. Joyce Robinson; and Youth, Ashlyn Esterly.

Mrs. Joyce Robinson introduced the Program Session.

Mr. Al Franks presented the Lay Speaking Ministries report. The hundreds of laity who have gone through lay speaking ministries training are actively involved in churches throughout the conference. We continue to promote lay speaking ministries as a way for laity to receive training to become better servants and leaders to the world around us. Beyond the basic course, there are over a dozen advanced courses in more specific areas such as worship preaching, storytelling evangelism, prayer, caring, missions, etc. Lay speaking courses are also given in Spanish and Korean in the New Orleans area.

Lay Speaking courses were held throughout the Louisiana Conference this year. During the coming year, greater effort is going to be made to insure that the basic lay speaking course and advanced courses are designed to meet the needs of the conference churches. There are a total of eight Certified Lay Ministers in the LA Conference

Mr. Walter Weiss reported on the 1000 Club and noted they did not reach their goal for this year. He reported that the three new church starts are all now certified. Walter encouraged everyone to promote more giving in their churches as this is a laity initiative.

Dr. Barbara Ferguson reported the United Methodist Women have embraced servant leadership. The UMW sent out a survey asking "How are we doing". The UMW will use the results of the survey to develop a plan of action for the Conference UMW. She noted that the local unit of UMW is the foundation and purpose of the UMW Organization.

Mr. Gard Wayt presented the United Methodist Men report. He stated the UMM partner with and support with funds, the Scouting Program, The Upper Room which provides

prayer for people and SOSA-The Society of St. Andrew who provides meals for those in need. Gard announced that the UMM have made arrangements to have 1000 ears of fresh corn and 4000 yams to be available after conference on Wednesday to those wanting to take them back to their food pantries. He also stated the UMM is offering classes to men on "How to Manage Money Better." They are also focused to paying more attention to the Hispanic Ministry in the next quadrennium. Gard reported Wayne Prejean from the Acadiana District, will be the new UMM president.

Mrs. Carolyn Dove introduced two Daughenbaugh-Matheny Scholarship recipients: Jason Harris and Darrius Hills, who each gave their story of how this Scholarship affected their life.

Mrs. Carolyn Dove reported on the Daughenbaugh-Matheny Scholarship Fund. She reported for the school year 2012-2013 there were twenty four scholarship recipients. The amount of scholarship is to be determined. The following is a listing of the recipients by district. Acadiana District: Robert Green and Tamar Johnson, Dillard; Alexandria District: Morgan Brewton, Centenary; Baton Rouge District: Abigail Dillard, Centenary, Jasmine Frank, Dillard; Lake Charles District: Paige Pritchett, Logan Settoon and Austin Rinehart, Centenary; New Orleans District: Joshua Bouligny, Nathaniel Cyprian, Moniqua Osbey, Dillard and Robin Chailland, Sam Chigumira, Jessica Lehman and Amanda Price, Centenary; Shreveport District: Cameron Brandao, Alissa Brown, Calvin Davis, Ryan Elledge, Jay Frazier, Kaitlyn Squires, Faith Willhite, Abbie Woods and Kristen Young, Centenary.

Madeline Blackwood presented the report of the Conference Council of Youth Ministries. The LA Conference Youth had a fun, spiritually uplifting, and busy year. They focused on 3D faith: Discipline, Discipleship, and Devotion and Romans 1:16-17.

The Youth started off the year with DCTM Training or what is now known as United Methodist Youth Leadership Training. Youth night hosted over 600 Jr. High and Sr. High students. The Jr. High retreat had a 76% increase from last year and Sr. High had a 58% increase from last year.

Joyce Robinson announced there are still tickets to be sold to the Laity breakfast on Tuesday morning. Joyce encouraged laity to contact their District Lay Leader to purchase tickets if they have not done so and for District Lay Leaders to turn all monies collected for the sale of tickets to Glennell Cottrill.

Buzzy Anding presented Certificates of Recognition to each of the following members of the Conference Board of Laity who will be leaving the CBOL. Sarah Kreutziger, Joyce Robinson, Marverne Terrell, Carolyn Dove, Glennell Cottrill, Walter Weiss, Pete Agulia, Betty Blackman and John Evans. Buzzy also presented Sarah Kreutziger with a silver bracelet as a going away gift.

Dr. Kreutziger called Dr. Don Cottrill up to present him with a gift for being a loyal and faithful member of this CBOL for the last four years and thanking him for always being there when needed.

Dr. Sarah Kreutziger called all newly elected members of the Conference Board of Laity to the stage to be commissioned to the board. There was a Service of Dedication and Commitment to Servant Leadership and Worship.

Dr. Sarah Kreutziger introduced Rev. Tu'uta who gave the Benediction in his home language.

AFTERNOON SESSION

Bishop William W. Hutchinson gaveled into session the forty-second session of the Louisiana Annual conference.

Prayer was offered by Home Missioner, Bill Dudleson.

Rev. Larry Miller submitted the following motion to the Conference for approval:

"I nominate Mrs. Belinda Denicola, Rev. Bernadine Johnson, Mrs. Patti Perkins, Mrs. Joyce Robinson, and Rev. Darryl Tate as Assistant Secretaries of the Annual Conference Session. I further nominate Mrs. Joyce Robinson and Rev. Darryl Tate as Head Tellers. I also direct the attention of the conference to seven matters:

1. All materials for conference members are to be approved by and distributed through the Conference Secretary. These materials are to be given to Mrs. Joyce Robinson and are to be marked with the recommended time of distribution.
2. Forms for writing amendments and motions that are presented to the Conference should be picked up at the Secretary's desk and the completed forms should be returned to the Secretary's desk.
3. Similar forms are available for persons requesting courtesy letters to be sent from the Conference. Forms for special guests to be presented to the Conference are also available from the Secretary's desk.
4. Any changes or corrections that need to be made regarding Pre-Conference Reports should be completed and given to Mrs. Belinda Denicola or Mrs. Patti Perkins.
5. Special sound equipment for the hearing impaired is available at the A-V desk through Mr. Claiborne Sharp for plenary sessions.
6. Please be aware of the 10 Pink Budget Amendments and the four yellow petitions that should be on your tables this afternoon. Save these in your pre-conference books and bring these pink and yellow forms back Tuesday and Wednesday when they will be discussed and voted on. If you don't bring your pink and yellow forms Tuesday and Wednesday, you will probably have to look on a neighbor's copy when we consider these amendments and petitions.
7. Prayer concerns or essential announcements to be raised to the Conference membership should be given to the Conference Secretary. Mr. Fred Loy, Chair

of the Committee on Courtesies, or a member of the committee will report these at the close of each business session.

I move that any reports not presented, but before the Annual Conference as a part of the Pre-Conference Report be received by the Annual Conference and published in the 2012 Louisiana Annual Conference Journal.”

The motion was adopted by the Conference.

Dr. David Rowe, President of Centenary College, welcomed the Conference. He also wanted to welcome his newest colleague in the state, Dr. Walter Kimbrough. Dr. Rowe took a moment to recognize for his service on the Board of Trustees of Centenary, Bishop Hutchinson. He presented Bishop Hutchinson a medallion as a life member of the Board of Centenary College. Dr. Rowe also thanked Mrs. Hutchinson for all that she had done. He stated that it was his distinct honor and privilege to extend the invitation to meet here next year on this campus. He hoped that we would accept this invitation.

Rev. Steven Spurlock presented the following motion to the Conference for approval:

“I move that beginning Monday at 4:00 p.m., June 4, 2012 the main floor of the Physical Education Center of Centenary College be designated as the Bar of the Conference and that only voting members and special guests are to sit in this area.

I also move Tuesday’s order of the day be set at 9:30 a.m. for the Board of Ordained Ministry Report #1 and that Wednesday’s order of the day be set at 9:50 a.m. for the passing of the mantle for retirees’ recognition. I further move that the printed program be the agenda for the Annual Conference Session and that the Bishop be empowered to make changes in the agenda necessary to complete the business of the Conference. I finally move that the printed material that is to be distributed to the Annual Conference session be cleared through the secretary prior to distribution.”

The motion was adopted by the Conference.

Dr. Donald and Marsha Avery greeted the Annual Conference on behalf of the Shreveport District. Mrs. Avery gave a special welcome to all of the clergy spouses and thanked all of the spouses that attended the luncheon.

EPISCOPAL COMMITTEE REPORT #1

Mr. George “Buzzy” Anding reported on the Conference Committee on Episcopacy found on page 163 of the Pre-Conference Report. He stated that the Louisiana Conference would be receiving a new Bishop as Bishop Hutchinson retires this year at the conclusion of 12 years as an Episcopal leader. While we have time during the session to say a formal goodbye to Bishop Hutchinson on Wednesday, including a service of farewell, Buzzy took this opportunity to invite all to a retirement celebration for Bishop Hutchinson and Mrs. Kay to be held on Friday, June 29th beginning at 6:30 p.m. in the

Renaissance Hotel in Baton Rouge on Bluebonnet Boulevard. Part of the cost of your ticket will go to the Bishop and Kay Hutchinson scholarship fund.

Mr. Ward escorted Mrs. Kay Hutchinson to the stage. She was presented with a gift for her ministry with her husband.

Mrs. Hutchinson thanked the Conference for making them feel at home in Louisiana. She stated that “Louisiana conference you have made us feel so welcome, you have been there for us when we lost Bill’s mother, when we laid my father to rest, even though that was the day Katrina blew into New Orleans. You were there for us when we had very serious health problems. You have been there for us all the way. We are so grateful. You have made a home for us here in Louisiana”.

BISHOP HUTCHINSON PRESENTED HIS EPISCOPAL ADDRESS

“For the Twelfth Time”

Hymn - “Blessed Assurance”, No. 369 UMH

I have two major news programs I like to hear or watch. One is the news on National Public Radio that usually comes on the hour and on the half-hour. The other is my favorite television news program, “Sunday Morning” with Charles Osgood. I must be quick to say that I miss “Sunday Morning” fairly often because it comes on at 8:00 AM and that’s usually when I’m leaving the house for a church service. But, when I can, I watch it.

Both of these communication media have “feature presentations” that consume most of the time, but they each begin with a bit of the current news before the feature. I like that.

I’m like the young woman on television who pushes a chair onto the screen and flops down in it and says to the young man sitting across from her something like, “This is my chair. I designed it myself, using my brain. It matches me. Do you get it?” He responds by looking both ways and then opens his old dilapidated looking sport coat, revealing that it is lined in the exact same garish plaid as the shirt he is wearing and he says something like, “I totally understand.” She looks taken aback and says “Wow! I like that! I like it a lot!”

I like these news formats a lot! So today I have three feature stories for you. The first “Feature” is “General Conference and Our Response.” Second feature is the “Strategic Vitality Task Force/CF&A” report and proposal. And the third “Feature” is “A Final Word from the Bishop to the Church in Louisiana.” But first, the News!

- I. It’s been another wonderful year in the Louisiana Annual Conference. Here are some statistics of which you should be very proud:
 1. Average Worship Attendance (one of the key metrics by which to assess the vitality of the church) was UP in 2011 over 2010.
 2. The number of persons being baptized increased in 2011 over 2010.

3. The number of persons reported to be in Mission was some 9,390, an increase of 814 over the previous year!

Here are a couple of statistics about which there is some concern:

4. The total number of Professing Members declined a little. From 120,882 in 2010 to 119,933 in 2011. A loss of 949. But here's one thing to consider. There were 1,503 persons removed by Charge Conference action alone! Without the necessary cleaning of our rolls, we would have shown a growth in membership!
 5. The number of persons received on Profession of Faith declined by 84.
 6. The number of those enrolled in a Confirmation Class was down by 109.
 7. And when it came to expenditures, the Grand Total paid out in 2011 was "\$115,539,119, which is great, but it was \$4,529,067 less than in 2010.
- II. When I spoke to you last year, one of the leading issues regarding the work of the churches throughout the Conference was the self-identification of churches as to whether they saw themselves as 1.) On the Move, 2.) Faithful and Strong, 3.) Rekindling the Vision, or 4.) Passing the Mantle. You will recall that I announced that we had some 105 churches that had not done this requested work and you audibly gasped! I also said we would not be spending time, effort, or resources on these, but that our energy as Bishop and Cabinet would be with those who wanted to become part of the "Community of the Willing."
 - III. Most of those 105 churches had located their District Superintendent before the Conference was over and had made plans to get their hats in the ring of the "Community of the Willing! Praise God for that keen awareness!
 - IV. We've had some very moving, helpful and encouraging gatherings of these Affinity Groups over this past year. We have one more seminar to go which will happen in the fall of 2012, and that will be for small to mid-size churches who identified themselves as "On the Move".
 - V. Additional language you will begin to hear around our church types and what it means to be a vital congregation will be "Intimacy with Christ," or similar language that will help move us into a deeper question of how we relate to Jesus, what place Jesus has in our personal lives and in our collective life as the Church!
 - VI. In March of 2012 we had one of the most successful Laity Retreats we have had since I became Bishop. Dr. Gil Rendle came and led this two day retreat with some 200 lay leaders who had the joy of hearing Dr. Rendle talk about what it means to be on a wilderness journey in the church today and what we must begin to do to make sense of where we are and how do we move forward. This will help immensely in helping us be better informed about the direction of this Annual Conference and why we are doing what we are doing in order to increase the number of vital congregations.

- VII. Speaking of Dr. Rendle, I want to thank the United Methodist Foundation of Louisiana for both sponsoring the Laity Retreat and their continued generous support of the conversations between the Extended Cabinet and Dr. Rendle. This has allowed us to go deeper into the wilderness journey conversations that will, prayerfully, lead us to be a more vital and effective Church for the 21st century. I'll say more about the importance of this when we come to the "Feature" story on General Conference."
- VIII. This was a year for Boundaries Training for clergy and lay members of church staffs from every United Methodist Church in our Conference. The intent of this training is to help us prevent some of the unfortunate and heart-breaking transgressions of boundaries that lead to great hurt, disappointment, and disillusionment in the Church of Jesus Christ. Every clergy person will be required to participate in this training at least once a quadrennium for the duration of their active ministry.
- IX. This has been a year in which many clergy and lay leaders have died. We will memorialize the clergy and their spouses tonight. I want to mention four leading laity who distinguished themselves among us as exceptional leaders and who have gone on to Glory. Mrs. Nancy Carruth - Ms. Higher Education, Ms. Africa University, Ms. Centenary College and many other leadership roles; Mr. Tim Hebert - our former Conference webmaster and Historian and who was to be a Jurisdictional Conference delegate this year; Mr. Bill Henning - philanthropist and community leader whose commitment to the ministry of the Church led him and his sons to give the monetary gift that made possible the construction and opening of the new Methodist Children's Home of South West Louisiana in Sulphur; Mr. Ben Mount - Conference Chancellor. There are multiple others who I invite you to call their names aloud now and we will follow that with a moment of silence in their honor.
- X. We experienced another wonderful Holy Land pilgrimage for our Ordinands and for other interested pilgrims from the Annual Conference. In January some 110 of us flew to Israel and had a beautiful journey together in the places where Jesus walked, taught, lived, and gave himself for us. This is a ministry so very dear to my heart and one I pray will be continued into all the years to come as new Ordinands are brought into Full Connection with the Louisiana Annual Conference. It will provide spiritually deepened leaders for our churches as we allow God's Holy Spirit to make us a renewed movement again.
- XI. This was a year in which two new leadership training opportunities were begun, again with generous support from the United Methodist Foundation of Louisiana. One program begun was L.E.A.P. - Leadership Excellence Advancement Program - for clergy who have already served 5 years as an ordained clergy person, and who have at least 15 more years to serve.

Four additional clergy have been participating in a similar program for persons with less ordained experience through the gracious offer of the Texas Annual Conference to bring them into their already existing program.

And in this same field of leadership development is our “Awakening” event for those 16 – 20 years of age who are exploring the possibility of ordained ministry as their life work, and the continuation of The Discerner’s Academy for those 20 years of age and older who are likewise exploring ordained ministry as their life work. Not all who come to these events discern that they should go into the ordained track. Some decide they will explore the Local Pastor route; others look at the Certified Lay Minister; still others consider a Deaconess or Home Missioner; and still others determine they will pursue another vocation, but make their life commitment to be the most effective lay leader they can be.

I mention these two leadership venues, and add The Academies for Spiritual Formation to thank Dr. Carole Cotton Winn for her years of service as the Director of Spiritual Formation. We pray for her blessed rest, relaxation, and continued growth in the things of Christ in her upcoming retirement.

- XII. The Annual Conference voted last year to make New Church Development the number one priority of the Annual Conference. It is a dynamic priority and one that has the potential to quicken the spirit and hasten the growth of the Louisiana Annual Conference. I thank Rev. Steve Stephens for his years of service in this field. The three new churches that were started under his watch – The Well, New Song, and Faith Crossing - are now all officially chartered and are fully United Methodist Churches! He is not here to receive my thanks because he will be attending the Northwest Texas Annual Conference where he has taken an appointment in Amarillo.

Our new Director of New Church Ministries is Dr. Rob Weber. He will be working from Shreveport for the foreseeable future, but his vision is broad and creative and he will give great leadership to the Conference.

- XIII. The last bit of news I want to share is that in May we officially closed the Louisiana Disaster Recovery Ministry! After seven years of intense work, and 112,626 clients served, 127,970 volunteers hosted from every Conference in the United States, from every state in the United States, and from 36 other countries, and a total value of in-kind donation of labor performed amounting to \$105,222,382, we have packed up our office and moved on! A word of appreciation and deep thanks to all who made this work possible. It literally consumed all of our attention, energy, and resources for several years. But we did it well, and you have now become the model people of resiliency from natural disaster. We owe a great word of thanks to one who literally was plucked out of the Katrina storm and put to work leading this recovery and who has led us faithfully and effectively for the past seven years, Rev. Darryl Tate! He goes now to accept a new appointment in Rayville and will remain very part-time as our

Director of Disaster Preparedness. Thank you Darryl and all the legions you led in this critical period of our Conference's history.

AND NOW FOR OUR FEATURE STORIES!!

General Conference and the Future

To get us in the mood for this Feature, and since we have already sung “And Are We Yet Alive”, which is most appropriate to this segment, let's stand and sing together, “Forward Through the Ages.”

What does one say about General Conference, 2012? I have been going to General Conference since 1984 and this was the strangest display of ineptness I have ever witnessed. To say the General Conference displayed symptoms of a body beginning to writhe in the throes of death may not be an overstatement. From the opening plenary to the closing bomb shell of the Judicial Council ruling that all of the work toward a new day was “unconstitutional” and “unsalvageable”, there were painful displays of brokenness, paralysis, lack of spiritual discernment, and hopelessness. One clear message that was unquestionably sent was, “The General Conference as we have always known it is broken.”

I assure you I am not the first to admit and “get” this painful fact. The bishops of the South Central Jurisdiction “get it” as well. In our debriefing session in Houston on May 25th, that was confirmed to a person. With anger, disbelief, and frequent tears we spoke of the waste, both monetary and of people's time of this endeavor; the deep division that has been driven by personal agendas that have taken the place of the good of the whole; the loss of confidence in that which we have all held dear; and, one of the most painful, the deep hurt and broken relationships that lay shattered on the floor of the Tampa Convention Center that final night.

But, enough said of the pain-filled disappointment of General Conference 2012. The key question now is “What do we do going forward?” The answer is that we are going to face the brutal facts with hope! Because, there is great hope!

The fact that there was no restructure to the General Church that will make us more efficient, better able to respond quickly to our rapidly changing world, and reduce our costs by reducing our behemoth and antiquated bureaucracy, makes the work we are doing in our Annual Conference and in our South Central Jurisdiction all the more important! Our focus on excellence in ministry and fruitfulness of work, accountability for who we are and what we do, and our emphasis on vital congregations that are able to step outside of themselves and reach out to and help transform a hurting and dying world, becomes all the more important.

What we began a few years back with looking to the future and establishing our four proto-type churches and beginning to probe our mission fields is crucial groundwork for us. Our next steps will be to further imbed our accountability measures, and then to move

to the deeper spiritual questions around our closeness to, or intimacy with Christ. After all, everything we do is about him and him alone – or at least it should be! This Jurisdiction has become a leader in pushing the Church forward to a new day and you can expect more of that in the future.

If I were remaining as Bishop for another quadrennium I assure you I would be keeping us focused on vital congregations. And I feel relatively assured that any new episcopal leader you receive will do the same. At least she/he will be surrounded by committed sisters and brothers in our Louisiana Cabinet and in the College of Bishops who will be leading their Conferences in that direction. In addition, you will begin to see some new Jurisdictional emphases set forth that will say, “We are committed to and focused on tomorrow and we are moving forward. We’re not waiting for the rest of the Church to catch up!”

I’m more convinced now than ever before that change in the church is going to happen through Conferences like ours that will try bold new things and then share that with other Conferences as we learn from each other. Change is going to happen only as local congregations “get the picture” and join with one another through their Annual Conference ties and make things happen. We can no longer rely on the General Conference for help to get us there. If it is going to happen it will be one Conference at a time, one district at a time, one church at a time, and one soul at a time!

All of this must be directed by a genuine renewal in our hearts and lives as we become more grounded in scripture – or, let’s say it! – the Bible! It will not come through some program developed by the General Church. We must deepen our faith in and personal walk with Jesus Christ and we must renew the prevalence of the teaching about and experience of the convicting and empowering work of the Holy Spirit!

We know the language don’t we! Prevenient Grace, Justifying Grace, and Sanctifying Grace. Now we must live it! and we must let grace, God’s grace, change us!

Oh yes, there is great hope for tomorrow. It is just refocused hope as far as our relationship to the General Conference is concerned. It’s our choice, and our choice is LIFE!

THE SECOND FEATURE STORY IS:

The Strategic Vitality Task Force/CFA Report

In my Episcopal Address at the 2011 Annual Conference I spoke to you about the crucial meeting held in Fort Worth, Texas in March of 2011 concerning the financial state of The United Methodist Church and projections for the future. You will recall that six persons selected for their financial expertise and the bishop attended this meeting. As a result of that which we learned, I came to you at the 2011 Annual Conference and announced my decision to “gather a team consisting of eleven persons plus the bishop” who would make up what has become the “Strategic Vitality Task Force.” Their purpose was to “give advice to our structures as to whether the proposals in front of us are financially sustainable or not, (in other words, can our finances sustain the program and ministries

we have set out for ourselves as a Conference), or are they even strategically wise from a church vitality standpoint.” I was careful also to say, and I quote, that the team gathered “has no authority to make decisions.” They were strictly to be an advisory team who were to “review and strategize with our structured committees as to how the ministries we have deemed important can be initiated, sustained and supported fully.”

As a follow up to that statement of intent, on Wednesday afternoon, June 8, 2011 a motion was made by Dr. Ramonalynn Bethley to “allow Bishop Hutchinson to assign a new strategic vitality task force to work with CFA and report back to the Conference with definitive proposals on how to realign Conference resources to accomplish our mission.” The motion passed. (Conference Journal, 41st Session of the Louisiana Annual Conference, June 5-8 2011, pp. 90-91)

That Task Force was formed, has worked tirelessly and with great focus, and in January, 2012 presented their advisory report to the Conference Council on Finance and Administration for their review and critique. After working together and reviewing all the issues, these two bodies have combined their thoughts and recommendations which have resulted in the report with “definitive proposals on how to realign Conference resources to accomplish our mission”. The proposed budget that will make that possible you will find in the 2012 Pre-Conference Report on pages 28 – 45.

What you have before you in this report contains recommendations that will require some serious conversation. Many historical and “close to the heart” ministries are affected by the budget proposals. We will have time set aside in our agenda for holy conversation about all these ministries. We will need to enter the discussions prayerfully, realistically, and hopefully. What is proposed is not about elimination of any ministry, but rather is about how we can best sustain those ministries and missions that bespeak our faith and that make a difference in how we as a body of believers in Jesus Christ interface with and transform our world.

I have my personal opinions about what I believe should be done. I have expressed those freely and with all the conviction I have in the Task Force meetings. Some of my opinions and thoughts are strongly reflected in the report. Others of my opinions were finally subjected to the broader wisdom of the two groups. It is not my place to try and tell you as the Annual Conference gathered in business session what you should or should not do. It is now your time to engage the report fully. It is important to remember that much of our common life together requires compromise and even surrender of some closely held opinions for the good and advancement of the whole. Prayerfully, you will each know when that moment applies to you and your thoughts.

I fully agree with the four principles that guided the Strategic Vitality Task Force in their work and that they saw as their assigned task:

- Realization of the declining membership and loss of financial support of our churches.
- Study of the funding of the Annual Conference
- Find alternate methods of achieving Conference goals

- Reduce apportionments to the local church in order to allow more funds to be used in the congregations in the overall goal of Making Disciples for Jesus Christ.

The basic philosophy of moving the Conference Office from being a Service Provider to being a Mission Strategy Model is a good philosophy. The only way we will ever know if that model will work, or even be better than what we have and have known for many years, will be to try it.

Our focus, and the main driver of this report, must be on developing and enabling vital congregations. Anything that will move us further along that continuum from ineffective to vital is where we need to move.

Change is both a feared and necessary aspect in the life of the Church. Today's economy, philosophy of outreach, and discernment of where our outreach is most needed and most fruitful for the up building of God's Kingdom drive us toward this change. Our General Conference was most impotent when it came to change. In fact, the fear of change led it to be totally unable to face the needs for today and caused us to leave Tampa without the needed alterations to our life together that would make us better able to be the Church for the 21st century. It is my deep prayer that you will be able as a body together here to wrestle with the need for change in the Louisiana Annual Conference and come to a mutual decision of the best way forward from here that will enable you to be a vital force for Christ far into the future.

This ecclesiastical conversation is not about winners and losers. It's not about one agenda versus another. It is about how we are going to be the Church in Louisiana and in the world and how do we best live that out. While in some cases there are personalities that are involved, you cannot let the discussion be driven by personality, either positive or negative. It must be driven by ministry. In other cases there are what I call "heart ties" to certain ministries. But you can't let yourself be governed solely by the wonderful memories and love you have for a certain institution or outreach. Instead you must make yourself ask the question "Is it time to do something different and/or differently?" And, in all cases, you must keep in the forefront of your mind the bottom line question, "Is the way we currently are doing this ministry financially sustainable into the future?"

I know you have labored hard, prayed hard, and discerned hard ever since you received this somewhat unsettling, and yet forward looking report and recommendation. I trust that those hard activities will enable you to converse with one another with passion and with compassion, with conviction and with understanding, with love and with grace. And when we have concluded our conversation and have voted the next step for the Annual Conference, I pray we can leave this session with our respect for one another intact, our commitment to our life together intact, and our love for our Church and her future intact.

Once again, change is hard. But change is one of the few constants of life and must be done. How we do that, how soon we do that, and how cooperatively and lovingly we do that is your decision to make. I look forward to helping you have this much-needed

conversation and then to watching the Louisiana Annual Conference rise up to meet the future as the strong, faithful Conference you have proven yourselves to be.

That then leads me to the final Feature Story:

A Final Word to the Louisiana Annual Conference

The last twelve years have been some of the best of our lives. When Kay and I came to live among you and serve alongside you we knew we were coming for a great adventure and a great time of personal growth. It has been a blessing far beyond anything we could have imagined.

Both of us grew up in the Methodist Church. Kay in Alva, Oklahoma and I in Hobbs, New Mexico. We have our parents to thank for that. We have always loved the church. When we were dating one of my fraternity brothers said to me, “Hutch, she would be the perfect preacher’s wife. Just watch her. It’s like she’s always at a church ice cream social.” Well, he was right – she has been the perfect preacher’s wife, and mother, and grandmother. She has been my strength and stay in this beautiful journey we have shared together for 48 years now.

We’ve had a “Cinderella” ministry. We began out of seminary by starting a New Church; then to an idyllic ranching community in far West Texas; a bustling oil field/agricultural town in south central New Mexico; a growing and thriving downtown and university church in Las Cruces, New Mexico; three years as a District Superintendent in the Odessa District, headquartered in Odessa, Texas; another city/university church in Albuquerque, New Mexico; the Director of the New Mexico Conference Methodist Foundation; and then elected to the Episcopacy and appointed here. How blessed we are.

The years in Louisiana have been both joyous and tumultuous. If it had been a time of normal “business as usual,” I suppose we would have experienced with you the fairly normal expressions of growing and strengthening the church. We actually were well into that early on. The Lilly Grant that we received in 2002, coupled with a challenge grant from the United Methodist Foundation of Louisiana in 2004 for the establishing of the position of “Director of Church Extension and Transformation” enabled us to put the Conference in a positive position for expanded growth of outreach and ministry.

We reduced our Districts from 9 to 7. We got the Conference Center (now the Wesley Center) out of financial jeopardy. We changed our Conference health insurance plan to one that was much more stable. We established the Discerner’s Academy for greater leadership recruitment. And on August 27, 2005 we gathered in a Special Called Session at First United Methodist Church, Baton Rouge and voted to sell Lafon Home in New Orleans, the proceeds of which would first pay the remaining loans and debts held by the Home and any excess would become the property of the Louisiana Annual Conference and a “proposal for its use would come to the Annual Conference for approval and implementation.”

We left that sunny Saturday afternoon with visions of millions dancing in our heads that would give us continued strong growth. At that same time a gigantic gray cloud was gathering on the horizon that was named Katrina. By the next day New Orleans and all coastal areas were in mandatory evacuation, and the next day, August 29, 2005 will live forever in our minds in Louisiana as the day Katrina's force hit the coast and the city. The subsequent failures of the levees led us to a time of disbelief, distress, disorganization, and disaster. Not quite a month later another monster storm named Rita slammed into Southwest Louisiana. What we thought couldn't get worse did.

Suffice it to say our lives were and are forever changed. Our work as a Conference took a 180 degree turn and immediately assumed a whole new direction. A new reality set in and we have lived with it ever since. My memories of Louisiana will always be measured by "before Katrina/Rita and after."

Kay and I were given the joyful blessing to extend our years of service by an additional four years by action of the General Conference 2008 that changed the mandatory retirement age for clergy. After much prayer and discernment we felt God leading us to stay the additional four years, and we are so very glad we did. It not only has enabled us to help bring our Disaster Response to a formal close, but it has allowed us to see new and powerful directions for the vitality of the church moving into the future. I've already said much about that hope today and know the days ahead are filled with great potential and great promise.

It has been an honor beyond description to serve as your Bishop. Thank you for loving Kay and me and for allowing your lives to become intertwined with ours. We shall forever love you and claim you as our true brothers and sisters in Christ.

We wish and pray for you a beautiful, bright and ever better future as you welcome and love your next Bishop and spouse. Whoever that may be, they are coming to one of the greatest of the Jurisdictional Conferences in the United Methodist Church.

We'll be moving to Las Cruces, New Mexico sometime in mid-August. Our home faces the majestic and picturesque Organ Mountains and when we walk out our front door I always want to say, "I lift up my eyes unto the hills. From whence does my help come? My help comes from the Lord, who made heaven and earth. He will not let your foot be moved, he who keeps you will not slumber. Behold, he who keeps Israel will neither slumber nor sleep." (Psalm 121: 1-4)

We would love for you to come visit us there. As Tom Bodet says, "We'll leave the light on for you and the latchstring out."

Picture us sitting on our little patio, watching the sun play on the granite peaks of the Organs, and often thinking of you. And when we do, this song will be in our hearts.

“Miss the Mississippi”

“Now, to him who is able to keep you from falling and to present you without blemish before the presence of his glory with rejoicing, to the only God, our Savior through Jesus Christ our Lord, be glory, majesty, dominion and authority before all time and now and forever. Amen.” (Jude 24)

Let us pray: “In these moments oh God use us to be instruments of hearing, use us to be instruments of speaking. Use us for vessels of filling. Use us for your kingdom, oh God. Amen.

Mr. Fred Loy gave the Courtesy Committee Report. He shared that the committee wants to know your concerns and happiness that you would like the annual conference to know. The committee will be here twice each day to make reports to you.

The closing prayer was given by Rev. Hadley Edwards.

LAITY ADDRESS by Dr. Sarah S. Kreutziger**Principled Leaders as Lead-ers: 2012 AnnualConference**

Good Morning. Bishop Hutchinson, Dr. Cottrill, Rev. Miller, and other sisters and brothers in Christ, the report of the Conference Board of Laity begins on page 90 and ends on page 98 in the Pre-Conference Report. Before I begin my address, may I say what a great honor it has been to serve with all of you and a wonderful privilege to be allowed to be the Conference Lay Leader. I have been blessed beyond measure during these past four years and am forever grateful for your kindness and support. Thank you.

Only the most dedicated of Civil War buffs know that the last shot of the War Between the States was fired in Haywood County, North Carolina, on May 9th, 1865, fully one month after Confederate General Robert E. Lee surrendered to Union General Ulysses S. Grant at Appomattox Courthouse in Virginia, on April 9th.

The War was prolonged by Confederate Cherokees under the command of their white chief, Colonel William Holland Thomas. Thomas refused to concede defeat even as the Union forces encircled the county seat, Waynesville, demanding that the Rebel Chief surrender. Rather than suffer their only loss in a War where the Cherokees had primarily served as scouts-- Colonel Thomas, dressed in full-feathered Native American regalia as befitting his position, surrounded the Union camp. In Joshua-like fashion, Thomas and 300 of his followers lit hundreds of campfires in full view of the Northern soldiers. Then they whooped and chanted their fierce war cries throughout the following days and nights uncharacteristically threatening to scalp the invaders unless THEY surrendered. When the three Union generals finally convinced Colonel Thomas that he was fighting for a Confederacy that no longer existed, Colonel Thomas and his brother in law, Colonel James R. Love, reluctantly relented and negotiated a truce that allowed the Legion of Cherokee and Highlander fighters to keep their weaponry—the only Confederate troops allowed to do so – and exacted a promise that the Union forces would leave Haywood County immediately and never return. Afterwards, Colonel Thomas disbanded his men and went home to continue a successful career as a self-taught lawyer and businessman, ex-state legislator, and fierce advocate for the rights of the Eastern Band of Cherokees. He died penniless at the age of 88 in 1893, after spending his considerable fortune successfully securing the rights of the Eastern Band of Cherokees to remain in their Western North Carolina home (Thomsen, P. A., 2004, *Rebel Chief*).

“Little Will,” as he was called by the Cherokees, was passionate in purpose, an untiring worker, persistent to a fault, unrelenting in battle, courageous in response to call, and the embodiment of the unified vision of the people he served. He was also impulsive, made serious mistakes, and was not averse to expressing strong opinions. In personality, he was very much like the apostle Peter in temperament and character. Like Peter, he was a leader for his time; a man who inspired such loyalty that a \$5000 bounty placed on his head had no takers. Like Peter the mantle of leadership fell easily upon his shoulders in any endeavor he undertook.

Some might suggest that the Colonel's 19th Century style of leadership, like Peter's in the first century--strong, sacrificial, rebellious, and undaunted--is a good model today for the many challenges that we face in our beloved and tarnished connectional system. Indeed another "Will," Bishop Will Willimon of the North Alabama Conference, argues just that in his newest book, *Bishop: The Art of Questioning Authority by an Authority in Question* (2012). One of my favorites quotes from the book recounts a discussion Bishop Willimon had with a seminarian:

"Bishop," she asked, "If I come to your conference, can I be sure that you will back me up if I have conflict with the laity?" "Summoning more candor than usual, [he] replied, 'I promise never to allow anything worse to happen to you than happened to our Lord. I'm just a bishop, after all. I'm impotent to protect you from the perils of work with Jesus'" (p. 68).

But, as I pondered the kind of women and men we need to fulfill our mission to Make Disciples of Jesus Christ for the Transformation of the World with our current challenges, a contrasting image of leadership emerged. What if we made the word, "leader," a verb instead of a noun? In other words, instead of defining leaders as people who distinguish themselves from the crowd by certain characteristics, elected position, and/or heroic actions; what if lead-ers were just that—individuals who bridge pathways between Christ and the world by leading one to the other? What if Christian leadership means not so much standing above the crowd as standing within it?

In this context, it is not the apostle Peter then who is the primary model for Christian Leadership, it is his brother Andrew. Andrew, who is consistently identified in Scripture as the brother of Peter—not the other way around; Andrew, who is never in the spotlight as Peter is; Andrew, who is mentioned last in lists of disciples even as Peter is identified first.

Yet, it is Andrew (John 1: 40-42) who first met Jesus and took Peter to him; Andrew, who finds and leads the boy with the loaves and fishes to Jesus (John 6: 8) for the feeding of the 5000; Andrew who is the escort for Phillip and the Greeks to hear Jesus' final public discourse before his betrayal (John 12: 20-23); and Andrew who continued to exhort others to follow Christ even as he was dying on a cross in Patros, Greece in 69 A.D. (www.biblepath.com/landrew.html).

Andrews are the lead-ers who tell others about a living Christ who renews and transforms. Andrews connect others to the Savior with their voices, their actions, and with their witnesses. They are the builders of the Kingdom contact-by-contact, relationship by relationship. They are the unsung linkages of greatness and the mortar of the Connection. They are the evangelists of our day.

Lucy Foote was an Andrew. She saw potential in her unpolished but eager student, Anna Howard Shaw, and set her on the spiritual pathway that led to Anna's ordination in 1880 as a pioneer woman pastor. Another female Andrew gave the young seminarian her widow's mite of \$5 in gratitude for introducing her son to Christ just as Anna dejectedly

learned that the \$50 promised for the revival she preached was not to be given. The \$5 allowed Anna to eat for the first time in three days and to buy a badly needed pair of shoes, but more importantly it gave her the assurance that God would provide for her needs in her darkest days. Later, an anonymous Andrew in the Women's Foreign Missionary Society donated the \$3.50 weekly that allowed Dr. Shaw to finish her education (Shaw, A.H. *Story of a Pioneer*, 1915. Pp. 85- 89).

Anna Howard Shaw's experience is legion. Each narrative that celebrates the Peters in our church is replete with the Andrews who paved their paths. Did you ever wonder, for example, who were the Moravian laymen (or possibly laywomen) who invited John Wesley to that outdoor meeting at Aldersgate? Or who was the Andrew who was reading Luther's "Preface to Romans," when Wesley had the heartwarming assurance that he could trust God? These individuals must have been very compelling because John Wesley writes that he "went unwillingly" to the meeting that changed his life.

Did any of these Andrews, I wonder, even have a glimpse of the effects of their generous and steadfast faithfulness? Probably not.

*Isn't it strange how princes and kings,
And clowns that caper in sawdust rings,
And common people, like you and me,
Are builders of eternity?*

*Each is given a list of rules;
A shapeless mass; a bag of tools.
And each must fashion, ere life has flown
A stumbling block or stepping-stone. ("A Bag of Tools." R. L. Sharpe)*

In countless ways Andrews are at work, mostly unheralded and unknown, building the stepping-stones for eternity by telling others the Good News. They are the torchbearers for new generations of Christians, the quiet relentless movers of the Kingdom. I submit to you that these are the real principled LEADers in the church. And if our church is to survive, it will be because each of us claims our call as Andrews—or as Peters—and persistently and un-embarrassingly link others to Christ by our words and our love in action. No more excuses, no more procrastinating, no more waiting for others to take up the cross. Each one seeking one, each one reaching one, each one teaching one...again and again and again until we have finished the race and accepted the victor's crown.

Your Conference Board of Laity has accepted the Andrew leadership challenge and worked these past four years as the Conference lay-representational connector between the general church and the local churches. Our purpose is to raise up and develop stronger Christians, laity and clergy together, for the sake of making a difference in our communities in the name of Christ.

In order to accomplish these goals, our primary tasks during this past quadrennium were to (1) strengthen our structure for greater clarity of mission, (2) build strong

communication networks to facilitate increased involvement in the work of the church, (3) remove barriers to full inclusion from underrepresented individuals such as our young people and ethnic members, (4) encourage passionate leadership (noun and verb), (5) develop new ways of doing ministry, (6) train, train, train, and educate, educate, educate, and (7) keep our focus on the Main Thing so that whatever we do enhances our mission to Make Disciples of Jesus Christ for the Transformation of the World. Our team made great progress in each of these objectives in the following ways.

In opening opportunities for young people, nearly 100, \$1500 scholarships, 24 this past year alone, were given to Daughenbaugh-Matheny recipients under the able direction of Mrs. Carolyn Dove. Carolyn also increased the endowment and produced a DVD showing the impact of these scholarships in the lives of the students who are making a difference in our denomination.

In new ministry, we added six Certified Lay Ministers, with one to be commissioned this Annual Conference. These uniquely-trained laity serve as musicians, church coaches, supply pastors, district lay leaders, and evangelists. Two of those in the pipeline are interested in starting storefront churches in their Hispanic community. Our prayer is that the 1000 Club shepherded by Mr. Walter Weiss will be beside them raising the thousands of dollars needed for new church starts just as they have been for the three calls this past quadrennium.

One of our Certified Lay Ministers, Mr. Al Franks, represented the Board in the Certified Lay Ministry program as well as Lay Speaking Ministries on short notice. Mr. Tim Hebert, the previous director, unexpectedly died this past February after great success in coordinating training for hundreds of individuals in each district. Before Tim's death, Lay Speaking Ministries training modules were added in Spanish and Korean. Tim's passing leaves a huge hole in our hearts. Likewise, we grieve the loss of previous CBOL members, Dr. Nancy Carruth and Mrs. Joanne White.

Our United Methodist Women, under new president Dr. Barbara Ferguson's watch, and our United Methodist Men under the care of Mr. Gard Wayt, have become training grounds for South Central Jurisdiction and General Church leaders because of their exceptional mission work and other activities too numerous to mention here. Likewise, our youth, inspired by leader Ms. Madeline Blackwood, have increased attendance significantly at major youth events like, "Ignite," as they call our young people into ministry and Christian commitment. One young lady, Ms. Ashley Esterly, is the well-deserved recipient of the Harry Denman Award for Evangelism this year.

Our District Lay Leaders, Mr. Ron Sarver, Mrs. Eloise Cox, Dr. Ethel Haughton, Mrs. Lueburda Myers, Dr. Keith Kreutziger, Mr. Grant Schroeck, Mr. Gary Green, and Mr. Rickey Watson, have worked with their District Superintendents and Administrative Assistants to create clearer communication channels through technology, to raise funds for the programs mentioned above, and most of all to sponsor educational events that call others to action on behalf of our mission. At least 500 hundred individuals were trained in church and community mission each year at these events.

Our Board officers Mrs. Joyce Robinson, Associate Conference Lay Leader and new recipient of the Harry Denman Award; Secretary Ms. Marverne Terrell; Treasurer Mrs. Glennell Cottrill; and Members at Large Mr. Pete Aguila, Mrs. Betty Blackman, and Mr. John Evans worked diligently to keep the Board functioning just as former Conference Lay Leaders Dr. Anita Crump and Mr. Buzzy Anding did the same for me. Ms. Rhonda Whitley also kept us sane.

We can't close out this quadrennial report without thanking God for Bishop William W. Hutchinson who clones himself to be at the clergy and laity sessions simultaneously. Bishop Hutchinson never failed to respond to any request made on half of the CBOL and was our speaker at the Laity Breakfast this morning. Mrs. Kay Hutchinson also opened one of our laity sessions and was always on call. Dr. Don Cottrill, another spiritual advisor, rarely missed our meetings and kept us connected to conference activities. He and Dr. Donald Avery (and Rev. Roger Lathan before) ably represented the Cabinet.

These are the extraordinary individuals who symbolized the hard work of the laity these past four years; planned and gathered others for the very successful Bishop's Laity Retreat with Bishop Hutchinson and Dr. Gil Rendle this past March; served on the Louisiana delegation to General and Jurisdictional Conferences; attended numerous events, changed bylaws and created job descriptions; and answered the call for duty no matter the hardships, illnesses, and losses in their personal lives. It has been an honor and privilege to serve on their team. PLEASE STAND.

I would also like for the new CBOL members, elected yesterday afternoon, to stand and be recognized. The incoming board is a very diverse group, composed primarily of new members who were chosen through a discernment process for their passionate commitment to Christ. They will carry on the legacy of our board as they represent other laity who serve so faithfully. PLEASE STAND.

I began this presentation with the story of my great, great, great uncle William Holland Thomas who embodied many of the disparate personality characteristics of the apostle Peter upon whose leadership our church was built. Yet, I contend that Peter's brother Andrew is an excellent model for what the church primarily requires today because it was Andrew who introduced others to Christ one by one, day by day. The Peters in our congregations are important for courageously inspiring great transformative changes that are part of vital congregations, but it is the Andrews whose witness in voice and actions grease and glue these changes together. As I close this address, I ask you all to give silent thanks for the Andrews who brought you to this point in your lives and ask God to give you more opportunities to become Andrews for others.

Isn't it strange how princes and kings,
And clowns that caper in sawdust rings,
And common people, like you and me,
Are builders of eternity?

Each is given a list of rules;

A shapeless mass, a bag of tools.
And each must fashion, ere life has flown
A stumbling block or stepping-stone. (R. L. Sharp)

God bless you.

The Board of Laity presented Bishop and Kay Hutchinson an oil canvas painting entitled, "Bishops Bayou".

Mr. Henry Stamper, Chair of the Council on Finance and Administration, presented CFA report #1. He stated that there are three categories for special Sundays and offerings and those were listed on page 37 of the pre-conference report. He said that he would be bringing report two that afternoon.

He referenced Item number 15, found on page 45 of the pre-conference report. CFA recommends that the Louisiana annual conference designate the Irvin Newton Gilbert estate bequest of \$41,377 toward the \$1,000,000 Africa University pledge that was committed by our conference in 2005. Mr. Stamper asked if there were any questions regarding this matter. There were none and a vote was taken. The motion passed.

Item #16, Per petition #5 of the 2010 Annual Conference Session, and after 2 years of collecting revised audit data in 2010 and 2011 to separately track property insurance premiums and after CFA did a study of the proposed Apportionment Formula change's effects (as required by Par. 615 of the 2008 Book of Discipline), the CFA recommended at its March 31, 2012 meeting that the Louisiana Annual Conference Apportionment Formula be changed to delete property insurance premiums from the Apportionment Formula.

Mr. Stamper moved that the Conference accept that petition and make those changes. Rev. Larry Miller went over the changes in the apportionment comparison sheet that was distributed to the members of the session. SVTF REPORT

Mr. Kenny Beauvais presented the Strategic Vitality Task Force (SVTF) report beginning with a video of how the SVTF journey began. The members of the task force included: Mr. Kenny Beauvais, Chair of CBOP; Mr. Henry Stamper, Chair of CFA; Bishop William Hutchinson, Mr. Rob Fairly, UMF President; Dr. Ralph Ford, Baton Rouge District Superintendent; Rev. Larry Miller, Conference Treasurer; Mrs. Belinda Denicola, Conference Assistant Treasurer, Rev. Danny Gleason, Chair BOM; Dr. Don Cottrill, Provost/DCM; Mrs. Betty Backstrom, Conference Communications Director; Rev. Juan Huertas and Dr. Anita Crump.

Mr. Beauvais stated that the task force was charged to review and strategize with our structured committees, as to how the ministries we have deemed important can be initiated, sustained and supported fully. The following principles were used in guiding their work: 1) Realization of the declining membership and loss of financial support of our churches; 2) Study the funding of the Conference; 3) Find alternate methods of achieving conference goals; and 4) Reduce apportionments to the local church in order to allow more funds to be used in the congregations in the overall goal of Making Disciples for Jesus Christ. Mr. Beauvais stated that some key areas were identified by the task force. In the last 20 years your conference budget has grown every single year. But he stated that the lack of money was not the real problem. The real problem is that from 1980 until today the conference has experienced a decline in local church membership and attendance. At the same time of this decline, we have a budget that is growing each

and every year. Our Conference administration fund has grown 454%. Our overall conference budget has grown 145%. It was reported that the United Methodist denomination is facing a death tsunami and as our older generation will be entering the Kingdom of God, we will be losing our sources of income. Mr. Beauvais said that the SVTF studied different money models and different ways the budget could be changed. They even considered using 0 based budgeting models. They came to the conclusion that the current conference model was useful at the time it was developed but times have changed, therefore, it was time for a change.

He stated that we have to do something and we need to do that today; today when we have the opportunity to make choices; today when we are dealing from a position of financial strength. He stated that the task force tried to develop a budget that would move the conference office from being a service provider to a mission strategy model. He said that in order for the recommendation to be successful, the local churches will have to be connectional and take on leadership roles in areas such as youth ministry and missions. He announced that a Transition Team will be formed by the Bishop to assist in these areas of ministry as we move into the new budget.

After a year of meetings and with the help of the consultant, Gil Rendle, the task force made recommendations to the budget that are found in the preconference reports. These recommendations would reduce the conference apportionments to the local churches by \$943,616 or 11.51%.

CFA REPORT #2

Mr. Henry Stamper stated that the Conference was dealing with 2013 budget. He proposed that he would present his report page-by-page beginning on page 39 of the pre-conference report and go through page 42. He would deal with the total proposed budget for 2013, which is \$7,253,365. This is a reduction of 11.51% over the 2012 budget.

Mr. Stamper then reviewed each change being proposed to the budget.

Several questions were asked.

1. What was the reason for eliminating the Gulfside Assembly apportionment?
Answer: It was stated that Gulfside is partnering with a “for-profit” retirement home and cannot furnish their 501c3 tax exempt status. Also, the director of Gulfside has been slow with furnishing the requested “plan of mission” for the center.
2. What is clergy transition (page 29 of pre-conference report)?
Answer: It is for clergy that choose to leave the ministry or in a process through what we call intentional development process where the best thing for them and the church is to exit ministry. It is a process to help people best develop and be exited, gracefully and carefully.
3. Despite the elimination of youth director, will the \$24,500 in the 2013 budget still be available for the activities? What or who would be overseeing those activities?

Answer: A committee that already exists would be aligned with the Conference and we would continue to utilize that committee and those funds.

4. Since nothing is in writing in the report regarding VIM, what guarantee do we have that what you are saying is going to happen?

Answer: That is the purpose of the transition team to be able to work with the VIM advisory board.

5. Who would be on the transition team?

Answer: A team has not been named yet because we (the Conference) have not directed it to be named. It would be diverse and named by the Bishop.

A motion was made to stop questions. The motion was seconded and passed.

BUDGET AMENDMENTS

Rev. Emile Tosso presented **Amendment Ten** stating that the amendment is a request to adopt the present 2012 budget, with all line items reduced by 12% (no more, no less), as the amended budget for 2013. Churches would receive up to a 10 percent rebate at the end of the year if they have paid 100% of their apportionment. This ten percent can be given back to the local church, donated by the church to a specific line item in the budget, or rolled over into the next year's apportionment for that church.

Rev. Elaine Burleigh, Vice Chair of CFA, stated that CFA does not agree that this is the best approach to discern a more equitable budget. CFA voted 8-0 non-concurrence on amendment ten.

Arguments were made for and against Amendment Ten.

A proposal was made to amend the amendment to exclude the jurisdiction we are to pay from the 12% across the board and any other thing as a conference we owe to the general church that would affect this amendment so we would be only talking about those things which we are able to spend our money for. The proposal was seconded.

It was stated that this is an amendment to the budget, it has not met the two week rule therefore you cannot amend the amendment except by suspending the rule so we can vote to amend the amendment. A motion to suspend the rules was made and seconded for this item only. The suspension was voted on and failed.

Amendment Ten was voted on and did not pass.

Rev. Karl Klaus presented **Amendment Three** which proposed that on behalf of Centenary College that the current 2012 budget apportionment of \$700,000 remain. Arguments were made for and against Amendment Three.

Amendment Three was voted on and did not pass.

Amendment Four, which also affects Centenary College, was presented by Rev. Karl Klaus. The requested change is \$50,000 each year through 2032 to underwrite \$1,000,000

endowment fund. This restores the 2009 apportioned amount for Centenary College of \$750,000.

CFA stated that this increases the 2013 proposed budget more than the 2012 budget. CFA does not think it's sustainable.

Several questions were asked and a vote was taken. **Amendment Four did not pass.**

Courtesy Committee made an announcement congratulating the Rev. Larry Miller family on the marriage of their daughter in June from the "Saints" in the Baton Rouge area.

Prayer was given by Chris Fryou.

WEDNESDAY, JUNE 6, 2012

MORNING SESSION

The opening prayer was given by Rev. Scott Adams.

Rev. Judith Bazer, representing the Committee on the Journal, reported that the Committee had reviewed the minutes for the Sessions of Annual Conference for Tuesday, June 5, 2012 and found them to be in order. She recommended approval of the minutes. The minutes were approved by the Conference.

Dr. James Lyons, President of Dillard University of New Orleans, greeted the conference.

Dr. Ellen Blue spoke about a book that she has written on the civil rights of women in New Orleans entitled, "St. Marks and the Social Gospel."

BOARD OF TRUSTEES REPORT

Judge Jay Caraway, Chair of the Conference Board of Trustees, presented three resolutions which were not in the pre-conference report but that were printed and had been distributed. He also referenced page 71 of the pre-conference report dealing with property matters that were dealt with over the last few years.

Resolution One is to discontinue and abandon St. Paul's United Methodist Church in Baton Rouge District.

Resolution Two is to discontinue and abandon Baskin United Methodist Church in the Monroe District.

Resolution Three is to discontinue and abandon Hope United Methodist Church in the Monroe District.

The entire report was voted on and approved.

BOARD OF PENSIONS

Mr. Kenny Beauvais, Chair of the Board of Pensions, began the report by referencing page 50 of the pre-conference report. The pension's apportionment for 2013 will be \$200,000, compared to \$450,000 in 2012. He stated that 2013 Pre-82 past service rate is to be set at \$661 per service year, an increase from 2012. This is 1% of the CAC in 2013 which is \$66,109. On page 52, pension benefits are a part of deferred compensation. Report two, changes in the health benefit plan. Those are relatively minor this year. It has changed to a Multiplan provider. There is no substantial change to your health insurance plan. Financial review of health plan, we are self-funding so your conference pays all of these claims. The long term goal is to be able to set premium rates far into the future. We need a few more years to build our reserves. The health care benefit resolution is in your packet; it is to be equitable and charges equally to all churches. There are two service year corrections in Report III, under section Roman numeral II A.) Norwood Hingle from 1990 and B.) James W. Barrett adding June 1st 1997 to June 30, 1997.

On pages 64 and 65 of the pre-conference report is an annual resolution for IRS purposes declaring that 100% of UMC pensions and incapacity payments are designated as "rental/housing allowances".

We have churches that have not paid pension or health insurance premiums on behalf of their clergy. We need to get this cleared up so your name will not appear here.

Board of Pension report was voted on and accepted.

RECOGNITION OF RETIREES #2

Rev. Darryl Tate recognized the following retirees: Rita M. Chaisson, Ellen B. Montegudo, Steven W. Caraway, and J. Roddy Taylor.

The opening hymn "We've Come this Far by Faith" was sung to begin the Service of Recognition of the Retirees.

The Retiring Servants are: Johnie W. Adkins, Jr., Patricia Teal Bates, Dale E. Branch, Samuel Calvo, Steven W. Caraway, Rita M. Chaisson, Emmett C. Collins, Carole Cotton-Winn, Charles L. Floyd, Jr., Carol D. Heard, Roger D. Lathan, Ellen B. Montegudo, Owen H. Peyton, Sr., Bill E. Strawbridge, J. Roddy Taylor, and Fannie Thompson.

The Song of Blessing was, "Go in Peace, Walk in Love", led by Rev. Connie Breaux. A special "thank you" was given to Mrs. Jamie Harrell, Rayville UMC who played piano for this service.

In the Service of the Passing of the Mantle, the mantle was passed from Rev. J. Roddy Taylor, representing the retiring class, to Rev. Brad Franklin, representing the new class.

The Service of the Recognition of the Retirees was closed with the hymn "Halle, Halle".

SVTF/CFA REPORT #2

CFA Budget Amendment Five was presented by Rev. Karl Klaus on behalf of Dillard University. The requested change is to restore Dillard's apportioned amount to the 2012 budget amount of \$86,000 for operational expenses.

Elaine Burleigh, representing CFA, stated that Dillard University is owned by the United Methodist Church and the United Church of Christ and that the SVTF/CFA proposal would establish an endowment for Dillard University allocating \$36,000 directly to Dillard and \$50,000 allocated to an endowment annually. Once the endowment reached \$250,000, the recommendation would be to reduce the apportionment to Dillard University to \$36,000 annually and stop funding the endowment. CFA voted 8 to 0 to not concur with this amendment. Speeches were made for and against the amendment. The Bishop called for the vote and **Budget Amendment Five failed**.

Budget Amendment Six: Because Amendment Five failed, Rev. Karl Klaus moved to withdraw Amendment Six. The vote was taken and **Budget Amendment Six failed**.

Budget Amendment Seven: Rev. Don Ross presented Amendment Six which would restore the Board of Higher Education's apportionment back to the 2012 budget amount.

He stated that the budget proposal will not give the board enough time to re-align their budget and campus ministries. He urged the approval of the amendment. Rev. Elaine Burleigh gave the response of CFA stating that CFA voted 7 non-concur and 1 concur. She said that CFA feels that the conference must position itself to be strong enough to live well into the future, especially when the death tsunami hits. At this level of funding, the conference cannot sustain itself. Questions and speeches for and against the amendment were entertained. The vote was taken: For 389 against 281, the amendment prevailed.

Since **Budget Amendment Seven** passed, **Budget Amendment Eight** was withdrawn.

Rev. Karl Klaus then presented **Budget Amendment Two** restoring the Youth Director, the assistant and the program budget back to the 2012 amounts. He stated that this keeps things as they are for the youth ministry. Rev. Elaine Burleigh gave the response of CFA stating that this was one of the hardest choices that CFA had to make because it affects people we know and love. She stated that the proposed budget would not be an end to youth ministry but a different way of doing it. She stated that CFA voted non-concurrence by a vote of 7 to 1. Questions and speeches for and against the amendment were entertained. The lunch hour approached and the Bishop announced that the debate would continue after the break. He asked Rev. Bobby Potter to dismiss the session with prayer.

AFTERNOON SESSION

JUNE 6, 2012

After the session re-convened, more discussion was entertained regarding Budget Amendment Two. The Bishop called for the vote. The **Budget Amendment Two** failed by six votes: 316-no, 310-yes. There was a motion to recount the vote. It was seconded. The motion did not carry.

Committee on Rules report was presented by Mrs. Carolyn Dove. She stated that the only requested rule change was actually a structured addition regarding forming an Episcopal Residency Committee. It was also requested of the Rules Committee to look at Article 1 of the general rules and report back to the 2013 Annual Conference with an interpretation and understanding of the rules in regard to reports and resolutions. The report was approved by the body.

The Skeeter Run report was presented by Mrs. Margaret Johnson and Mrs. Betty Backstrom. A video was shown and Mrs. Johnson stated that on April 21, 2012, more than two thousand volunteers helped make this first annual Skeeter Run successful, raising over \$57,000. She then introduced Mrs. Pam Buck of the United Methodist Communications. Mrs. Buck announced that grants are available for local church clusters of three and districts that seek to sponsor the run next year. She said that a training tool will also be available. There is also information on free HIV testing located on the website.

Mrs. Carolyn Dove presented **Budget Amendment One** which proposed bringing back the Director of Youth Ministry, putting \$33,000 back into the proposed budget. Mrs. Dove stated that the Youth Director is essential for youth events regarding making reservations, collecting money, registration, signing contracts, etc. Rev. Elaine Burleigh offered the response of CFA stating that it voted non-concurrence, 8 to 0. After questions and discussion, the vote was taken and Amendment Number One passed.

Carole Cotton Winn offered the prayer before the recess.

COMMITTEE ON NOMINATIONS REPORT

Rev. Larry Miller presented the Report of Nominations. He made the following changes: George Anding has been nominated by the Bishop to be the new Chancellor.

Page 10, DCOM New Orleans District, delete the name Andy Goff, clergy.

Page 9, DCOM Alexandria District, add Chair for Doug de Graffenried.

Karli Pidgeon is listed as Campus Ministry and that makes her ineligible for CBHECM.

The report was approved with the corrections.

CONFERENCE MINISTRY TEAM REPORT

Conference Ministries Team report was presented by Mrs. Betty Blackman. She recognized the members and lifted up recent events such as the Skeeter Run, the Day of Caring and the Celebration of Christian Leaders. She moved that the Bishop form a Task Force to study the structure and organization of the conference and that at least 1/3 of the membership would be under the age of 40. Then bring the report back to the conference in 2013. The motion was seconded and after the vote, it carried.

Rev. Emile Tosso presented **Amendment Nine** which did not propose to change the budget, just a statement in the CFA report that would eliminate the statement that requires Wesley Foundations to confirm that a church has paid its previous year's Board of Higher Education's apportionment in full before accepting any extra-mile from the churches. Rev. Tosso stated that this statement is unjust since it only applies to the Wesley Foundations and no other areas of ministry. Rev. Elaine Burleigh gave the CFA response stating that CFA concurred unanimously with the amendment; however, CFA

urges all churches to pay-out all of their apportionments by 100%. The vote was taken and **Amendment Nine passed.**

Rev. Roger Templeton presented **Petition #4** regarding four items: 1) That the Annual Conference commits itself to provide at least the current funding levels for Conference Youth Ministry, Campus Ministries, Centenary College and Dillard University through the 2012-2016 quadrennium; 2) That decreases in funding in the conference budget come from other administrative areas; 3) That every local church be asked to pay 100% of its 2012 apportionment; and 4) That a new SVTF be appointed to further study the conference's financial situation. Rev. Templeton stated that Items 1 and 2 were out of order since it binded the budget for future years which is against the Discipline. Rev. John Cannon moved that the body consider only item number 4 of this petition. It was seconded and the vote passed, however, since the petition no longer dealt with the budget, it was postponed.

Petition #3 to direct all committees, groups, boards and agencies submitting budget requests to the Louisiana Annual Conference begin the process of Zero Based Budgeting was also postponed

Item #16 on page 45 of the CFA pre-conference report was once again presented. The annual conference voted to suspend the rules for this one item #16 to be considered. The CFA recommends that the apportionment formula be changed to delete property insurance premiums from the formula effective 2013. After discussion the conference voted to approve the apportionment formula change in Item #16.

Mr. Henry Stamper then asked for the approval of the entire CFA Report II, with changes. Rev. Larry Miller and Mrs. Belinda Denicola reviewed the budget changes. After restoring the Wesley Foundation cuts and after restoring the salary for the Conference Youth Director, and after editorially correcting the revised Annual Conference apportionments, the new CFA budget totals \$7,431,578 for 2013. This is a 9.34% cut from the 2012 budget. After discussion, the vote was taken and the report was approved.

Rev. William Thiele spoke to **Petition #2** regarding avoiding war with Iran. The Board of Church and Society voted 9 concur and 0 non-concur. There was debate over the wording of the petition. It was motioned that the petition be postponed until next year and the maker of the petition to be in conversation with others regarding the wording of the document. It was seconded and passed.

In the final session Rev. Lamar Oliver made three motions that all passed:

- 1) Table all four petitions before us until next year 2013;
- 2) Adopt all reports in the pre-conference report that have not been acted upon already and;
- 3) Amend agenda for this final session to be the Episcopal report and the fixing of the appointments and essential items of the Bishops choice.

The annual conference agreed to allow Rev. Larry Miller to make necessary editorial corrections in the Statistician's Condensed Report in the pre-conference report before it is published in the 2012 Journal. The annual conference also agreed to allow Rev. Ellen Alston's report on General Conference to be published in the 2012 Journal since there wasn't enough time to present this oral report during the final session of Annual Conference.

SEXUAL HARASSMENT POLICY

Mrs. Rachel Scott gave the report on Sexual Harassment Policy. She made a motion to suspend the rule that the documents must be distributed 24 hours in advance of the report to allow consideration of two sexual ethics policies since they were not distributed in advance. It was seconded. The vote was taken and the motion passed.

Mrs. Scott stated that the policy entitled, "Sexual Ethics Policy of the Louisiana Conference of the United Methodist Church," was a revision of an existing policy and includes all clergy, laity, lay employees and volunteers and anyone in ministerial roles. She then stated that the second policy entitled, "Sexual Ethics Policy of Professing Members" was regarding sexual harassment of clergy appointed to local churches. She said that this was a new policy. There was no discussion or debate regarding the policies. The vote was taken and the policies were approved.

TRANSITION TEAM

Mr. Kenny Beauvais moved for the formation of a Transition Team that would be charged with assisting the annual conference with moving from the 2012 budget into the approved 2013 budget. The Transition Team would be in consultation with the SVTF and CFA. He stated that this team would be appointed by the Bishop and would include youth representation. The motion was seconded and the vote was taken. The motion passed.

SHREVEPORT CONDO

Mr. Beauvais stated that the SVTF decided to withdraw the matter of selling the Shreveport Condo and designating the proceeds towards the Africa University pledge and this item may be brought back to the 2013 Annual Conference for consideration.

EPISCOPAL COMMITTEE REPORT #2

The Episcopal Committee Report #2 was presented by Mr. Buzzy Anding. A video was shown depicting various moments of the Bishop's life during his tenure at the Louisiana Annual Conference. Mr. Anding then began the "Service of Farewell" celebrating the ministry of Bishop William Hutchinson. Mr. Anding stated that the Bishop has served in local churches, as a district superintendent and as the Director of the Methodist Foundation in New Mexico. He was elected to the Episcopacy in July 2000 and has served as the Episcopal Leader for the Louisiana Annual Conference for twelve years. Mr. Anding reflected on the many gracious ways that the Bishop has led our conference. Rev. Bob Burgess then offered his recollections and thanksgivings. Mrs. Kay Hutchinson was escorted to the platform. The assembly affirmed their love for the Bishop and Mrs. Hutchinson with a standing ovation.

SERVICE OF SENDING FORTH

Dr. Don Cottrill began the Service of Sending Forth and recognized all those serving in various capacities of ministry. The service and ministry of Dr. Ramonalynn Bethley as the New Orleans District Superintendent was recognized by Bishop Hutchinson as she leaves this position and moves back into the local church. Mrs. Sarah Kreutziger welcomed Rev. Hadley Edwards as the new district superintendent of the New Orleans District. Bishop Hutchinson then offered a prayer of hope and blessings for all those moving into new appointments and all those serving in ministry.

The 2012 session of the Louisiana Annual Conference ended with a recession around the Gold Dome, led by Bishop and Mrs. Hutchinson to the song, “When the Saints Go Marching In.”

RULE 3. AUTHORITY OF THE CHAIR:

He or she shall decide points of order raised or not raised by the members, deemed necessary to conform to these rules of order; subject, in both cases, to an appeal to the Conference by any member, which appeal shall be considered without debate; except that the chairperson and the appellant, in the order named here, shall each have five minutes for a statement in support of their respective positions. A tie vote in the case of appeal shall sustain the chair. When any member raises a point of order he or she shall cite, by number, the rule claimed to have been violated. The presiding Bishop shall have the right to recess a session of the Annual Conference at any time at his/her discretion and to reconvene at such time as he/she shall announce, with only delegates, authorized personnel and authorized guests permitted to attend such a session following recess.

RULE 4. CALLING THE CONFERENCE TO ORDER:

When the chairperson stands in his/her place and calls the Conference to order, no member shall speak, address the chair, or stand while the chairperson stands.

RULE 5. ATTENDANCE AND SEATING RESERVES:

No member, unless hindered by sickness or otherwise from being present, shall be absent from the sessions of the Conference without permission of the Conference; and all absentees shall be reported to the Chairperson.

RULE 6. DIRECTIONS FOR SECURING THE FLOOR:

When a member desires to speak to the Conference, he/she shall arise at his/her designated seat, respectfully address the presiding officer, using the term, "Bishop", or "Mr./Madame Chairperson," and after recognition, proceed to a microphone and announce the Church or Charge which he/she represents; which, in turn, the Chairperson shall then announce to the Conference.

RULE 7. INTERRUPTING THE SPEAKER:

No member who has the floor may be interrupted except for a breach of order, or a misrepresentation, or to direct the attention of the Conference to the fact that the time has arrived for a special order, or to raise a very urgent question of high privilege.

RULE 8. SPEAKING MORE THAN ONCE; LENGTH OF SPEECH:

No member shall speak a second time on the same question if any member who has not spoken desires the floor, nor more than twice on the same subject under the same motion, nor longer than three minutes unless his/her time shall be extended by the Conference.

RULE 9. QUESTION OF HIGH PRIVILEGE:

A member claiming the floor at any time for what he/she believes is a very urgent question of high privilege shall be allowed to indicate briefly the nature of the question; and if it be adjudged by the chair to be such, he/she may proceed at his/her pleasure or until the chairperson judges that he/she has exhausted such privilege.

RULE 10. VOTING AREA OF CONFERENCE:

Only members within the area designated as the bar of the Conference when the vote is taken shall be entitled to vote. All members within the bar at the time a question is put shall vote or abstain, except such as shall have been excused for special reasons by the Conference.

RULE 11. VOTING PROCEDURES:

Voting shall be by a show of hands unless otherwise ordered by the Conference. An "aye" or "nay" vote, if taken, shall be by signed ballot. An "aye" and "nay" vote by secret ballot may be ordered on motion of any member, without debate supported by one-third (1/3) of the members present and voting. A count vote may be ordered on motion of any member without debate, supported by one-third (1/3) of the members present and voting, in which case the members shall rise from their seats and stand until counted.

No other business shall be in order when a vote is being taken or when the previous question has been called, until the process is completed, except such as relates to the vote itself, or that which can be appropriately fitted into the time while waiting for the report of the secretaries on a count vote, or any "aye" or "nay" vote. The count shall be made by the Committee of Tellers.

RULE 12. DIVISION OF QUESTION:

Before a vote is taken any member shall have the right to call for a division of any question, if it is subject to such division as he/she indicates. If no delegate objects, the division shall be made; but if there is objection, the chair shall put the question of division to vote, not waiting for a second, without debate, which division shall be allowed upon approval of a majority of the members present and voting.

RULE 13. VOTE BY ORDER:

The ministerial and lay members shall deliberate as one body; but upon a call, by motion of any member, seconded by another member of the same order and supported by one-third (1/3) of the members of that order voting, the ministerial and lay members shall vote separately. But when the Conference votes by orders, no measure shall be passed without the concurrence of a majority of both classes of members. In cases of such a vote the order calling it shall vote first; provided, however, that the Conference may not vote by orders on a proposed amendment to the Constitution. (2008 Book of Discipline ¶ 59-61)

RULE 14. MOTION FOR ADOPTION OF REPORTS AND RESOLUTIONS, UNNECESSARY:

Whenever a report of a committee, signed by the chairperson and secretary thereof, and otherwise in compliance with the General Rules of this Annual Conference shall be presented to the Conference for its action, it shall be deemed in proper order for consideration by the Conference without the formality of a motion to adopt, and a second thereto.

RULE 15. REQUIRED FORMS FOR REPORTS, RESOLUTIONS, MOTIONS AND AMENDMENTS:

All resolutions and committee reports shall be presented in triplicate; and, when requested by the secretary, motions, including amendments, shall be presented in writing.

RULE 16. ALTERATIONS OF MOTIONS, ETC.:

When a motion is made and seconded, or a resolution is introduced and seconded, or a committee report is read, it shall be deemed to be in possession of the Conference, and may not be altered except by action of the Conference.

In order to provide an efficient manner to inform the Annual Conference of any intention to introduce changes, deletions, or additions to the printed CFA recommended budget, such intentions must be provided in writing to CFA no later than two weeks prior to the opening of Annual Conference.

The presenter of the budget amendment shall introduce the amendment during the "Introduction of New Business" on the day of Annual Conference. In addition, the presenter shall provide sufficient copies of the Budget Amendment Form* to distribute to the Annual Conference in accordance with conference rules. All proposed budget amendments shall be presented to the conference for deliberation when CFA presents the printed budget for adoption. At this time, the Chairperson of CFA shall state CFA's response to the budget amendments received. No additional budget amendments will be accepted from the floor without the Annual Conference suspending this conference rule.

* A Budget Amendment Form can be obtained from the Conference Treasurer's office and must be returned to the Chairperson of CFA by the above deadline. The required form shall identify, (1) the person, church, or agency making the proposal; (2) the Report Number in the CFA proposed budget; (3) the line item proposed to be changed, deleted, or added; (4) the proposed dollar amount adjustment to the line item, and (5) the basis for which such proposed adjustment is being made.

RULE 17. UNDEBATABLE MOTIONS:

The following motions shall be acted upon without debate:

1. To adjourn, when unqualified, except to adjourn the Conference finally
2. To suspend the rules
3. To lay on the table
4. To take from the table
5. To call for the previous question
6. To reconsider a non-debatable motion
7. To limit or extend the limits of debate
8. To call for the orders of the day
9. To alter voting procedure
10. To divide the question (if objection by a delegate is made).

RULE 18. RIGHTS OF THE MAIN QUESTION:

The main question may be opened to debate under the following motions: to adopt, to commit or refer, to substitute, to postpone, and to reconsider. No new motion, resolution, or subject shall be entertained until the one under consideration shall have been disposed of. The foregoing does not apply to secondary motions if otherwise allowable in the existing parliamentary situation.

RULE 19. PRECEDENCE OF SECONDARY MOTIONS:

If any one or more of the following motions shall be made when one or more other motions are pending, the order of their precedence in relation to one another shall be the same as the order of their listing below:

1. To fix the time to which the Conference shall adjourn. (This motion is subject to amendment, or it may be laid on the table.)
2. To adjourn
3. To take recess
4. To order the previous question
5. To lay on the table
6. To limit or extend the limits of debate
7. To postpone to a given time
8. To commit or refer
9. To amend or to substitute (one amendment being allowed to an amendment)
10. To postpone indefinitely

RULE 20. TABLING RELATED MOTIONS:

No motion, which adheres to another motion, or has another motion adhering to it, can be laid on the table by itself. Such motions, if laid on the table, carry with them the motions to which they respectively adhere, or which adhere to them.

RULE 21. REFERRING REPORTS, ETC.:

It shall be in order for the Conference to refer to a committee a section or a part of a report or resolution, which is before the Conference for consideration, or any amendment offered thereto.

RULE 22. PROCEDURE FOR CONSIDERATION OF SUBSTITUTES:

When a resolution or committee report is properly before the Conference for consideration and action, even if amendments thereto are pending, a substitute therefore may be offered by any member moving that the same be substituted for the report or resolution under consideration. The Conference shall then proceed first to perfect the original report or resolution, including consideration and action

upon any amendments which may be offered to it. The same perfecting process shall then be followed with respect to the substitute. The question shall then be put first on the motion to substitute, followed by the motion to adopt the report or resolution; provided, however, that the motion for the previous question shall not be in order on the adoption of the report or recommendation or on making the proposed substitution until opportunity has been given for at least two (2) members to speak on each side of the question of substitution or adoption.

RULE 23. PREVIOUS QUESTION:

When any member moves the previous question (that is, that the vote be now taken on the motion or motions pending), he/she shall indicate to what he/she intends it to apply, if any secondary motion or motions are also pending. If he/she does not so indicate, it shall be regarded as applying only to the immediately pending question. This motion shall be taken without debate, and shall require a two-thirds (2/3) vote of those present and voting for its adoption; and if it is accepted, the vote shall be taken on the motion or motions to which it applies without further debate.

RULE 24. MOTION AFTER SPEECH:

It shall not be in order for a member immediately after discussing a pending question, and before relinquishing the floor, to make a motion whose adoption would limit or stop debate.

RULE 25. EXCEPTIONS TO MAJORITY VOTE:

A majority of those voting, a quorum being present, shall decide all questions with the following exceptions:

1. One-third (1/3) of those present and voting shall suffice to sustain a call for a count vote in case the decision of the chair is doubted. A tie vote sustains the chair.
2. A call for a vote by orders shall prevail if sustained by one-third (1/3) of the members of the order from which the call came, present and voting.
3. A two-thirds (2/3) vote shall be required to sustain a motion to suspend or amend the rules; to sustain a motion for the previous question; to set aside a special order; to consider a special order before the time set therefor; to sustain the request of the Committee on Courtesies and Privileges for the presentation of any person on the final day of the Annual Conference.

RULE 26. RECONSIDERATION:

A motion to reconsider an action of the Conference shall be in order at any time if offered by a member who voted with the prevailing side. If the motion proposed for reconsideration is non-debatable, the motion to reconsider may not be debated.

RULE 27. CALENDARS, REGULAR AND NON-CONCURRENCE:

The Secretary shall keep a chronological record of orders of the day and of reports of committees, which record shall be called the Calendar, and the matter of business placed on it shall be considered as recommended by the Committee on Agenda (the Cabinet) to the Conference, unless by a two-thirds (2/3) vote of the Conference an item is taken out of its order.

When a committee presents a report on a given subject, as part of its report, it must also list the numbers of all petitions relating to this subject on which the committee voted non-concurrence.

RULE 28. MOTION TO ADJOURN IN ORDER EXCEPT:

The motion to adjourn, when unqualified, shall be taken without debate, and shall always be in order, except:

1. When a member has the floor.
2. When a question is actually put, or a vote is being taken, and before it is finally decided.
3. When the previous question has been ordered and action thereunder is pending.
4. When a motion to adjourn has been lost, and no business or debate has intervened.
5. When the motion to fix the time to which the Conference shall adjourn is pending.

The foregoing does not apply to a motion for final adjournment of the Conference.

RULE 29. SPEAKERS FOR AND AGAINST:

When the report of a subject is under consideration, it shall be the duty of the presiding officer to ascertain, when he/she recognizes a member of the Conference, on which side he/she proposes to speak; and he/she shall not assign the floor to any member proposing to speak on the same side of the pending question as the speaker immediately preceding if any member desires to speak on the other side thereof.

Except for undebatable motions, no motion shall be adopted or question relating to the same decided without opportunity having been given for at least two speeches for and two against the said proposal, provided that right is claimed before the chairperson or duly authorized member

representing the committee's report or the minority report, if there be such, has been recognized by the presiding officer to close the debate.

When all have spoken who desire to do so, or when (and after) the previous question has been ordered, the chairperson and/or duly authorized member or members presenting a committee's report (and a minority report if there be one) shall be entitled to speak before the vote is taken. This right of the chairperson and/or other member or members to close the debate shall prevail in like manner to a limit of five minutes when a vote is about to be taken on a motion to amend, to substitute, to postpone, to refer, or to lay on the table or any other motion whose adoption would vitally affect the report under consideration; provided, that this five minute limit shall not apply to a motion to substitute a minority report for a regular (majority) report of a committee.

RULE 30. EFFECTIVE DATE:

All actions of the Annual Conference shall become effective upon the final adjournment of the session of the Annual Conference at which they are enacted, unless otherwise specified, except as provided otherwise in the *Discipline*.

RULE 31. SUSPENSION OF RULES:

The operation of any of the provisions of these Rules of Order may be suspended at any time by a two-thirds (2/3) vote of the Conference.

RULE 32. ROBERT'S RULES OF ORDER SUPPLEMENTAL AUTHORITY:

In any parliamentary situation not clearly covered by these Rules of Order, the Annual Conference shall be governed by the current edition of Robert's Rules.

XI. MEMOIRS

ERMA THORNTON ADAMS AUGUST 1, 1930 - MARCH 8, 2012

Mrs. Adams, 81, of Pineville, passed away Thursday, March 8, 2012, at Christus St. Frances Cabrini Hospital, Alexandria. Erma Adams was a hard worker all of her life. As a little girl, she picked cotton in Delhi, Louisiana. In her early adult life, she was a mother and a minister's wife. She worked just as hard in the church as she did in the cotton fields.

She worked as the organist, the church secretary, the choir director, and even the transportation director of many of the church congregations of which they served. She was instrumental in organizing the two young people choirs - "Saints and Sinners" and "Nolley Notables". They traveled the southern United States performing concerts and participating in competitions.

"Miss" Erma made the difference in so many young people's lives. She took many young children off the streets, helped them develop a talent, and some even became successful in the music industry. She also worked for the River Road Historical Society as the Administrator of Destrehan Plantation. She was involved in coordinating fund raising projects for the complete restoration of this wonderful landmark. She was also Director of the Mental Health Association for Caddo Parish and again helped many people.

For the last 26 years she has been a superstar real estate agent in Central Louisiana. She has also traveled the United States speaking about Real Estate at the Mike Ferry seminars. Erma won numerous national Real Estate awards such as Century 21 Centurion Award for multiple years, 2001 Century 21 Top Producer - Ninth in the nation, Century 21 Diamond, Ruby, and Emerald Elite member for several years, Coldwell Banker "1992 The Best of the Best in the Nation", Central Louisiana Board of Realtors Multi-Million Dollar Producer for 25 of the past 26 years, Top Producer in Central Louisiana for numerous years.

She was preceded in death by her parents, Oliver C. Thornton and Katherine "Kate" Traxler Thornton; two sons, James David Adams and Mark Steven Adams and three brothers, Robert Thornton, William Thornton, and Buddy Thornton. She was also preceded in death by her four-legged companions Nicholas, Jean-Jacques, and Prince Charles. Those left to cherish her memory include her husband of 65 years, Rev. James L. Adams, her son, Charles "Michael" Adams, both of Alexandria, and her four legged companions, Beau and Prince Michael.

JULIA JEAN BEELER
MARCH 26, 1929 - APRIL 20, 2012

Julia Beeler, age 83, died April 20, 2012 at the Sikeston Convalescent Center in Sikeston, Missouri. She was born March 26, 1929 in Bentonville, Arkansas.

On August 20, 1976 she married Thomas Carl Beeler, he survives of the home.

In addition to her parents she was preceded in death by one son, Billy Joe Warren; one brother, Jack Langston and one sister, Edith Langston.

ROBERT W. “BOB” BENGTON
SEPTEMBER 26, 1926 – MAY 8, 2012

Several weeks ago, Dad and I sat alone at the dinner table. He mumbled softly “My life isn’t worth anything”. I’m pretty sure he was just talking to himself and lamenting his increasing physical disabilities, but I immediately said to him “No Dad, that’s just not true. You have always let me ask questions about anything I didn’t understand. You explained the Lord’s Prayer to me. How’s a little kid supposed to know what ‘Hallowed be’ and ‘trespass’ mean? You and Mom gave me life itself, but most of all, you taught me to believe in something stronger than myself, and stronger than you or Mom.”

The way Dad lived taught many lessons:

Compassion: He and Mom continued hospital visitations long after he had retired and had no parishioners. As a pediatric nurse, I was unprepared when parents of my little patients would ask me “Why is my baby sick?” or “Why is he dying?” Dad told me, “You will never have an answer for that question. Tell them you are sorry, listen and stay with them. Say no more, unless God leads you to say something specific. Pray for them.”

Integrity: Live in honesty. Stand for what is right and honorable; even when it’s not popular, even when it is awkward for you, even if it gets you in trouble with your board members. When our church truly became ‘United Methodist’ joining into a single conference, Dad said “Our church doors will be open to people of any color. We will welcome all who come to worship. This is God’s house not ours.”

Courage and Perseverance: Staying in God’s service even when people were angry or hurtful, even when vindictive people had baited him into conflicts, even when he himself had bungled it and made things worse or hurt someone’s feelings. When Dad’s self-confidence waned, Mom was his rock and God was his strength.

Love: Dad loved his family and his congregation. We were moving again, he’d been asked to leave. I was filled with adolescent rage and said, “They can all go to Hell as far as I’m concerned.” He sharply responded “Don’t say that. Don’t ever say that. Any good

I may have done here is negated if you say that.”, then he abruptly left the room. I was shocked. He really loved these people. It wasn’t just his job. That Sunday, Dad’s last Sunday in that pulpit, he preached one of the most beautiful sermons of his career. He begged them not to fight over his moving on, to stop tearing their church apart with petty squabbling and grudges, and to focus on serving their God.

Compassion, Integrity, Courage, Perseverance, and Love. Dad wasn’t perfect, but he allowed his life to be used to help others connect with God. Dad was truly called to his profession.

GLADYS SNEED BROWN NOVEMBER 23, 1911 – DECEMBER 25, 2011

Mom was a member of the Quitman United Methodist Church and was preceded in death by her husband, Rev. Tillman A. Brown; and son, Travis D. Brown, Sr. Surviving are three sons and their spouses, Gerald and Mary Brown; Donnie and Sue Brown; and Wade and Cathey Brown; and daughter-in-law, Ann Brown. Mom loved children and especially her 8 grandchildren; 10 great-grandchildren; and 2 great-great grandchildren. (She asked that Memorials be made to the Louisiana United Methodist Children’s Home, Ruston, because she and Dad supported the children during their ministry.)

Mom was born in Dodson, Louisiana in 1911 and after 100 years of faithful service went “home” on Christmas Day, 2011. That morning, Gerald, oldest son, said “I think Mom is going to be invited to Jesus’ Birthday Party today” – and she was.

Being a “preacher’s wife” while raising four boys during these years was not easy, but Mom balanced her roles with grace and was always the perfect “Help Meet” for Dad. She devoted much of her time and energy as a caregiver to family members, including our Dad, until he passed away in 1990. She was also active in WSCS/UMW at all the churches where they served.

Mom was graceful in living and graceful in dying. The day before her birthday she was reminded that she was going to “100”, she said “OK, keep me posted”! This is just one example of her maintaining a sense of humor to the end.

As a girl, Mom sang in her school choir and continued her love of music throughout her life. She asked that her favorite songs (‘Abide With Me’; ‘Take My Hand, Precious Lord’; and, ‘Great is Thy Faithfulness’) be a part of her final service, along with her favorite scripture: Lamentations 3:22-27.

Mom was very special to her Grandchildren. Here are some examples of their memories of Mamaw:

you never judged me

your kindness
 you never pretended to know everything
 you were brave when you moved into an apartment
 you raised four boys on a country preacher's salary and worked a farm
 you gave me ½ stick of juicy fruit or double mint gum in church to keep quiet
 you unconditionally accepted me
 you always made sure I had change for the offering plate
 you let me sit on the countertop
 you always wanted to visit

During her final times in multiple “care” facilities, she would always thank everyone who helped her. She was frail and sometimes just to be moved was painful. After being moved to get her into a more comfortable position, she would let the caregivers know she was grateful. She did not complain in this life and deserves the care she is being given now that she is “home.” Mom is missed, as Dad and Travis are, but we have the assurance that we will be with them when it is our time to go “home”. God is good!!!

KENNETH BRYAN CHAPMAN
SEPTEMBER 17, 1927 – DECEMBER 18, 2011

Rejoice in the Lord always, and again I say rejoice! Phil 4:4

Rev. Kenneth Bryan Chapman went to be with his Lord on Sunday, December 18th, 2011, at the age of 84 in Brighton, Michigan. Ken was born September 17, 1927 to Randolph and Ida Chapman in Kurthwood, Louisiana. Ken attended Southwestern Louisiana Institute (U of Louisiana Lafayette) to play basketball but his time was cut short to serve in the army in occupied Japan at the end of WWII. After returning he later attended Greenville College. It is there that he wholeheartedly devoted his life to Jesus Christ. He also met his wife Mary Mannoia, with whom he is now reunited in heaven.

Ken received his Masters at Kansas State Teachers College in Emporia, Kansas in 1967(Y). He was a pastor at Emporia Free Methodist Church, Emporia, Kansas. In 1968, he moved to Eunice, Louisiana where he taught English at LSU-E. He also pastored part-time at Jena Free Methodist, Jena, Louisiana and later at Palmetto United Methodist and Melville United Methodist in Louisiana, where he finished his ministry.

Ken was active in his support of the Christian College community. He was a man that lived by his convictions and walked daily with his Lord and Saviour Jesus Christ.

Ken is survived by his son Kenneth B Chapman, Jr., Avon, Connecticut and his daughters Nancy Deckman, Leawood, Kansas, Susan Goble, Brighton, Michigan, Lisa Stephens, Worland, Wyoming and Jeanne Tanner, Brighton, Michigan; his sister Vanessa White, his brothers Dr. James Chapman and Dr. Sydney Chapman. His legacy will be carried on

by his 13 grandchildren and one great grandson. He is also survived by his wife Ruby Satterly, whom he married in 1998, who faithfully and compassionately stayed by his side in his remaining years. He is preceded in death by his sister Margie Kees and his late wife Mary Mannoia.

PERCY JOHN CHIASSON **JULY 4, 1937 - AUGUST 10, 2011**

Percy John Chiasson was born July 4, 1937, the first child of Fernand P. and Verna Aucoin Chiasson in Lafourche Parish and graduated from Thibodaux High. He attended LSU in Baton Rouge Louisiana where he was a member of Sigma Pi fraternity. Before he completed LSU, he entered the US Army and served in Korea for two years. While in basic training he earned the Good Conduct Medal and an Expert Badge in Rifle and a Sharpshooter Badge for Carbine.

After Percy returned from Korea he was stationed in Fort Worth, Texas. In October of 1962 he married Rita Lynn Milton of Denham Springs and they made their home in Fort Worth. Percy and Rita returned to Thibodaux after he was discharged from the Army. He returned to college on the GI bill while Rita taught music at Thibodaux Junior and Senior High.

Percy then got a job with Exxon Chemical in Baton Rouge and he and Rita moved to Denham Springs. He retired from Exxon after 31 years of service.

Percy loved the outdoors and he spent his childhood fishing and hunting with his father and brother. He taught his children to fish as soon as they were old enough to sit in a boat. Also he would take his friends and their children fishing often. He also loved to shrimp and for many years provided his family, friends and neighbors with shrimp each summer.

Because of his love of nature, Percy's favorite Scripture was Psalm 23:1-3. "The Lord is my shepherd, I shall not want. He makes me lie down in green pastures, he leads me besides the still waters; he restores my soul." He felt closer to God when he was able to be outside.

He had many hobbies and loved to build things. He learned carpentry at an early age from his father. He built his own house and was able to fix anything from cars to lawn mowers and he hardly ever had to call a repair man. His loved saying, "I can afford my own self."

Percy developed kidney disease while overseas in Korea. After he returned to the states it was too late to save one of his kidneys and it was removed in 1963. He remained healthy and active until 2007 when he had to go on kidney dialysis and in January of 2011 he developed a rare blood disease. He died on August 10, 2011 at St. Joseph Hospice with his family at his bedside. He is survived by his loving wife of 48 years, Rev. Rita Milton Chiasson and their four children and spouses; Lisa and Mike Hanegan of Denham

Springs, Louisiana, Denise and Jerald Kerby of Decatur, Alabama, Preston Chiasson of Cody, Wyoming, and Brian Chiasson of Walker, Louisiana. Percy was a grandfather and he loved his four grandchildren; Michael Hanegan, Emily Hanegan, Andrea Kerby, and Erin Kerby.

LENORA SPEED COLLINS **JANUARY 12, 1910 - OCTOBER 6, 2011**

Born to devoutly Christian parents with long Methodist traditions, Lenora Speed began her earthly journey on a farm in Meehan, Mississippi. The oldest girl with eight siblings, she learned hard work and responsibility at an early age, qualities that served her well as a minister's wife.

Lenora met her husband-to-be, Albert Collins of Forest, Mississippi, at an Epworth League summer camp in Hattiesburg. With limited resources and transportation, courtship was difficult but obviously effective, for they were soon engaged. On April 8, 1933 she boarded a train alone in Jackson, Mississippi for a trip to Ruston, Louisiana to become Albert's bride. A retired Methodist minister, Brother Bowman, married them the night she arrived. Their marriage, blessed with two children, Lynette Faulkinberry and Albert Junior, lasted 59 years until Albert's death in 1992.

Rev. Collins served churches throughout Louisiana for over fifty years. As a devoted wife, Lenora taught Sunday School, worked with the Women's Society, counseled youth groups, visited and on occasion she even preached. She most enjoyed the music ministry as she played piano and sang in the choir.

Although very strong willed, she confided only to those who knew her well that at times she had felt inadequate for the task. Starting a family and ministry to small churches, all with charges, during the depth of the Depression with family hundreds of miles away was a daunting task. That's when she discovered Revelation 2:4 where John admonished the church at Ephesus not to lose their first love, devotion to Christ.

On her 100th birthday celebration, after much coaxing, she sat at the piano. Long since able to read music and with twisted hands and drawn fingers she began to play. Through a few missed notes and restarts came an unmistakable tune, "When the Roll is Called Up Yonder". She never lost her first love.

MICHAEL D. CORRIGAN

SEPTEMBER 17, 1932 – JULY 14, 2011

Michael D. Corrigan, Jr. was born to Ruby and Michael D. Corrigan, Sr. on September 17, 1932 in Maryville, Tennessee; the first of their eleven children. He attended schools in Tennessee and California. Mike's parents provided a godly example of Bible study centered on God's amazing grace and love. In his late teens, while in prayer he saw a vision of Jesus. He said: "I asked Jesus to save me and guide my life." After his conversion, he served in the U. S. Air Force, 1951 – 1955.

While stationed at Keesler Air Force Base, Biloxi, Mississippi, Mike attended a summer retreat. At the Methodist campground that beautiful morning—July 3, 1953—he met a young lady, Retha Burnett of Baton Rouge, Louisiana. And, as they say "the rest is history." They were married on October 3, 1953.

Pastor and friend, Rev. A. Jerome Cain of Istrouma Methodist, Baton Rouge, took a personal interest in Mike. He sang in the Chancel Choir and his Sunday School class kept growing till there was only standing room. At this time, Mike sensed God's call into ministry. Under Rev. Cain's guidance, Mike became a student-pastor at Loranger, Cooper's Chapel, 1957. While pastoring Carpenter's Chapel and Meadow's Chapel, Mike graduated with a Bachelor's Degree LSU, 1959. Also, during his first year at Perkins School of Theology, Dallas, Mike served as student-pastor, Valley View Methodist Church, 1959-1961.

At this point, Mike decided to pursue a career in Law. He received a Juris Doctorate, UCLA, Law School, 1964, and practiced law from 1965 to 1994. While still practicing law, Mike and Retha attended Fuller Theological Seminary, Pasadena, California, graduating with a Master of Divinity degree, 1993. While active in Church and Disciple Bible Study classes for many years, Mike once again sensed God's irresistible call on his life; this time together with Retha.

Thus, in the Spring of 1994, coming full-circle, they met with pastor-friend Rev. A. Jerome Cain, who welcomed them with open arms to the Louisiana Conference. They served as a pastoral-couple in the Alexandria District: Colfax, Boyce, Montgomery and Mt. Zion from 1994 – 1997; the Monroe District: Memorial, Bastrop; Mer Rouge, Oak Ridge until Mike's heart condition worsened. Mike was placed on Disability Leave in 1998, moved to Coushatta in 2000 and retired in 2003.

Mike passed away July 14, 2011. His Memorial Service was held July 20, 2011 at First United Methodist Church, Coushatta, conducted by Pastor Rev. John Kavanaugh, assisted by our family friend, Rev. Tom Smith, Open Door Fellowship, Coushatta. Mike's favorite hymns were included in his Memorial Service. He not only loved to sing them at Church, but also with family gathered around the keyboard: "How Great Thou Art," "Great is Thy Faithfulness," and "Amazing Grace." Mike's life has touched so many lives. As one former member told us at Mike's Memorial Service: Mike's preaching

“grabbed me.” As a result, he became a fulltime Lay-Speaker filling pulpits almost every Sunday.

Mike is predeceased by both parents and one sister. He is survived by five sisters and four brothers. Mike is survived by his beloved wife, Retha, three wonderful children and their spouses, eight grandchildren, and one great-grandchild. As his wife, I will always cherish Mike as my loving, faithful husband, devoted father to our children and awesome Papa to our grandchildren. Regarding Mike, we all agree on this: “We can’t wait to see you again!”

Mike’s favorite Scripture: “For God so loved the world that He gave His only begotten Son that whoever believes in Him shall not perish, but shall have eternal life” (John 3:16). Mike’s last words were spoken with a broad smile, arms uplifted in praise to God for His amazing grace and love: “I am loved” and “I want to pastor.”

CHARLES COSENTINO **DECEMBER 9, 1943 - APRIL 2, 2012**

Charles Cosentino was born December 9, 1943 and departed this world on April 2, 2012. He served in the US Navy from 1962 to 1966, and worked as an Air Traffic Controller. In 1979 Charles Cosentino was given six months to live, but God spared him as he still had work to do. Charles gave his life to Christ in 1982.

He loved the Lord with all his heart and led his children to the Lord. Charles had a wonderful outlook on life and strove to live every minute with joy that was from God’s grace.

Charles is survived by his brothers, Blaise, Richard, and Gerald; his sons, Charles and Jeffrey, five grandchildren and one great grandchild, and a host of other relatives. Charles is truly and greatly missed by his family, especially by his grandson, Abrahm. Now four years old, Abrahm says he feels his grandfather’s presence and makes plans to play with him when his “Grandpa comes back to earth.”

Rev. Charles Cosentino came into ministry late in his life, serving as a Methodist Local Pastor in the Louisiana Conference from 1993. In his short time as Pastor, he served the Pine Grove charge (1 year) and the Greensburg charge (5 years); and was loved by his congregations. He attended Candler School of Theology for Course of Study, while serving his churches. Charles worked diligently in his ministry that he loved until his poor health made it necessary for him to retire too soon.

Charlie Cosentino loved the Lord and all who knew him were blessed to be a part of his life.

PAUL GUY DURBIN FEBRUARY 4, 1936 – FEBRUARY 17, 2012

The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised,” Luke 4:18

Paul Guy Durbin was born February 4, 1936 in rural Athens, Louisiana to the parents of Rev. Benjamin Paul Durbin and Annie B Durbin.

The son of a Methodist minister, Paul grew up in the church, and in 1958, he received his Bachelor of Arts from Centenary College of Louisiana and soon after his Masters of Divinity from Emory University.

Having been called to the field of chaplaincy, Paul acted upon his participation in the ROTC program while at Centenary and formally enlisted in the United States Army. He served meritoriously in the US Army with posts in Germany, Vietnam and Thailand and completed four quarters of Clinical Pastoral Education at Walter Reed A.M.C., Washington, D.C.

In June of 1976, while attending the Louisiana Annual Conference, Chaplain Durbin was asked by the Bishop if he was interested in an opening at Methodist Hospital in New Orleans. For the next twenty-nine years, Chaplain Paul G. Durbin worked at Pendleton Memorial Methodist Hospital in New Orleans East as Director of Pastoral Care and Clinical Hypnotherapy.

While the ‘church’ he pastored was Pendleton Memorial Methodist hospital, he joyfully participated in the life of many Methodist churches in the state of Louisiana: St. Andrew’s and Cornerstone United Methodist Churches in New Orleans and Asbury United Methodist Church in Lafayette.

During his tenure at Methodist Hospital, Durbin also became a chaplain in the Louisiana National Guard and was promoted to Lieutenant Colonel, and after attending staff school, was promoted again to full Colonel in 1984. In May 1986, Chaplain Durbin was selected and became the **first** Brigadier General Chaplain in the history of the Army National Guard.

Paul enjoyed a long and distinguished career in pastoral ministry and clinical hypnotherapy, publishing three books and over 100 articles in religious and hypnotherapy journals, conducting seminars across North America, and receiving a his Ph.D. from the American Institute of Hypnotherapy, Irvine, California, now American Pacific University in Hawaii, Doctor of Theology- Alpha University.

He retired from service in 2005. Soon after, having lost his home and possessions during Hurricane Katrina, he moved from New Orleans to Lafayette, Louisiana in where he resided until his death on February 17, 2012. He is survived by his beloved wife of 53 years, Bobbie Durbin; their two children: Timothy Paul Durbin and Scott K Durbin (wife

Gretchen); his cherished grandchildren: Brewster Paul and Amelia Durbin and Johnathan Paul English; and his sister, Sybil Waldrop.

Paul was truly ‘one-of-a-kind’ with a generous heart, a love for the Boston Red Sox and Western Swing music, a gregarious smile and was identified by those cowboy boots he always had on. He made an impact on everyone he met and will be dearly missed by all who knew him. Paul was an amazing husband, father, minister, teacher, friend and most importantly, grandfather. He faced death with grace and dignity that only reinforced the selfless life he lived.

Memories of Dad...

Brother Bill, Preacher Man, Father, Husband, Friend, Paw Paw. Oh the many hats he wore. He was a great man. He was a friendly, enjoyable person. He loved to tell jokes, and would tell anyone he met a story, no matter how many times he had told it before. He loved the Lord and he loved his family. He always looked for the good in people. e had a heart of gold and would go the extra mile for you. He was the real deal. He was very special to me. He was a wonderful role model for how to live my life. Growing up he was strict, yet loving at the same time. I always knew where I stood with dad. He was my biggest fan when I played sports. He always knew what to say in every situation. He was best at knowing when to stop talking and just listen. He loved to have a good time. He enjoyed playing games, fishing, traveling and watching sports (especially LSU, the Saints and the Cubs). He also loved to eat. He understood the importance of gathering around the table for a good meal and fellowship. It drew us together as a family. He was special to his grandchildren and loved to be called Paw Paw, and enjoyed watching all of their many activities and was biased about how good they were in their respective activities. He loved to brag about them. Carol

He passed away Friday June 10, 2011 at the age of 77 years and had just celebrated his 43rd wedding anniversary. He was preceded in death by his parents, one sister, Mary Frances Holt, and 3 brothers, Jesse Jr., Fred, and Jimmy Eubanks; and a loving daughter Sarah Jane Eubanks LeBlanc.

William stayed active until his heart gave out. He truly served others through Jesus Christ. He was a man of integrity, honesty, caring, compassionate, humble, and a great friend. He deeply loved his family (he and Jane became inseparable). We will miss you for the rest of our lives, but know you are in a better place.

BARBARA BLACK LAWTON FEBRUARY 23, 1930 - MARCH 6, 2012

Barbara Margaret was born into the life of Robert and Luella Boutte Black in New Iberia, Louisiana. They lived a simple life on the dairy farm in a little one bedroom house. In 1932, they gave her a sister, Bonnie Jean, who became the central figure and joy of her

childhood. They nurtured both with family values, Sunday School, and a love for education.

Barbara graduated from New Iberia High School and Centenary College. She was an honor scholar at both places. She belonged to the Chi Omega sorority. She would say, "One day I saw Bobby Lawton, fell in love instantly, and from that moment he was the love of my life." They married on August 20, 1952 and spent the next 59 1/2 years together. She became "the preacher's wife." She made each parsonage a real home knowing that each would be a very temporary place of shelter. As her children were born, her priority became providing a real Christian example.

When her children (Lady, Doug, John, and Robin) got out of bed each morning, breakfast would be ready and they would find their mother reading the Upper Room devotional and studying her Bible. In daily life, she practiced her strong faith. She taught Sunday School and participated in Bible School in every community where they lived. She taught her children that home was "not a place on a map, but wherever we were together with her and Daddy."

In Plain Dealing, Barbara discovered a little girl named Rosie, who was not learning to read because of vision problems. She went off to the Lions Club, got Rosie glasses, and began to teach her at the kitchen table of her home. She caught Rosie up and the child became happy at school. Over the years, there was always a Rosie. At each charge, the Lawton home became the center of the neighborhood where children were welcomed with home baked snacks, a listening ear, and help with homework. As the children matured, it became apparent that Mama, Mother, Mom was generous and selfless. Our chosen life partners became a part of her heart and home. When there were successes, she congratulated warmly. When failure or the "bumps of life" came, she comforted, consoled, and prayed with us and for us. She did the same for her grandchildren, great grandchildren, and those around her. Her warm welcoming Christian spirit will be missed by family, friends, and neighbors.

ROBERT L. PEYTON
MAY 26, 1916 – SEPTEMBER 4, 2011

Robert L. (Bob) Peyton was born in Baxterville, Mississippi on May 26, 1916 to Guion Peyton and Joanna Bond Peyton. He was reared in Baxterville and attended the University of Southern Mississippi graduating in 1941 with a B.S. degree. He received a Master of Divinity degree from Candler School of Theology at Emory University in 1943. He completed all the course work for a Ph.D. degree in history at the University of Texas at Austin from 1949 to 1952.

For 68 years he was a United Methodist pastor who served churches first in Mississippi and Texas, and then in Louisiana beginning in 1953 at Lake Charles, Arcadia, Bastrop, West Monroe, and finally at Ruston as District Superintendent. He also served on many Conference committees through the years. At each church he served in Louisiana, he initiated successful building expansion programs.

He was known for his well-planned sermons, which he always preached without notes, even into his 90's. He was called upon by other pastors to preach over 60 revivals in United Methodist congregations during his ministry in Louisiana. After his official retirement in 1983, he continued an active ministry as guest preacher and pastoral visitor, and as officiating minister at weddings and funerals.

He was also known throughout his ministry for the many ways he entertained groups using humor and his musical abilities while delivering meaningful messages. On many occasions he was invited by a pastor to arrive at the back door of the pastor's church during a potluck supper pretending to be a transient in need of a meal. He ended up entertaining the group with his singing and guitar and delivered an inspirational message before the group caught on to the act. He was also invited by pastors to dress as John Wesley and to deliver Wesley-inspired sermons to United Methodist congregations.

Perhaps his gift for entertaining is best remembered by his 400 performances over the past 20 years with his dear friend, the Rev. Doug McGuire, as they teamed up for programs of song and storytelling filled with humor and inspiration that touched the lives of thousands.

At his retirement from the Louisiana Conference in 1983, in lieu of a retirement speech, Bob with his guitar, and to a standing ovation with long applause, sang a retirement song to the tune of "It's a Long, Long Way to Tipperary" with these words:

We've come a long, long way to reach retirement.
 It's been a long way to go.
 We've come a long, long way to reach retirement.
 We'll enjoy it we all know.
 Pension checks and Social Security,
 And then there's Medicare, too.
 We've come a long, long way to reach retirement,

But we'll still find much to do.

We've come a long, long way to reach retirement.
 The Lord has blessed us all our days.
 He has been our Strength and Provider,
 And been our Shepherd all the way.
 We say thanks to friends and to loved ones,
 And most of all to God,
 For the love and joy which have been with us,
 Along the way our feet have trod.

We've come a long, long way to reach retirement.
 It's been a long way to go.
 But we all have some wonderful memories,
 And a strong and steadfast hope.
 With faith and trust we face the future,
 Unafraid of the unknown.
 For the Lord will always be with us,
 And His grace will lead us on,
 And his grace will lead us on.

One of his favorite verses was Psalm 118:1, "O give thanks to the Lord, for he is good; his steadfast love endures forever!"

Bob and his wife of 67 years, Elizabeth, lived in retirement in Arcadia, Louisiana for 28 years. They moved to Hartwell, Georgia to live near their son one month before Bob died unexpectedly on September 4, 2011. Elizabeth and their son, Robert Lee Peyton, Jr., an Episcopal priest, still reside in Hartwell, Georgia. Bob was preceded in death by his younger son, Guy Murray Peyton.

The Robert L. Peyton Memorial Scholarship Fund has been set up by his family for United Methodist seminary students from the Louisiana Conference, administered through the Conference.

BARBARA LEE POLLAR DECEMBER 28, 1941 – JUNE 22, 2011

Barbara Lee (Walker) Pollar was born to loving parents, James Kenneth and Emma Brogdon Walker on December 28, 1941 in Norcross, Georgia. She was a graduate of Hooper Renwick High School in Lawrenceville, Georgia and attended both Clark College in Atlanta and Savannah State College in Savannah, Georgia. She married the late Rev. Alfred Pollar, Sr. in 1960 and to this union a single son was born, Alfred Pollar, Jr. The couple began their ministry in Commerce, Georgia and later pastured churches in Savannah, Georgia and New Orleans, Louisiana.

Barbara had a beautiful soprano voice and enjoyed singing solos in church. She was an active pastor's wife, busy working on numerous church activities as well as hosting elaborate dinners in their home that she painstakingly decorated with two of the loves of her life, antique furniture and fresh flowers. Barbara also enjoyed volunteering wherever she was needed in the community. When her son, fondly given the nick name "Bunyon" by his father, was in grade school, she spent so much time in the school everyone assumed she was an employee.

After years of pasturing and in poor health, The Rev. Pollar, Sr. retired and the couple returned to Norcross, Georgia where Barbara lovingly cared for him until his death. After her husband's death Barbara returned to New Orleans to be near their son. She continued her involvement in the United Methodist Church until her son's untimely death. After this loss, Barbara returned to Norcross to live and united herself with John Wesley UMC as she was so grateful for the support the church had given her through the years. She sang in the choir and served two terms as president of United Methodist Women.

She had her own health challenges by then. She bravely fought uterine cancer for six years. Barbara remained positive through it all and was an inspiration for all who knew her. Many times she would walk among other patients in the chemotherapy lab praying for them quietly and whispering words of encouragement in the ears of the suffering. She gladly gave up the fight for this life on June 22, 2011. She was memorialized on June 25, 2011 at the John Wesley United Methodist Church. Family, church members and friends sat patiently in a filled sanctuary as people from around the world stood on their feet to express all that Barbara had meant to them.

She is survived by three sisters, Deborah Walker-Little, Yvonne (Lynn) Newton and Singne Walker, all of Norcross, Georgia, many nieces, nephews and friends. Though she is physically not here she remains very close in our minds, our hearts and in our conversations.

BILLIE CARPENTER SMITH JUNE 30, 1917 – OCTOBER 7, 2011

Billie Carpenter Smith was the third of eight children – six girls and two boys. Billie was born in the Central Community of East Baton Rouge Parish. She did not marry a minister. Ted was a welder. However, under the leadership of a caring minister and the devout congregation of the Blackwater Methodist Church, Ted soon found his calling into the ministry. Billie soon found herself the mother of a son, Barry, and the wife of a minister to be. They spent the first years of this ministry serving student appointments while Ted completed his college and seminary studies.

Though with no formal training (there is no training for a minister's wife), Billie assumed the role of a minister's wife, gracing the parsonage, teaching Sunday School and working beside her husband in the activities of the church. She enjoyed the role and dedicated

herself to the task. As in the case of the minister's wife, she made many friends through the years.

Two almost fatal accidents marred their ministry. In a boating accident, Ted was gravely injured causing him to take disability for several years. During this time, they returned to the Central Community where they were under the watchful eyes of a caring family. After returning to the pastorate, Billie was injured in a near fatal auto accident. These experiences were tragic and yet gave them insight into the lives of those with similar experiences. Billie bore the effects of this accident until her death.

Upon retirement, the Smiths returned to the Central Community. There they attended the Blackwater Church and enjoyed the closeness to their family. Living not far away at the time, we enjoyed many opportunities together. We helped as they fixed up their retirement home. Ted also had the opportunity to fill numerous pulpits for ministers who were on vacation or who had illnesses. Following Ted's death, Billie continued to live in their retirement home until health made it necessary for her to move the Zachary Manor Nursing Home. There, wheel chair bound, she soon made her way about learning the names and need among the patients. She was often found praying with some, reading the Bible to others or just spending time with those who were lonely and needed a lift. This became a special kind of ministry she seemed suited for and enjoyed it very much.

My wife, Myrtress, and I have many fond memories of Billie and Ted. Myrtress spoke by phone to Billie almost every week. As she recently told their son, Barry, she misses Billie very much. These were "special people" to us and we felt they were part of our extended family. We cherish the time we had together and mourn their passing. However, we are grateful to our Lord who brought us together and left us with these warm memories. Now, though living miles apart, we are developing a warm relationship with their son, Barry.

Myrtle joined Boynton United Methodist Church, where she also served as the former First Lady for 12 years under the pastorate of her late husband. She also served as a Communion Steward and Sunday School Teacher. She was also a member of the Alpha Kappa Alpha Sorority, Inc. To all who knew her, Myrtle was a caring and generous person. Smith; one sister, Vashti Todd; nephews: Locksley Todd, Hopeton Todd, (late) Donovan Todd, and (late) Glen Todd; and a host of loving friends, church members and her pet dog Snowball.

JOHN NEWMAN WILLIAMS **APRIL 12, 1949 – SEPTEMBER 18, 2011**

John Newman Williams was born in Amite, Louisiana and grew up on Hog Branch between Montpelier and Pine Grove. His parents, Pat and Gladys, were dairy farmers and John's years on the farm shaped his life in profound ways. From his father, John learned hard work, responsibility, and independence. From his mother, he learned patience, kindness, and theology. They were his models for partnership in marriage and work. As John reached his teenage years, Rev. Ted Smith asked him to lead the morning worship service in the Montpelier Methodist Church. This was his first invitation to worship leadership and the beginning of his understanding of his call to ministry.

John graduated as Valedictorian from Pine Grove High School and then attended Southeastern Louisiana University. During his college years he was active in the theater department and the Wesley Foundation. His leadership at the Wesley Foundation included serving on Deputation Teams, which went to area churches to lead worship services, and as the President of the Wesley. All these activities were negotiated around his travel home on weekends to work on the family farm. John graduated from Southeastern in 1971 with a degree in Speech Education and a minor in English, with plans to teach high school.

However, those plans changed during that summer when he served as the summer youth intern and pastoral assistant First UMC, Houma with Rev. Jerome Cain. Rev. Cain encouraged John to go to seminary and helped him apply to Perkins School of Theology at SMU. John was accepted and began his studies at Perkins in the fall of 1971, and it was there that John met his future wife, Marie Helen Palmer. John and Marie married December 30, 1972, and they graduated from Perkins in May 1975. Their marriage and ministry broke new ground as an ordained clergy couple in the Louisiana Conference.

John was ordained as a Deacon in the Louisiana Conference in June 1972 and as an Elder in June 1976. For 38 years John served churches throughout Louisiana until he was forced by illness to take disability in 2010. His appointments included: Broadmoor, Baton Rouge; Vinton; Logansport–Bethel; Caddo Heights–Keithville; Cedar Grove; Wynn; Luling; St. Andrew’s, Baton Rouge; First, DeRidder; Mt. Zion, Calhoun and Aldersgate, Slidell.

John’s years of service to the Louisiana Conference included two eight-year terms on the Board of Ordained Ministry, and he served the last four years of his tenure as Chair of that Board. He also served for eight years on the Commission on Christian Unity and Interreligious Concerns, chairing it for four years as well. John’s love of and commitment to youth was seen in his many years of service working with the Conference Youth, serving on DCYM and CCYM and as Spiritual Advisor for The Louisiana United Methodist Happening.

Throughout his years of ministry John was known for his kindness and his gentle spirit. He loved the people in the congregations he served, and they in turn loved him. He loved his three children, James Newman, Sarah Palmer and Jared Roland, with all his heart and was a wonderful father and mentor. As a husband and partner he shared equally in household and family responsibilities and along with Marie made the “family business” of ministry a joy to share in.

John’s love of life emanated from his deep faith in God and was a blessing to those with whom he worked and lived. It can be said that he was truly a man of God.

She was preceded in death by her parents, her brother Russell Eugene Stewart, who died in the battle of Okinawa, and her husband the Reverend Jack Stroud Winegeart. She is survived by two children Henry Eugene (Gene) Winegeart and wife Ann of Shreveport and Sally Winegeart King and husband Gordon of Niceville Florida; grandchildren Jordan Gilbert Lyons of Ruston, Louisiana; Addie Katherine Winegeart of Charlotte, North Carolina; Lauri King Cook and husband Kevin of Orlando, Florida; Andrew Stewart King and Kristi Carol King of Niceville, Florida.

Byrd High School where she graduated in 1940. She then attended Centenary College of Louisiana where she was a member of the Maroon Jackets and Zeta

Tau Alpha Fraternity. She graduated from Centenary in 1944. After college, Norma worked as a secretary at First Methodist Church Shreveport from 1944-1953.

On March 27, 1953 she married the Reverend Jack Stroud Winegeart. They served United Methodist Churches for the next 40+ years first in Fayetteville, Arkansas then in the Louisiana Conference at Lake Arthur, DeQuincy, Ponchatoula, Haynesville, Horseshoe Drive in Alexandria, DeRidder, Christ United Methodist Church in Shreveport, and Plain Dealing. At every place they served Norma was active in Church activities, singing in the choir, teaching Sunday school and leading the UMW. If there was an activity at the Church, she was there. The United Methodist Church and her family were her life.

Norma was very active in the United Methodist Women, or its predecessor organizations, all of her adult life. She first served as a member of the Wesleyan Service Guild of the Women's Society of Christian Service. She also served in District UMW offices in the Baton Rouge, Lake Charles, Ruston and Shreveport Districts. Norma also served on the Methodist Conference Commission on Archives and History for two quadrennia and was Chairperson of the task group that published "Becoming One People - a History of Louisiana Methodism." Norma had been an active member of The First United Methodist Church, Shreveport and the AVN Sunday School Class since 1995.

Norma loved to travel all throughout her life making trips to Europe, Cuba, and Hawaii before she was married. Then China, a train trip across Canada and a cruise through the Panama Canal later in life.

Norma's service to God and the church may best be summed up with Matthew 25:23 "His lord said unto him, Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord."

LOUISIANA CONFERENCE STRATEGIC VITALITY TASK FORCE (SVTF)

The SVTF began with a denominational gathering in March, 2011, at Fort Worth with 7 people from every conference. Bishop Hutchinson selected the following 6 individuals to join him at this Financial Forum, which was jointly sponsored by GCFA and GBOPHB. Mr. Kenny Beauvais, Chair of CBOP; Mr. Henry Stamper, Chair of CFA; Mr. Rob Fairly, UMF President; Rev. Ralph Ford, Cabinet District Superintendent Representative; Rev. Larry Miller, Conference Treasurer and Benefits Officer; and Mrs. Belinda Denicola, Conference Assistant Treasurer and Benefits Officer.

The Financial Forum gathering was originally called because of the financial crisis created by the 2008 recession and the stresses of annual conferences suddenly having to come up with large amounts of money to pay the unfunded liability bills for Pre82 and MPP pension annuities assessed by the GBOPHB (for the Louisiana Conference the bill was originally estimated to be \$1 million per year for 7 years).

Lovett Weems and others at the Financial Forum pointed out that the issue was broader than just the pension liabilities. The United Methodist Church has been suffering a membership decline for 40 years, and we face what is being called a “death tsunami” in the near future of many of our older members and generous givers. It was pointed out that we need to consider “resetting the financial base” of our conferences by reducing our budget to something that can be sustained in the future with the expectation of less income and revenue for the future.

Following this forum in Fort Worth, Bishop Hutchinson added 5 additional members to the group: Rev. Danny Gleason, Chair of CBOM; Rev. Don Cottrill, Conference Provost & DCM; Mrs. Betty Backstrom, Conference Communications Director; and 2 at-large members being Dr. Anita Crump and Rev. Juan Huertas. This group was named the Strategic Vitality Task Force (SVTF) and was charged by Bishop Hutchinson in his 2011 Episcopal Address to “review and strategize with our structured committees, as to how the ministries we have deemed important can be initiated, sustained and supported fully.” After a year of meetings and with the help of our consultant, Gil Rendle, the SVTF presented the following report to the CFA and now to the 2012 Louisiana Annual Conference. Below is a description of the meetings of the SVTF during the past year:

3.1.2011	Financial Leadership Forum (General Board UMC) – group from LA Conference attends to hear about needs for change in the church, - the need for future work (by the LA Conference) is determined, the group decides to meet again
3.11.2011	Same group that went to Ft Worth meets to begin discussion – identifies that the issue is not pension viability, but that current structure is unsustainable – conference function/budget must change
5.19.2011	Gil Rendle meets with group to help to outline the issues facing the conference – what are our tasks? And how do we accomplish them?
June 2011	Bishop Hutchinson formally appoints the SVTF and assigns them the issues to be studied
7.11.2011	Subgroups formed – budget, “out of the box”, & conference structure

8.26.2011	First pass in reviewing conference budget – many questions, much discussion – what is “viable”? – what are priorities?
9.15.2011	Ad Hoc meeting – data collection
9.27.2011	2 day meeting – review budget from “top down” what must be funded in order of priority – much discussion/debate
11.16.2011	Gil Rendle meets with group - recommendations from SVTF members are presented – subgroups formed & develops recommendations for budget
1.10.2012	Develop Budget Recommendations – Develop an outline to describe the work of the group as we move forward
2.27.2012	Final Program of Work Document adopted by group – Generalized Budgets are discussed – specifics on tap for next meeting – “where we are” document developed & discussed
3.14.2012	Finalize the budget recommendations – develop a communication strategy
3.31.2012	SVTF recommended budget is endorsed/approved by CFA, suggestions from CFA members as to communication strategy
Early April	SVTF members and CFA members meet to develop a summary statement, narrative of budget for pre conference report

STRATEGIC VITALITY TASK FORCE **RECOMMENDATIONS & STRATEGY REPORT TO THE LOUISIANA** **ANNUAL CONFERENCE**

Recognizing the financial challenges in the future of our annual conference and local churches, Bishop Hutchinson in his Episcopal address of June 2011 announced the formation of the Strategic Vitality Task Force to address these issues. This document addresses our findings and our recommendations

The Strategic Vitality Task Force used these principles in guiding their work:

- Realization of the declining membership and loss of financial support of our churches
- Study the funding of the Conference
- Find alternate methods of achieving conference goals
- Reduce apportionments to the local church in order to allow more funds to be used in the congregations in the overall goal of Making Disciples for Jesus Christ

Overall Recommendation

To move the Conference Office from Service Provider to a Mission Strategy Model.

“The purpose of the annual conference is to make disciples of Jesus Christ for the transformation of the world by equipping its local churches for ministry and by providing

a connection for ministry beyond the local church; all to the glory of God.” Paragraph 601, 2008 Book of Discipline

In order to accomplish this purpose the conference should lift up the mission of the general church and inspire churches to be connectional in their address of the mission.

Primary functions of the conference will be:

- Provide clergy leadership thru the appointment process
- Administration of the health care and pension plans
- Provide back office support to accomplish the mission
- Facilitate leadership development of lay and clergy for development of vital congregations
- Coordinate the joint efforts of local congregations for more effective ministry

The financial implication of these recommendations results in:

1. A sustainable budget for the future
2. A reduction in the 2012 Apportionments to the local church by 11.5% in 2013
3. An additional reduction of 3.5% in the apportionments (from 2012 budget) by 2014
4. This results in an overall reduction from 2012 to 2014 of **\$1.2 million**, from \$8.2 million to \$7 million, a 15% reduction, overall.
5. Enable the conference to honor our commitment of \$1,000,000 to Africa University over a five year period beginning in 2014.

At the same time, the proposed budget changes retain some of the programming monies at the conference level for conference led ministries

SVTF

REPORT TO THE LOUISIANA ANNUAL CONFERENCE RECOMMENDED BUDGET – LINE ITEM NARRATIVE

General & Jurisdictional Funds

- Conference Benevolences was pulled out of World Service to separate the General and Jurisdictional Apportionment Funds from the Conference Apportionment Funds.

Louisiana Interchurch Conference

- Although Louisiana Interchurch Conference is an important ministry that keeps our conference in dialogue with other denominations, the SVTF felt that our energy should be directed towards our conference's primary mission of establishing new congregations.
- The SVTF in conjunction with CFA agrees that while we should not eliminate the LIC apportionment altogether, it would best serve the mission of our conference to reduce this budget amount.

District Superintendent

- The SVTF and CFA is recommending that the conference reduce its number of districts by one which will reduce the District Superintendents' budget.

Pastoral Care Fund

- This apportionment was actually increased by \$34,750 to establish a Clergy Transition fund to assist those clergy that decide to exit the ministry.

Equitable Compensation

- Due to the exemplary work of the Bishop and Cabinet, there have been no more than two clergypersons per year for the last several years receiving Equitable Compensation. This budget has built over a \$90,000 reserve. At this rate, the SVTF and CFA feel that these reserves could fund any future Equitable Compensation grant requests for the next 10 years.
- Therefore, the recommendation is to not apportion any amount for Equitable Compensation until such time as the reserve funds are depleted.

Pension Fund

- The Pension Apportionment has been supplementing the Health Insurance Program every year by \$100,000. Since the Health Insurance program has not been operating in the red for the past two years, SVTF, CFA and the Conference Board of Pensions is recommending that the supplement be discontinued.
- The Pension Apportionment was supplementing the Conference Administration budget every year by \$54,000 to assist in the cost of the benefits support staff. The SVTF, CFA and CBOP are again recommending that the Conference Administration budget pick-up the entire cost of this staff person.
- The Pension Apportionment was supporting various retiree costs, such as, the cost of retirees (not under appointment) and surviving spouses to attend Annual Conference in regard to meals and housing at Centenary College and the cost of the LANow and conference journal to every retiree (not under appointment) and surviving spouses. It is the recommendation of the Conference Board of Pensions that the pension reserve funds being held at the United Methodist Foundation or the Woolworth Fund pay for these expenses, thus reducing the Pension Apportionment by \$250,000.

Wesley Foundations

- SVTF and CFA is recommending that the Board of Higher Education and Campus Ministry develop different ways for campus ministries to operate, such as partnering with churches, reducing the number of Wesley Foundations, or seeking new ways to do ministry on the campuses. For 2013, a reduction of \$147,200 and for 2014 another \$225,000 reduction is proposed.
- In recent years some other conferences have removed Campus Ministry from their budgets completely or reduced their budgets. It is not the intent of SVTF or CFA to micro-manage the Board of Higher Education but to simply reduce the amount being apportioned.

Centenary College

- It is the recommendation of SVTF and CFA to continue the endowment plan for Centenary College that was adopted two years ago by Annual Conference.
- SVTF and CFA recommend reaching the \$1 million endowment sooner by increasing the contributions to the endowment and decreasing the contributions to Centenary over the next several years.
- It is being recommended that the condominium in Shreveport (donated years ago for the use of the Bishop) be sold and the proceeds go toward accelerating the endowment.
- Once the endowment reaches \$1,000,000, the apportionment for Centenary would be \$250,000 per year instead of \$500,000 as the original plan stated. Also, the \$250,000 would be dedicated for the Christian Leadership Center program established by Centenary.

Dillard University

- The SVTF and CFA are recommending that the annual conference adopt an endowment schedule similar to that of Centenary College with the resulting endowment being \$250,000.
- Beginning in 2013, the total apportioned amount for Dillard University will be \$86,000 with \$36,000 going to Dillard and \$50,000 going toward the endowment. When the endowment reaches \$250,000, the apportionment for Dillard will be \$50,000 each year.

Wesley Center

- The SVTF and CFA are proposing a \$25,000 reduction in the apportionment for the Wesley Center.

Church Extension-Establishing New Congregations

- Church Extension-Establishing New Congregations is the main mission and focus of the Louisiana Conference of the United Methodist Church as voted at annual conference, 2011.
- The SVTF and CFA is recommending the 12.5% increase in 2013 for the program budget of Church Extension (from \$305,784 to \$344,000) per 2011 annual conference action.
- The SVTF and CFA is recommending that a new line item in the budget be created for Church Extension program expenses and staff compensation. This would take the program funds out of Conference Benevolences and staff compensation out of the Conference Administration apportionments.

Conference Benevolences

- The SVTF and CFA is recommending that the Conference Benevolence Program budgets be reduced overall from 2012. Hispanic Ministries is a smaller reduction as salaries for the Hispanic Missionaries are incorporated into the budget.
- SVTF and CFA are recommending that the conference program ministries reduce meeting expenses by having more conference call and webinar meetings versus face-to-face meetings.

Conference Administration

- SVTF and CFA are recommending the reduction of the Conference Administration budget by eliminating the following conference staff positions:
 - Youth Director and Assistant; Multi-Cultural Ministries Director and Assistant, and the Director of Christian Education by January 1, 2013.
 - VIM Director and assistant by July 1, 2013:
- SVTF and CFA are recommending reducing the conference funding of the following positions: Director of Academies, Director of Center for Pastoral Effectiveness and their support staff by July 1, 2013.
- SVTF and CFA are recommending that the salaries for the Director of Church Extension be moved into a new line in the budget that will combine salaries and program funds.

***General Church Observances**

2. The Council reminds all congregations of the importance of STEWARDSHIP in the life of all Christians. Christ calls His disciples to give as an act of worship of God. We are called to be stewards of all that God has given to us. Paragraph 630.5e of the 2008 Discipline lists among the responsibilities in the area of Stewardship of the Conference Board of Discipleship, "To educate the local church that tithing is the minimum goal of giving in the United Methodist Church". CFA calls upon the Conference Ministry Team, the Conference Board of Discipleship, and the District Ministry Teams to consider methods of assisting our congregations in developing a

process of education in a theology of stewardship. The intent of this request is to enhance the ministry of our local congregations, our members, and our Conference and world ministries.

3. The Council recommends a continued emphasis by all churches on Advance Specials, both General Advance and Conference Advance Specials. All churches are to pay in full their designated apportionments before appropriating funds for second-mile projects.
4. Each pastoral charge is asked to continue support of Mt. Sequoyah, the South Central Jurisdiction Conference and Retreat Center, with a goal of \$35 per pastoral charge. Each district is to raise the amount based on the total number of charges in the district and mail it to the Conference Treasurer.
5. It is recommended that the Whitney National Bank and J. P. Morgan Chase Bank be designated as the principal depositories for funds of the Louisiana Annual Conference. Other financial institutions may be used for interest-bearing accounts. Authority to open accounts is given to the Conference Executive Director of Administrative Services/Treasurer and the President of the Council on Finance and Administration of the Louisiana Conference. Authorized signatures on the accounts and deposit boxes are to be: Conference Executive Director of Administrative Services/Treasurer, designated representative(s) of the CFA, designated conference office director(s) as named by CFA, and the Senior Pastor of First UMC, Baton Rouge.
6. The Council has contracted with William E. DeLoach, Certified Public Accountant of Baton Rouge, to audit the books of the Executive Director of Administrative Services/Treasurer. The auditor's report for the year ending December 31, 2011, is included in the Treasurer's Report found in this report.
7. We recommend that the pastoral charge consider a vouchered amount of \$7,200 for Pastor's Travel/Professional Expense and an amount of \$7,200 for Utilities/Furnishings expense for each clergy.
8. We recommend that the local churches reimburse the moving expenses of incoming clergy up to \$6,000. Churches are asked to budget this amount each year. Money not used for moving should be placed in an escrow account to assure such funds as needed. When the recommended amount is exceeded by the incoming clergy, that clergy should pay the additional costs.
9. We recommend that the Pastoral Charge pay the Travel, Housing and Meal expenses of its Annual Conference Members (Lay and Clergy) to attend the Annual Conference Session.
10. We remind the clergy of the Annual Conference who will move to another charge that they are to accept salary and expense only through the end of the conference year (June 30) from the charge they are presently serving. The salary, benefits and expenses paid at the new charge begin July 1.
11. The Council recommends that all clergy under appointment be compensated semi-monthly.
12. In order to comply with the federal income tax regulations, we recommend that the utilities and other housing expenses on the Conference Directors' residences and the district parsonages be considered a part of their cash compensation as "Housing Allowance."

*** The Conference Council on Finance and Administration has approved a multi-year plan for the Conference support for Centenary College and Dillard University. These plans would establish two endowments with the Louisiana United Methodist Foundation. Over the course of several years, the Conference would continue the apportionment to Centenary College and Dillard University, but with a portion of the apportionments going directly to the Colleges and a portion going into the endowments for the Colleges. The charts below provide for the allocation of the apportionments for 2011 through 2018. When the endowment reaches \$1,000,000 for Centenary College and \$250,000 for Dillard an annual 5% draw would be allocated to the colleges. The Conference apportionment would then be set at a level of \$250,000 per year for Centenary and \$50,000 per year for Dillard, along with the proceeds from the endowment. While the Annual Conference will be the major donor to the endowments in these beginning years, individuals, churches, and other groups would be encouraged to add to the fund through direct contributions, estate planning, deferred giving, or other means of gifting. We are proposing to sell the Tealwood Condo Property in Shreveport and apply these proceeds to the Centenary College Endowment and continue with the below schedule until the endowment reaches the goal of \$1,000,000.

The schedule for Centenary College would look like this:

NOTE: The Conference Administration Fund apportionment decrease is due to the shifting of Church Extension staff compensation to a separate line item in the budget, and to the elimination and reduction of several other Conference staff positions. Remaining Lily funds will be used in 2013 to help supplement a part of the compensation for the directors and support staff of the Academies and Center for Pastoral Effectiveness.

2. All remittances for 2012 must be received by the Conference Treasurer's Office not later than January 10, 2013.
3. The Annual Conference grants permission to Centenary College and Dillard University to make an appeal for every church in the Conference to send a "paid student" to the institutions.
4. The Executive Director of Administrative Services/Treasurer is authorized to pay from the District Superintendents' Fund for expenses of Cabinet Meetings. The Executive Director of Administrative Services/Treasurer of the Conference is authorized to pay from the District Superintendent's Fund to the Pension Fund an amount for each District Superintendent to meet the General Board of Pension requirement.
5. We recommend that each district provide at least three-fourth time secretarial help for the District Superintendent from district budget funds. The Annual Conference requires that copies of the annual budget and audit for each district be mailed to the Executive Director of Administrative Services/Treasurer for the Council not later than April 15 following the previous fiscal year.

6. The compensation of all the District Superintendents shall be equal throughout the Conference. Since District Superintendents are appointed by the Bishop as officers of the Conference, their salary, travel expense, utilities allowance, housing allowance, professional expenses, and the Conference health insurance premium shall be paid by the Annual Conference. We recommend the following income be paid to the District Superintendents from the District Superintendents' Fund: Base Compensation for 2013, \$86,285 (see Conference Rules for the rule concerning salary); utilities/furnishings - \$7,200; an amount not to exceed \$3,600 to be drawn by voucher and used for professional expenses that the District Superintendent incurs in carrying out the responsibilities of the office. The Council shall provide an automobile travel reimbursement expense for each District Superintendent to be drawn by voucher at the current IRS standard mileage reimbursement rate from a total pooled budget of \$82,063.
7. Each Council, Board, Commission, Committee, etc. of the Conference receiving funding from the Conference shall designate one person, other than the chairperson, as the Finance Officer. The Finance Officer shall keep for that board or agency a current record of financial transactions involving the budget receipts and expenditures for that body.

The Finance Officer shall receive all vouchers from members and shall approve and submit them to the Executive Director of Administrative Services/Treasurer. Vouchers must be specific, in detail, accompanied by the appropriate receipts, and must bear the signed approval of the Finance Officer. The Finance Officer shall in turn submit them to the Conference Executive Director of Administrative Services/Treasurer within three weeks. In order to assist the Executive Director of Administrative Services/Treasurer to close the books and set up books for a new fiscal year, all Finance Officers shall submit final vouchers of said board and agency by December 9, 2012.

OFFICIAL VOUCHER POLICY FOR CONFERENCE BOARDS AND AGENCIES:

- **Travel** – Within the State of Louisiana – Travel Expense for Conference Boards and Agencies is set at a maximum of 25 cents per mile. When three or more members are traveling together, a maximum of 30 cents per mile will be paid. Regardless of the mode of travel used, the maximum of 25 cents per mile will still apply. Beyond the state, the most economical mode of travel must be used with this new provision: That an amount of \$500 per year be the normal limit for reimbursable travel expense for members of Louisiana councils, boards, commissions and committees who reside outside the state boundaries to attend regular meetings of their conference agency. This limit applies to funds that come from conference line item budgets. A Conference agency may vote to increase this amount if the members choose to make an exception due to the specific need of participation by a particular member. This limit applies only to travel and not to per diem lodging and meal costs. Air travel must be supported by the air ticket stub.
- **Lodging and Meals** – Reimbursement for lodging expenses will be made for the actual amount of expenses incurred. Moderately priced hotel or motel accommodations are suggested. An itemized bill must accompany the request for reimbursement. Reimbursement will be made for meals for the actual expense

incurred, but not for entertainment or room service. Any meals exceeding \$5 must be supported by receipts. CFA recommends that those submitting vouchers for hotel and food reimbursements use good stewardship to keep costs at a minimum.

8. All institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year. (See Conference Rules for Rule on Annual Audits.)
9. A balance at the close of the year in the Conference Benevolence Budget of any conference board or agency will be placed in the Conference Benevolences Reserve for the next year. Also, at the end of the fiscal year, any funds remaining in individual line items of the Conference Budget that is over 10% of that line item's budget shall be moved into the Conference's Contingency Fund to help build an emergency fund that could be used in a future disaster or catastrophe, such as another hurricane or gulf oil spill, or liabilities that are a result of severe market decline, lawsuit, litigation, etc. (Budgeted line items that have permission of CFA or Annual Conference to carry a reserve of more than 10% of their budget will be exempt from this.) The Annual Conference shall continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different conference boards and agencies. The Council shall use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of conference funds. Local churches and conference institutions shall consider using the Foundation for the investment of their funds.
10. We recommend that the Louisiana Annual Conference Wesley Foundations be given basic support by a decimal item to be apportioned to the churches of the Conference. Amounts of the funds to be given to each Wesley Foundation will be determined by the Board of Higher Education and Campus Ministry.
11. The Conference Council on Finance and Administration recommends the following procedure for selecting and continuing with a Conference property/liability insurance broker:

Brokers' selection is to be based on accessibility, reputation, selection of carriers, cost of product and knowledge of product including United Methodist General Church Insurance. An Advisory/Search Committee of the Council on Finance and Administration will publicize through the *Louisiana NOW* when new opportunities or bidding on Conference insurance are available.

After a broker is selected, the broker will normally be retained for a minimum of three years. This term is considered beneficial because of the multi-faceted types of coverage necessary for a variety of persons, property and equipment. If the selected insurance broker's services are considered unsatisfactory or rates are considered excessive during a three-year cycle, the relationship may be terminated and the broker replaced.

The new selection procedure became effective January 1, 1995. This selection is to be utilized for each three-year cycle thereafter. The Advisory/Search Committee members will be the President of CFA; the Executive Director of Administrative Services/Treasurer, the Cabinet liaison to CFA; a representative of Conference Board of Trustees; and one other selected by the President of CFA.

12. The Council on Finance and Administration reminds all persons, clergy and lay, handling funds in local churches to adhere to Paragraph 258.16.4(f) of the 2008 *The Book of Discipline* which states:

“Contributions designated for specific causes and objects shall be promptly forwarded according to the intent of the donor and shall not be used for any other purpose.”

This reminder is made by CFA although local churches and institutions are presently and have always been responsible for the proper use of funds.

13. The Council reports the following special grants were approved for 2011 from the General Contingency Fund:

Episcopal Residence	\$20,000
Episcopal Retirement Gift	\$2,000

14. The CFA is recommending that the annual conference authorize the transfer of current and future undesignated conference receipts from gas leases and royalties (as allowed by the Book of Discipline and Conference rules) to the New Church Development Fund at the UMF. The total of this fund on 12/31/11 was \$486,605. This fund is being overseen by the Conference Church Extension Committee (in consultation with the Cabinet) to help purchase land, retire capital debt of parsonages, and other needed expenses of the newest church starts in our conference.
15. CFA recommends that the Irvin Newton Gilbert estate bequest to the Louisiana Annual Conference, valued at \$41,377, be designated toward our Conference's past due commitment of \$1,000,000 to Africa University.
16. Per Petition #5 of the 2010 Annual Conference Session, and after 2 years of collecting revised audit data in 2010 and 2011 to separately track property insurance premiums, and after CFA did a study of the proposed Apportionment Formula change's effects (as required by Par. 615 of the 2008 Book of Discipline), the CFA recommended at its March 31, 2012 meeting that the Louisiana Annual Conference Apportionment Formula (found in Article 1.A. of the Conference Rules on page 235 of the 2011 Conference Journal) be changed to delete property insurance premiums from the Apportionment Formula. Since the Apportionment Formula is actually part of the Conference Rules, we propose that there be a suspension of rules for 2012 for Article 1.A. to allow the new Apportionment Formula to take effect with the 2013 apportionments, and that this formula change be referred to the Rules Committee for reporting back to the 2013 Annual Conference Session (as required by Articles 1.S. and 1.T., on pages 238-239 of the 2011 Conference Journal).

Independent Auditor's Report

To the Conference Council on Finance and Administration
Louisiana Annual Conference
United Methodist Church
Baton Rouge, Louisiana

I have audited the accompanying statement of assets and net assets - cash basis of the Louisiana Annual Conference of the United Methodist Church as of December 31, 2011, and the related statement of revenues, expenses, and changes in net assets - cash basis for the year then ended. These financial statements are the responsibility of the Conference's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As described in Note 2 to the financial statements, the Louisiana Annual Conference prepares its financial statements on the cash basis of accounting. This is a comprehensive basis of accounting other than generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly, in all material respects, the assets and net assets of the Louisiana Annual Conference as of December 31, 2011, and the changes in net assets for the year then ended in conformity with the basis of accounting as described in Note 2.

LOUISIANA ANNUAL CONFERENCE
UNITED METHODIST CHURCH

Notes to Financial Statements

For the year ended December 31, 2011

NOTE 1. Organization and Purpose

The Louisiana Annual Conference is an unincorporated organization of five hundred United Methodist churches located in Louisiana, and is one of fifty-nine Annual Conferences of The United Methodist Church in the United States. The Conference elects a Council on Finance and Administration whose purpose is to "develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures and management services for the Conference. The Conference and therefore the Council, cannot financially obligate any organizational unit of the United Methodist Church except the Annual Conference itself".

NOTE 2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are prepared on the cash basis of accounting. Accordingly, the financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles in the United States. Under the cash basis method of accounting, revenues are recognized when actually received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. The financial statements are a summary of the cash and investment activity of the Conference.

Source of Revenue & Recognition

Churches in the Louisiana Conference are required to remit their apportionments to the Conference to support the programs of the United Methodist Church. The apportionments are then allocated to the categories as required by the General Council on Finance and Administration and in turn remitted to the General Council on Finance and Administration. Some cash receipts and disbursements that occur after year end are recorded as transactions of the prior year to which they apply. Consequently, cash balances reported as of year end are adjusted for subsequent receipts and disbursements that are applicable to the prior year.

Financial Statement Presentation

The Conference has adopted FASB ASC Topic 958 Financial Statements of Not-for-Profit Organizations. Under FASB ASC Topic 958, the Conference is required to report information regarding its financial and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets as applicable.

Income Taxes

The Conference is an organization of the United Methodist Church which is exempt from federal and state income tax and is not a private foundation.

NOTE 2. Property, Plant, and Equipment

The Conference's policy is to expense property, plant, and equipment at the date of acquisition which is a departure from generally accepted accounting principles. The property, plant, and equipment acquired by the Conference have not been capitalized and are not presented as a part of these financial statements.

Off Balance Sheet Assets

Non-cash gifts received such as estates and trusts are not recorded as assets until converted into cash.

Cash, Marketable Securities and Other Investments

Investments in marketable securities and other investments are recognized at current market value as determined by the financial markets as of year end. Investments include high grade corporate securities and U.S. Treasury securities with minimal risk and are not held for trading purposes. Investment income, investment expenses, realized and unrealized gains and losses are recorded as a component of current revenues and expenses and are not separately reported. The organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Contributed Services

The Conference does not recognize any support, revenue or expense from services contributed by volunteers.

NOTE 3. Pension Plan

The Conference contributes to a defined benefit plan for clergy with service prior to 1982. The plan is administered by the General Board of Pensions. Total fair value of pension assets was \$30,804,370. Total benefits paid was \$2,378,995.

The Conference also contributes to a defined contribution and a defined benefit pension plan for clergy administered by the General Board of Pensions. The contributions for 2011 were as follows:

Conference staff and special ministries clergy	\$ 183,280
Equitable compensation pension supplement	569
Conference laity staff pensions	<u>34,633</u>

NOTE 5. Concentration Risk

The Conference depends on support generated by the churches in the Louisiana Conference. Changing economic conditions that affect contributions from church memberships could impact the programs and operations supported by the Conference.

The Conference maintains cash accounts in the following financial institutions:

Hancock Bank	\$7,202,885
Southern Teacher FCU	26,297
Liberty Bank & Trust Savings	1,373
Liberty Bank & Trust CD	16,019
Hancock Bank	6,137
Chase Bank	46,692
Total	<u>\$7,299,403</u>

The amount in excess of FDIC insurance limits is \$6,952,885

The Conference also maintains funds in a repurchase agreement sweep maintained by Hancock Bank. Funds excess of a certain balance in the account are swept into a repurchase account used to purchase United States treasury securities. The securities are held until needed by the Conference at which time Hancock Bank repurchases the securities from the account and places funds and earnings back into the account for use by the Conference. The account is not insured by the FDIC and are not guaranteed by the United States government or any of its agencies.

The Conference maintains deposit accounts with the United Methodist Foundation of Louisiana totaling \$3,367,283 and General Board of Pensions totaling \$419,893. Deposits held by the Foundation or the General Board of Pensions may not be guaranteed by federal deposit insurance.

NOTE 6. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 7. Subsequent Events

FASB ASC Topic 855 for Subsequent Events introduces the concepts of financial statements being "available to be issued," and requires disclosure of the date through which an entity has evaluated subsequent events and whether that date represents the date the financial statements were issued or were available to be issued. ASC Topic 855 does not result in significant changes to subsequent events that are reported either through recognition or disclosure in the financial statements. FASB ASC Topic 855 is effective for the Organization's December 31, 2011 financial statements, and the Conference has evaluated subsequent events through May 23, 2012, the date the financial statements were issued.

NOTE 8. Fair Value Measurements

FASB ASC Topic 820 on Fair Value Measurements established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Conference has the ability to access.

Level 2 Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets.
- b. Quoted prices for identical or similar assets or liabilities in inactive markets.
- c. Inputs other than quoted prices that are observable for the asset or liability.
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Funds held by others: Valued at the net asset value of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the the Conference believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could results in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2011:

	Level 1	Level 2	Level 3	Total
Funds held by others		\$3,787,176		\$3,787,176

BOARD OF PENSIONS

REPORT I

I. CONFERENCE MATTERS

- A. That \$200,000 be apportioned to the charges of the Louisiana Annual Conference in 2013.
- B. Payments made to the pension apportionment shall be exactly proportional to the amount paid on the clergy salary or salaries of a given charge, i.e. if the church does not pay the pension apportionment in full, neither should pastor's salary be paid in full. See Paragraph 622, *The Book of Discipline*.

II. PRE-1982 BENEFITS

We recommend:

- A. That the funded annuity rate for 2013 be \$661.00 per service year. In 2012, it was \$646 per service year. Benefits to surviving spouses of clergy shall be 75% of the annuity rate.
- B. The Conference Board of Pensions is recommending that the "Past Service Rate" for years prior to 1982 be set at 1% of the CAC for 2013 (\$661 per year) and that this rate be reviewed annually. The CAC is set annually by the General Board of Pension and Health Benefits. The CAC amount for 2013 is \$66,109.

III. CLERGY RETIREMENT SECURITY PLAN (CRSP)

We recommend:

- A. That Participants shall be all Clergy members of the Louisiana Annual Conference including Deacons and Local Pastors under Episcopal appointment to a charge. The Conference Board of Pensions includes in the Louisiana Conference plan Deacons as a definite and integral segment of the program. All local churches and United Methodist agencies who employ Deacons shall pay for the Retirement Plan in addition to salary.
- B. That Participants' Plan Compensation is the sum of: (1) cash salary (including tax deferred annuities and professional expense allowances) received from church-related sources; (2) utilities; and (3) housing allowance, or when a parsonage is provided, 25% of the Plan Compensation as the approximate value of that parsonage.
- C. That the church's contribution base be set as a percentage of plan compensation according to the following:

Defined Benefit (DB) – 12% of Pension Plan Compensation with a cap at \$8,000

Plus

Defined Contribution (DC) – 3% of Pension Plan Compensation.

Example 1: Pension Plan Compensation = \$55,000

DB: \$55,000 x 12% = \$6,600

DC: \$55,000 x 3% = \$1,650

Total CRSP = \$6,600 + \$1,650 = \$8,250

Example 2: Pension Plan Compensation = \$88,900

DB: $\$88,900 \times 12\% = \$10,668$ (Cap at \$8,000)

DC: $\$88,900 \times 3\% = \$2,667$

Total CRSP = $\$8,000 + \$2,667 = \$10,667$

- D. Contributions for each participant shall be paid directly by the paying unit to the Louisiana Annual Conference, 527 North Blvd., Baton Rouge, LA 70802-5720.
- E. Participants may contribute personal funds withheld by his/her appointed church to the UMPIP with remittances made directly to the General Board of Pension and Health Benefits, P.O. Box 4609, Chicago, IL 60680-4609. Clergy shall have his/her employer make direct deposit into a pre-tax or after-tax account, in accordance with federal government regulations. Further information concerning the United Methodist Personal Investment Plan may be obtained from the General Board of Pension and Health Benefits, 1901 Chestnut Drive, Glenview, IL 60025-1604 (1-800-851-2201).

IV. THE COMPREHENSIVE PROTECTION PLAN (CPP)

We recommend:

- A. That participants shall be all clergy in full connection, provisional, associate members or full-time local pastors under Episcopal appointment, who have a plan compensation of not less than 60% of the DAC or CAC whichever is the lesser.
- B. That the churches contribute, on behalf of each participant, an amount equal to 3% of the Plan Compensation as defined in II.B. up to a maximum of 200% of the DAC. Remittances are made directly to the Louisiana Annual Conference in conjunction with CRSP payments.
- C. Based on the Denominational Average 2013 Compensation (DAC) of \$63,867:
 - 1. Minimum Surviving Spouse Annuity Benefits - The surviving spouse of an active participant is eligible to receive a minimum pension of 20% of the DAC. The CPP will supplement pension payments as needed to assure the required 20% minimum benefit.* The GBOPHB will no longer terminate the minimum surviving spouse annuity benefits for surviving spouses who remarry. Surviving spouses whose benefits were terminated due to remarriage may submit a claim to begin their benefits again, but only on a prospective basis (i.e., from the time of the renewal request). GBOPHB will not retroactively reinstate these surviving spouses' benefits.
 - 2. Surviving Child Benefits - Children under the age 18: 10% of the DAC* annually. Children between the ages of 18-25: 10% of the DAC* annually for up to four years, if enrolled in school full time.
 - 3. Death Benefits - Payable upon the death of an active participant: \$50,000. At retirement, the benefit becomes 30% of the DAC (\$19,160 for 2013). Payable upon the death of the spouse of a participant: 20% of DAC. Payable upon the death of a surviving spouse of a deceased participant: 15% of DAC. Payable upon the death of a child: 10% of DAC.
 - 4. Incapacity Benefits - 70% of Plan Compensation capped at 200% of the DAC, reduced, dollar by dollar, by disability benefits received from the Social Security Administration. Minimum benefit is 40% of the DAC.

*The amounts are based on percentages of the DAC in effect on the benefit starting date. Once initiated, these benefits increase 3% annually on the anniversary of the benefit starting date.
- D. The Conference Board of Pension and Health Benefits is recommending one of the options available to Conferences through the Comprehensive Protection Plan. Article 111, Section 3.02 (a) states that persons "appointed to less than full-time service" not participate in the CPP unless special arrangements are made. Special arrangements for such cases may be found in the "Plan" at Article 111, Section 3.03 (a).

The Conference Board can offer the CPP on an elective basis which allows a clergy serving as a full member, associate member or a provisional member at less than full-time service (75% or more) to elect to participate. In such a case the individual participant would pay the 4.4% of the DAC for which they would receive the death and incapacity benefit.

V. OPTIONAL UMLIFE PLAN*

The General Board of Pension and Health Benefits adopted the Optional UMLife Insurance Plan on January 1, 2009. This plan is available to all full-time clergy under Episcopal appointment and who are enrolled in the CPP benefit program, as an optional life insurance plan at the cost to the clergy participant. III. RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR INCAPACITATED CLERGYPERSONS OF THE LOUISIANA CONFERENCE

THE LOUISIANA CONFERENCE (THE “CONFERENCE”) ADOPTS THE FOLLOWING:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, Pensions or other amounts paid to active, retired, and incapacitated Clergypersons are considered to be deferred compensation and are paid to active, retired, and incapacitated Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for retired and incapacitated Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to 100% of the pension or incapacity payments received from plans authorized under *The Book of Discipline of the United Methodist Church* (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the year 2012 by each retired or incapacitated Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT, the pension or incapacity payments to which this rental/housing allowance applies will be any pension or incapacity payments from plans, annuities, or funds authorized under the *Discipline* including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that a retired or incapacitated Clergyperson of this Conference rendered to any local church, annual conference of the church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or incapacitated Clergyperson’s pension or incapacity as part of his or her compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolution) for such year; (2) the amount actually expended by the Clergyperson to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

IV. INVESTMENTS

REPORT IV**VACATION POLICY**

This Vacation Policy for Clergy is to standardize clergy vacations across the Conference. The policy is for clergy appointed within the bounds of the Louisiana Conference.

	<u>CONFERENCE RELATIONSHIP</u>	<u>TIME OF SERVICE</u>	<u>VACATION TIME</u>
(1)	Full-Time Local Pastors in process, Attending the four-week Course of Study		2 weeks paid
(2)	Full-Time Clergy (Full Members, Provisional Members, Assoc. Members, Full Connection Deacons, FTLF) Part-time Local Pastors	5 years or less	2 weeks paid 1 week including 1 Sunday paid
(3)	Full-Time Clergy (Full Members, Provisional Members, Assoc. Members, Full Connection Deacons, FTLF) Part-time Local Pastors	5 years + 1 day through completion of 9 yrs. of service	3 weeks paid 2 weeks including 2 Sundays paid
(4)	Full-Time Clergy (Full Members, Provisional Members, Assoc. Members, Full Connection Deacons, FTLF) Part-time Local Pastors	10 years or more of service	4 weeks paid 3 weeks including 3 Sundays paid

NOTE: Years of service refer to years of service in an Annual Conference(s) of the United Methodist Church, not years of service in the local church to which the clergy is appointed. These years of service include years under appointment to Seminary or beyond the local church.

Time used for Continuing Education, as defined by *The Book of Discipline* of the United Methodist Church and according to the rules set by the Conference Board of Ordained Ministry, shall not be considered as vacation time or used in lieu of vacation time. Vacation time is on a conference year basis. Vacation time not used in one year cannot be carried over into the next year.

DAYS OFF POLICY:

The Annual Conference's policy is that each local church's Pastor-Parish Relations Committee establish a days off policy with the pastor(s) of the charge. The minimum

standard for days off is as follows: 2 days per week and 2 nights per week. Additional time should be set aside each week for prayer and study for the pastor’s use.

If an honorarium is given to a guest pastor while the appointed pastor is on vacation, it shall be paid by the local church and not from that pastor’s compensation.

Churches should encourage their pastor(s) to participate in physical exercise programs, good nutrition programs, and to get regular checkups with their doctors.

This policy is to be printed each year in the Journal of the Louisiana Annual Conference. The Cabinet of the Louisiana Annual Conference will send a copy of this policy to the Chairperson of the Pastor-Parish Relations Committee in each District.

BEREAVEMENT LEAVE POLICY

All clergy in any relationship - PTLP, FTLP, AM, PE , PD, Full Connection, or retired if serving an appointment – shall be offered at least 30 days for bereavement leave (BL) for the death of a spouse or child. The District Superintendent shall initiate this process by informing the bereaved clergy of the availability of bereavement leave.

Bereavement leave will be in addition to vacation time, continuing education time and days off. The local church or conference agency to which the clergy is appointed shall continue to provide salary and housing, as well as pension and insurance payments, during the bereavement leave. The clergy will have ninety (90) days, beginning the day after the memorial/funeral service, in which to begin the bereavement leave. Details - pulpit supply, covering hospitals, etc. - will be worked out in conjunction with the District Superintendent and S/PPR chair. The clergy may use the bereavement leave in one block or some smaller blocks of time as he/she wishes, but must complete it within six months of the funeral/memorial service.

In many cases the congregation will have its own resources to secure appropriate pastoral leadership during the bereavement leave, but if the District Superintendent and S/PPR determine that financial assistance is needed to provide a supply pastor, the Annual Conference Board of Pensions will provide a maximum of \$400 per week depending on whether the appointment is part or full time, and the responsibilities expected of the supply pastor. The District office will disburse any funds from the Conference Board of Pensions to the supply pastor. Counseling is available at no cost to all clergy by a confidential request to the Director of Care and Nurturing of the Louisiana Conference Board of Ordained Ministry.

**REPORT VI
LOUISIANA ANNUAL CONFERENCE FUNDING PLAN
FOR SUPPLEMENT ONE TO THE CLERGY RETIREMENT SECURITY PLAN
AS OF JANUARY 1, 2012**

The 2012 Past Service Rate (PSR) for the Louisiana Annual Conference is \$646 or 1% of the 2012 Conference Average Compensation (CAC).

The General Board of Pension and Health Benefits has determined that the portion of the Pre-82 plan liability attributable to the Louisiana Annual Conference is \$32,385,637 with a 3.5% PSR increase assumption, based on a 2012 PSR of \$646. Plan funds currently held with the General Board of Pension and Health Benefits have a value of \$35,076,980 as of January 1, 2010.

The difference between the total plan liability and current plan funding is \$2,691,343. This represents an over-funded plan asset of 108%.

The funding plan as of January 1, 2012, for 2012 is as follows:

Supplement One Liability Assuming

PSR Future Increase of 3.5% (Plan Liability)*	\$(32,385,637)
Current Plan Funding (Assets as of 1/1/2010)	<u>\$35,076,980</u>
Over-Funded Status (As of 1/1/2010)	2,691,343

***Based on 7% interest and RP2000 mortality table**

The CBOP is requesting that the Louisiana Annual Conference set the 2013 PSR at \$661, which will be 1% of the CAC and that in 2013, continue our true funding plan assumptions of annual CAC increases of 3.5% and setting the future PSR at 1% of the CAC. Based on the GBOPHB estimated actuarial valuation results for 2013, this would create a liability of \$31,500,189 for the Louisiana Conference against assets of \$37,135,181 (based on 1/1/11 values) and thus reflects a \$5,634,992 (or 118%) overfunded status for 2013.

The usage of the Pre82 surplus funds to fund other plan liabilities, after consultation with the General Board of Pension and Health Benefits actuaries, will be determined annually by the Conference Board of Pensions. In the past, it has been the recommendation of the

conference board to utilize the surplus funds toward the Defined Benefit (DB) contribution portion of the CRSP pension plan. However, the conference board does recognize that if Pre82 surplus funds are used toward other plan liabilities, this could result in future Pre82 liability contributions. The Conference Board of Pensions does not recommend any Pre82 surplus funds be re-directed toward the CRSP DB plan in 2012.

If the funding plan for years beyond 2013 produces an underfunded Pre82 plan liability payment, then the intent is to use earnings (and principal if needed) from the UMF Louisiana Conference Pension Fund (listed in Report V. Statement Of Assets, of the 2012 conference journal and valued at \$6,610,492 on 12/31/11) to restore the Pre-82 plan to 100% funded status.

RE: 2012 Funding Plan for the Louisiana Annual Conference

Dear Rev. Miller:

Attached is a copy of the funding plan for 2012 submitted for the portion of Supplement One to the Clergy Retirement Security Program attributable to the Louisiana Annual Conference.

The total liability as of January 1, 2010, for 2012 is \$32,385,637, based on the following key actuarial assumptions:

- 7.0% interest
- RP-2000 mortality table unprojected
- Past service Rate of \$646
- 3.5% average increase in the Past Service Rate

In the opinion of The General Board of Pension and Health Benefits of The United Methodist Church, the attached funding plan meets the funding requirements of Paragraph 1506.8 of *The Book of Discipline of The United Methodist Church 2004*. This opinion applies only to the attached funding plan.

Sincerely,

Jeanne Featherstone Actuarial Services

CONFERENCE MINISTRY TEAM

The Conference Ministry Team is comprised of the programming agencies of the Louisiana Conference. Following this introduction you will find the individual reports from these agencies. As you will see, there has been an abundance of ministry in several areas in this past year. We are grateful for the leadership of those who have assisted in the many events and responses to reach out to a world in need of the love of Christ. We will miss the leadership of those who are rotating off these programming groups at the end of this quadrennium but look forward to those who will be coming to lead us in the next four years. We strive to fulfill our Conference mission to Make Disciples of Jesus Christ for the Transformation of the World and to Raise up Spiritual Leaders, both lay and clergy.

The CMT continues to provide leadership to the Four Area of Focus identified as the priorities of the United Methodist Church and the Louisiana Conference. This quadrennium has provided many opportunities for ministry in these areas:

1. We began our quadrennial emphasis with a most successful Rethink Evangelism seminar. Dr. Tony Campolo was our guest speaker. He inspired the 1,200 participants to reach out with the Good News of Jesus Christ especially to those who have no faith grounding.
2. The 2010 Annual Conference session focus was on the area of the Global Health Initiative. This task force continues to work in the areas of Imagine No Malaria and HIV/Aids education and ministry. You will read of their work in the HIV/AIDS testing manual and in the "Skeeter Run".
3. The task force on New Places for New People held a successful Rethink Worship event in December of 2010 and two follow-up trainings in January of 2011. The intent of this focus is to reach new persons as Disciples of Christ through additional ways of worship. Rethink Evangelism continues to be an emphasis. The "E" word has been reclaimed as a part of our vocabulary as churches are challenged to concentrate on those who were not in the church as well as those who are currently in the Christian fellowship but not actively participating.

4. May 14, 2011 we had a great day in Louisiana Methodism! The Conference churches were invited to participate in A Day of Caring. Each church was asked to plan and lead in some specific ministry that expressed our concern for those brothers and sisters in need. Our Conference led the denomination in this response during 2011 with at least 300 of our 500 congregations responding to this missional initiative.
5. 2012 is the celebration of the focus on “Developing Principled Christian Leaders.” Rev. Adam Hamilton, Senior Pastor, The United Methodist Church of the Resurrection in Leawood, Kansas, will be our speaker at this session of the Annual Conference. Rev. Hamilton’s presentations will be followed with programming suggestions during our 2012 Conference year.

Motion from the Conference Ministry Team

The Conference Ministry Team moves that the Presiding Bishop of the Louisiana Conference form a task force to study and recommend an alternative structure of the organization for ministry and mission of the Louisiana Annual Conference. This task force is to prepare a report on their recommendations to the 2013 Annual Conference session for consideration and vote.

Rationale:

The Louisiana Annual Conference is organized as it has been mandated by the decisions of the Judicial Council rulings over several years. While this organization has been useful, it does not follow the proposed shift in Conference philosophy from Service Provider to Mission Strategy. It is time to consider an alternative organizational structure to make decisions on the direction and implementation of the Conference mission and ministry. Such a change will allow the Conference a more flexible method of decision making. This recommendation follows similar proposed legislation at the 2012 General Conference. It is understood that any changes will be consistent with the current Book of Discipline of The United Methodist Church.

Thank you for your ongoing support of our connectional ministries as a Louisiana Conference and as The United Methodist Church. We join hands with our 120,000 members in the work that has been given to us as we strive to fulfill our mission.

RECOMMENDATIONS FROM CAMPING MINISTRY/WESLEY CENTER CONFERENCE COMMITTEE

The purpose of this conference level committee was to build relationships involving personnel at the three conference camps and the Wesley Center; reinforce connectional levels among camp directors and church leaders; and utilize knowledge and experience from the four camp/retreat centers. The four institutions have agreed to meet four times a year, rotating the meeting among the four sites, so that each site has an opportunity to host the meeting during the year.

At a recent camping committee, with directors from each camp and the Wesley Center, we heard good reports from 2011 demonstrating that our retreat centers are moving in a positive direction, in fact that “God is blessing the camp ministry!”

After having been without a director for over a year, the Board of Directors at Camp Caney have hired Matthew Hankins to manage the programs and facility. He is quite familiar with Louisiana as he is the son of Rev. Johnny and Pam Hankins. His management experience at a previous job will be beneficial for the camp.

Each camp has been actively working to reach youth in our conference, so that new spiritual leaders can be developed for the future of the United Methodist Church and to fulfill the Great Commission, “Go ye therefore, and teach all nations”.

As a means to communicate the reach of the camp ministries, these statistics are offered. During 2011, Camp Istrouma registered 717 campers, of those, 259 were United Methodist. The number of youth who accepted Christ during camp was 102, while 121 youth rededicated themselves to Christ. Scholarship funds of \$4,056 were received to assist campers who needed financial assistance to attend camp. Retreat events (non-summer) drew 3,657 people to the camp.

During 2011, Camp Uskichitto registered 297 campers, of those, 133 were United Methodist. The number of youth who accepted Christ during camp was 36, while 32 youth rededicated themselves to Christ. Scholarship funds of \$2,731 were received to assist campers who needed financial assistance to attend camp. Retreat events drew 790 people to the camp.

During 2011, Camp Caney registered 315 campers. Scholarship funds of \$1,750 were received to assist campers who needed financial assistance to attend camp. Retreat events (non-summer) drew 4,003 people to the camp. 2,443 of those were Methodist. 1,560 were non-Methodist. Unfortunately, the numbers of youth who accepted Christ or were rededicated were not recorded; however, they will be in the future.

The Wesley Center, a hub of activity for United Methodists throughout Louisiana, booked 8,836 guests during 2011. A total number of 251 events were held at the Wesley Center; of those, 148 events were United Methodist groups with 4,532 participants.

The Wesley Center staff focuses on hospitality and becoming more “green” in their daily use of materials or resources. Many of these visitors are not United Methodist, but could be considered non-profit. They come to the Wesley Center for group meetings or retreats, which offers a secluded atmosphere, with spiritual surroundings for meditation and reflection.

Financially, the four retreat centers are operating in the black and are looking for additional means to raise funds for future programs and development. Volunteers are recruited from churches and other non-profit groups and/or businesses to help with maintenance and facility improvements. The NOMADS, a United Methodist ministry group of retired individuals, continue to make a positive impact at Camp Uskichitto and at Camp Istrouma.

Additional information about the four retreat centers and the type of ministry and activity offered at each location can be found on the conference website at www.la-umc.org.

Collaboration among the four sites is guided by the *Seven Foundations of United Methodist Camp and Retreat Ministries*. These include:

1. Provide intentional places apart to encounter God;
2. Extend genuine Christian hospitality and community;
3. Nurture Christian faith and discipleship;
4. Develop Christian spiritual leaders;
5. Teach creation care and appreciation
6. Collaborate with United Methodist churches and agencies; and
7. Inspire and equip all guests to do love and justice.

MULTI-CULTURAL MINISTRIES TASK FORCE

The Multi-Cultural ministries task force was established by the 2010 Louisiana Annual Conference for the purpose of “considering the issues that are related to multi-cultural ministries within the Louisiana Conference.” These ministries include African-American, Hispanic/Latino, Korean, Chinese, and Native American congregations and ministries. It also includes the work of the few congregations in the conference that could be considered multi-cultural in their makeup.

At the 2011 Annual Conference we asked for more time to do our work. It was our desire to get a sense from the ethnic minority communities about their need and to see how the Multi-Cultural ministry would function in the interim.

Last Year we identified the following ministry work areas for Multi-Cultural ministry:

Leadership

- Leadership Training – Lay & Clergy
- Identification – Raising Up Leaders with Multi-Cultural/Cross Cultural Hearts
- Development – Teaching Churches/Teaching Pastors

Resources

- Financial – Funding/Grant writing
- Networks – Annual Conference/General Church/Community Partnerships
- Right People/Right Places

Advocacy

- Knowing the Community/Awareness & Sensitivity
- Cross-Communication/Passing on information
- Networking
- Becoming an Institutional Team player in local communities
- Social Justice/Structural Advocacy

Accountability

- Primary Accountability to the Mission - “Making Disciples of Jesus Christ for the Transformation of the World”
- Job Descriptions & Evaluative tools
- Goal & Objectives
- Clear Lines of Communication & Accountability
- Short/Mid/Long Term Planning

We are thankful for important conversations across our Conference about our mission, vitality, and the need to be better stewards of our financial resources. We are also excited about the exciting work that has continued within Multi-Cultural ministries which includes: We were able to send a delegation of Native Americans to the National Gathering of United Methodist Native Americans, sent two people to the African American Stewardship Summit and two people to the African American Preaching Summit, we held our L.E.A.D Event in Baton Rouge which was very well attended we were also able to send representatives to a couple of other national training events this year. In light of the above we recommend that for now we continue to do the work of Multi-Cultural ministries through the office of the Director of Connectional Ministries/Provost with the support and guidance of the Conference Multi-Cultural Ministry Committee.

We recommend that this committee includes the Chair of the Strengthening the Black Church Initiative, the Hispanic/Latino Taskforce, the Native American Ministries Committee, and representatives from our emerging Asian American ministries and this taskforce.

We also recommend that this committee uses the framework of our “work areas” as outline above as they seek to fund new project and continue supporting others.

We encourage the CFA to find ways to increase the funding for multi-cultural ministries as ethnic minority communities continue to dream, vision, and experiment into a more fruitful future.

We recognize and acknowledge the rich and important history that the Multi-Cultural Ministries Director position, formerly Special Ministries Director, has in the life of our conference and of the African American churches and people of our Annual Conference. We call upon our Annual Conference to continue to seek ways for people of all ethnic groups to find representation, leadership, and opportunities to serve the church in key leadership posts.

ACTION ALERT FOR US

According to the Center for Disease Control and Prevention (CDC), “One in five American women has been a victim of sexual assault in her lifetime and one in four has experience domestic violence. The Violence Against Women Act of 1994 (VAWA) was passed by congress in 1994. Since this act was passed in 1994 ***Reporting of domestic violence has increased as much as 51% **All states have passed laws making stalking a crime and have strengthened rape laws. This act is up for reauthorization in 2012. Based on what it has done to make women safer this act needs to be reauthorized in 2012.

An ad hoc domestic violence follow-up committee has been established growing out of the conference in Baton Rouge. This committee consisting of Mrs. Laura Salguero, Rev. Clifton Conrad, Rev. James Graham, Rev. Dave Carlton, Rev. Wayne Evans, and Rev. Pat Bates. These persons are working with the GBCS representatives Linda Bales Todd and Bill Medford along with UMW and UMM leaders as well as district superintendents and pastors to connect all of our churches to this need to relate to domestic shelters in our areas. The conference youth leadership headed by Jodie Harper is sponsoring self-esteem in teens as a prevention strategy through a variety of initiatives.

Total amount of sales to be donated will be \$960.00. A few pins are still available for purchase from Laura Salguero or Dr. Pat Bates. The General Board of Church and Society staff Bill Medford and Laura Downton provided ongoing training for restorative justice advocates. For example, on January 30, 2012 a webinar, "Faith-based Approaches To Offender Reentry" was hosted by the Bureau of Justice Assistance and included the participation of Dr. Pat Bates.

3) Young Adult Clergy GBCS Leadership Forum was held on Capitol Hill in Washington, D.C., on February 8-10, 2012. Healthy Families, Healthy Planet is a project associated with the General Board of Church and Society that is dedicated to building support for international family planning. This project does not promote abortion but helps to prevent abortion and maternal deaths.

James A. Graham, Chair

FOR CONFERENCE ACTIONS

RESOLUTION TO SUPPORT GLOBAL, MATERNAL AND CHILD HEALTH THROUGH THE HEALTHY FAMILIES, HEALTHY PLANET PROJECT.

Whereas, Jesus said, “I am come that they might have life, and have it abundantly” (John 10:10)

Whereas, maternal mortality claims the lives of more than 356,000 women each year, most of whom live in the developing world;¹

Whereas, more than 4 million infants die within the first month of being born;²

Whereas, a woman is much more likely to have a healthy pregnancy and give birth to a healthy baby if she delays pregnancy at least two years after the birth of her previous child;³

Whereas, more than 215 million women worldwide would like to avoid a pregnancy but lack a family planning method, ⁴ resulting in more than 80 million unintended pregnancies each year;⁵

Whereas, the UMC Social Principle ¶ 162 on “The Right to Health Care” states: “We affirm the right of men and women to have access to comprehensive reproductive health/family planning information and services which will serve as a means to prevent unplanned pregnancies, reduce abortion, and prevent the spread of HIV/AIDS.”

Therefore be it Resolved:

-that the Louisiana Annual Conference endorsed the “Healthy Family, Healthy Planet” initiative, a project of the General Board of Church and Society to educate and mobilize United Methodists on maternal health and the importance of international family planning;

-that the Boards of the Louisiana Annual Conference work together for the purpose of creating awareness, education, and advocacy for the well-being of women, infants, and children worldwide;

-that the Louisiana Annual Conference Board of Church and Society, with the help of the General Board of Church and Society, provide leadership and coordination for this effort;

Be it Further Resolved: that we call upon United Methodist leaders, pastors, and laypersons in the Louisiana Conference to contact their members of Congress to urge them to increase funding for international family planning in U.S. foreign assistance in order to reduce maternal and infant mortality.

BOARD OF DISCIPLESHIP

Accomplishment and celebration of work:

Christopher H. Andrews was recognized as the clergy recipient of the Harry Denman Evangelism Award at last year's Annual Conference and received the award during the clergy session. There are no recipients for either the laity or youth Harry Denman Evangelism Award last year.

The board helped underwrite the expense of providing every church in the conference free access to Dr. Marcia McFee's online worship studio. Churches are encouraged to go to <http://marciamcfee.com/studio.htm> to access the numerous and varied seasonal worship resources.

Two workshops, one in Baton Rouge and one in Pineville, were providing in March 2012 expanding and enhancing ministries with boomers and older adults. Dr. Richard H. Gentler, Jr., Director of the Center on Aging & Older Adult Ministries at the General Board of Discipleship led both of these events.

Goals that are a priority for the coming year:

With formation of a new board for the quadrennium and the new funding realities, it is essential that the board and the conference staff it works with meet to determine priorities for the next four years and how best to work together to address the needs of the churches in our conference.

Concerns and challenges facing the board:

The board must strive to better connect with the local church, particularly the smaller (average attendance of less than 100) churches. We must do so in a way that sparks and enables creative new ways on engaging the unique mission fields of the local church rather than put forth programs and initiatives in the one-size-fits-all mold.

Items for action/vote by the Annual Conference: None.

CHRISTIAN EDUCATION

Accomplishments and celebration of work completed

Training events that were held in the Louisiana Annual Conference included teaching at three district leadership training events, a Children's ministry and VBS training event was sponsored by the New Orleans district, and attended by participants from four districts.

I prepared three articles for LaNOW on several different topics, in addition, I am preparing two presentations for the Christian Educators Fellowship. An entire edition of LaNow was prepared and distributed in conjunction with Annual Conference.

At the summer gathering of the United Methodist Association of Scholars in Christian Education I was elected to the planning committee for the bi-annual meeting. In February I attended the first planning meeting and combined that with meeting with GBOD and GBHEM leadership.

As Director of Christian Education I serve on the Advisory Council for the Christian Leadership Center of Centenary College and I assisted with the spring fundraiser event.

Throughout this year I have been working with Asbury UMC Bossier Confirmation class, to learn some of the complications local church leaders have with curriculum.

I taught at License to Preach school, and thoroughly enjoyed that opportunity.

I coordinated a Lenten book reading and blog with several members of the conference reading Mudhouse Sabbath and blogging about it at <http://40days2gether.blogspot.com/> . Invitations were extended to the conference through the district grapevines to everyone. This year a Rabbi from Shreveport joined us on our Lenten journey because the focus of the book is on the author's previous Jewish faith informing her Christian faith.

Two Christian leadership incubators are currently taking place in the Conference, one in the north and one in the south. Approximately 25 leaders in Christian Education are participating. An incubator is a specific peer learning group and this one focuses on fostering leadership in those serving in Christian Education and assisting them in developing leaders within their congregations.

I participated in a mission to Cambodia. This was an educational mission charged with teaching the laity of the Cambodian Methodist Church different spiritual practices. There were 100 members of the greater Cambodian church present, and it was a great gathering. Along with other members of the Louisiana Annual Conference who have participated in missions to Cambodia I collected and edited a series of devotionals for Lent, with the proceeds going to support Cambodia missions. The publication, "Sponge Searching For Water", is available for sale from Lulu publishing.

I served as the educational coordinator for VIM team leader training, using a model of “Faith formation for missions.” Evaluations of training were generally positive. This year’s format included an advanced and basic training.

This year’s Confirmation Day with the Bishop hosted approximately 400 young people and we were fortunate this year to have Missionary Willie Berman from Mexico to teach missions to the participant. Willie will be bringing his son, who is a 6th grader, from Mexico. Other speakers were Bishop Hutchinson, Clifton Conrad, Drew Sutton and Ann Sutton.

Goals for the upcoming year.

- ✦ Host VBS event in January 2013.
- ✦ Participate in district wide leadership training events.

BOARD OF GLOBAL MINISTRIES

The Board of Global Ministries in the last year has been:

1. Working to identify the initiative that we want to support financially in Africa, and since we are unable to identify the initiative to develop, an agreement was reached with Rev. Larry Norman to put the money approved for 2011 on the Volunteer in Mission Account in order to keep it and bring out some consultation with people from the Conference and other levels of the Methodist Church involved in the missionary work in Africa.
2. Another important task was to identify lay leaders and pastors for the election of the new Board where voting will be held at the Annual Conference. The list of nominations was delivered to Rev. Larry Miller and Patti Perkins.
3. We’ve discussed developing a pamphlet to announce the Advanced Projects of the Louisiana Conference. We have been identifying which of these projects are active and which are not.
4. The work of the Board in these last four years has been evaluating and has reached to answer some of the questions in this process, but other important ones are still at the table. We hope and pray to God that the New Board may use this evaluation process to develop a better functioning of the Board within the Conference and especially in the mission.

Please see the various reports from ministries of the Board.

CAMBODIA INITIATIVE

“A sponge searching for water!” Country Director, Romeo del Rosario describes the new Christians that fill the Methodist Churches of Cambodia as thirsty for the living water that comes from knowing Jesus Christ. The Louisiana Annual Conference has been privileged to join in this work as the country of Cambodia and the Methodist church emerge from years of political unrest and poverty.

Two Louisiana VIM teams traveled to Cambodia during the month of October in 2011. The first team traveled to the Samreth community in the Kampong Thom Province to celebrate the dedication of a new sanctuary and parsonage financed by the congregation of First UMC, Baton Rouge. The team, led by Judy Foust and Cooky Coffy, helped complete arrangements for the dedication, led VBS for village children and began construction on a dormitory which will house high school students who travel to attend the regional high school in the village.

The second team, led by Ann Sutton, traveled to Samreth to join in the festivities and continued on to Sihanoukville to lead the first retreat for laypersons. Working with a team of clergy Cambodian, the Louisiana VIM led participants in five days of teachings, discussions and practices of basic spiritual disciplines to use in their own lives and take back to share in their local churches.

Plans continue for 2012/2013.

Cambodian Youth Rally – June 13-26, 2012

Team Leader: Diane Reich, diane845@gmail.com

Over 100 youth from 77 Cambodia churches will gather with LAVIM team members for the Cambodian Youth Leadership Rally in the Phnom Pehn area. The theme of the Youth Rally is “To Know Christ and Make Him Known.” Youth and adults from Louisiana and Cambodia will join with vibrant youth to lead small groups, teach Bible studies, preach and join in worship, music, games, and fellowship.

Cambodian Consultation – Sept 20-22, 2012.

Cambodian leadership from Asia and the US will gather at First UMC Carrollton, Texas. The three-day gathering will celebrate the friendships and work accomplished in our shared ministry in Cambodia. Mission staff and Cambodian leadership will lay out plans for the future and how United Methodist can support that work by praying, giving and going.

Itineration of Esther Gitobu, GBGM missionary to Cambodia

June 20 – July 29, 2012.

Esther and her family will be visiting churches throughout the Louisiana Annual Conference during this summer itineration. Esther comes to tell the story of God’s work in Cambodia, to invite us to participate in that work, and to raise support for Cambodian projects and her salary.

Methodist Men in Cambodia Retreat - Oct 18 - Nov 1, 2012

Team Leader: Ken Musick, Kenneth.Musick@ge.com

For the second time the Methodist Men of Cambodia will gather for a retreat but in a new location in Siem Reap. Members of the LA VIM team will provide leadership and funding to bring together this group of men. The content of the retreat will focus on strengthening men as Christian leaders in the churches, community and families. The team will include women from Louisiana who will work with medical and children ministries in the area. All team members will participate in a construction project.

2013

Medical Mission to Svay Ring Province. Spring 2012

Team Leader: Beverly Dinnel, dinnels@bellsouth.net

LA VIM will return to this region on the Vietnam border to build relationships and provide medical care in three local Methodist Churches. The first visit to the region brought out an overwhelming number of people who were treated and who in turn saw their local church as a source of prayer and healing. Medical personnel, pharmacists, and prayers are needed on this team.

Samreth, February 12 -26, 2013**Team Leaders: Judy Foust, Cookie Coffy** jpfoust@ccr.brcoxmail.com

This team will return to the village of Samreth to continue their construction work and hold a massive Vacation Bible School. The team has made deep connections with the local church that offers care and a living witness to the whole Kampong Thom District.

Long-range plans include the commitment to complete the Mission Center Multipurpose Building planned by Joseph Chan at Siem Reap. A commitment of \$45,000 has been made to the construction of the building, which will serve the growing population of this center of education and tourism.

All of the teams are open for members and friends of the Louisiana Annual Conference to participate with their prayers, presence and gifts.

The maximum repayment term is 10 years for new churches and institutions, 8 years for churches that report attendance of 30 or fewer at the principal weekly worship service, and 5 years for all other borrowers. The loans are interest-free the first year, 2% interest is charged on the unpaid balances at the beginning of the second year and third year, and 4% is charged on the unpaid balances at the beginning of the fourth and remaining years of the loan.

At the end of 2011, there were 7 loans outstanding with balances totaling \$21,799.01. Loan applications and additional information are available from the Finance Officer of the Conference Board of Global Ministries at Louisiana Memorial United Methodist Church, 515 E. RUSSIAN INITIATIVE

A Louisiana delegation left the warm weather of the south on June 9th and traveled across the world to Ekaterinburg, Russia. Upon arriving, we received a “warm welcome” from our dear friends at First UMC Ekaterinburg with surprisingly brisk air and chilly temperatures. What a welcome relief! Something refreshing was in the air. A renewal was on the horizon.

Our group ministered, served, worshiped and worked throughout the 12 day journey. The light and life of Christ radiated on the face of each person and warmed the hearts of those we encountered. Rev. Josh Milliron and the worship team from Moss Bluff United Methodist Church led four evening services of spiritual renewal. The power of the

message humbled many and brought several new commitments to Christ. Though our words and expressions were different, in that moment, we all spoke the same language. Nightly worship spurred transformation and demonstrated the miraculous movement of Christ among this new blended body of believers. A renewal was taking place.

Allison Milliron, Kay Hathaway, Leah Hathaway and Jacqueline Swain taught art classes to children for four mornings. Art projects included Biblical themes and taught familiar stories of faith. James Gillespie, Larry Cobb, Doyle Coffelt, Scott Alford, Patrick Hodgins, Chris Owens, and Ed Jackson repaired the roof of the church and landscaped the grounds. In the midst of much unrest and uncertainty in Russia, the cross, prominently mounted on the front of First UMC, symbolized the hope and love that was growing. Members shared stories of their new desire to share their faith with co-workers and friends without shame or fear.

As you recall, the church building was dedicated in 2001. Leading up to that time, there were controversies over the building of the church, the contractor and his building methods, and payments that were made with little or no supervision of job performance. In spite of these challenges, and many other barriers, the church has become a cornerstone of the community. It stands as the foundation for a strong and hopeful future. In the last five years, church delegations from Louisiana have continually refinished floors, painted and resealed windows, repaired cracks in the walls, landscaped the grounds, and temporarily repaired the roof on the most recent visit in June, 2011.

The ministries, programs and groups that meet at FUMC point to the significance of this church and its vitality in the community. The strength of this church furthers the growth of Methodism in Russia and spreads the love of Christ to many. Immeasurable time, money, and energy have been poured in the church for the last 20 years. The calling is clear, and the mission should be completed. Countless people have been touched by this church and many more have yet to hear the good news of the gospel.

LA CONFERENCE OF THE UNITED METHODIST DISASTER PREPAREDNESS AND RESPONSE

Our ministry began in the wake of four hurricanes (two from 2005 and two from 2008), two tornados, an oil crisis, and two floods. In the last twelve months your recovery ministry has been focusing on both the long-term response and relief work for areas of our state that were affected by hurricanes Gustav, Ike, Rita and Katrina.

I would like to recap each Response and their status below:

- 1) **New Orleans District Responses-** On April 1, 2011 the LADRM reached an agreement with Epworth Ministries (Southeast Station) to give them more autonomy to continue to serve the Greater Metro area of New Orleans. As the Conference program continues to downsize, it was our responsibility to continue to fund client assistance. In this period of time Epworth Ministries in cooperation with the Conference Program we completed all the cases that we had on file, which is as

follows: In 2011 we closed 112; totally rebuilt 22 homes. Through the Epworth Ministries we have been able to continue to be active in 3 Long Term Recovery Organizations. We have been blessed that the Retired Minister's Homes Board, Inc. allowed us to use a home that we have used to house volunteer teams from Christian Public Service Organization.

- 2) In the area of **Disaster Preparedness** for our Annual Conference, this conference year I have led three training events across the conference and over the past three years I have lead training events in all seven districts. Every Conference Year we hold three training events, one in the northern portion of the Conference; one in the southern portion, and one at the Wesley Conference Center. To date we have trained 280 churches within the Conference. You find our Annual Conference Disaster Manual at our website www.la-umc.org. Also, on the Conference website www.la-umc.org you will find our Conference Disaster Plan.
- 3) **Oil Crisis Response**-We hired a Part Time Youth Director to work with the youth in Plaquemine Parish. The following are the activities that Ms. Tabitha Mills and Ms. Michele Newburn have led over the period from January thru December 2011:
 - a. Our main goal for the youth group was to offer a safe place where young people could retreat from the daily troubles that they were experiencing at home. We wanted them to have a chance to participate in wholesome activities where they could socialize without the worries of the oil crisis that happened in April of 2010. Here is a list of our events that we have participated in to date: Acquire the Fair (Youth Retreat); Group Community Services; Individual Community (five members earned 20 hours of community service individually), Community Christmas Party and weekly youth meetings.
 - b. It hasn't been a weekly program, but we do have a consistent group of youth who participate.

We met with our pastors in the affected area on February and September to ask them to submit a grant request for their communities and churches for the next conference year, which would include the summer of 2012. As of to date we have not received a grant request that meets the goals of our donors, which is Methodist Health Foundation and UMCOR.

- 4) **Rayne Tornado Response:** We were asked to handle the Operation of Construction and Cases Management for the responses for the Rayne Community Coalition, an organization comprised of many agencies in the Acadiana region. United Way of Acadiana was the lead agency. We used Centenary United Methodist Church in Rayne, Louisiana to house the Operation and Case Management Offices for a period of 1 year. Within the year we were able to assess and document 48 cases and served all 48 cases.
- 5) **We have hosted 107,169 Volunteers totaling 5,717,750 Volunteers hours which compute to an in-kind donation to the State of Louisiana of more than \$105,222,382 million dollars.** We helped more than 112,672 households in our state. These numbers include both relief and recovery work.

A Financial and Volunteer Update from the Disasters of 2005 through 2012: (September 1, 2005 thru June 30, 2012)

It has been over seven years since the hurricanes of 2005 hit the Louisiana coast. Those events have changed our focus of attention in Louisiana generally and in the Louisiana Conference specifically. As you well know, the ministry that has evolved following those storms has greatly affected our work as an Annual Conference. We continue to be grateful to the United Methodist connection for all of the help that has come and continues to come our way. The United Methodist Committee on Relief, Annual Conferences, local congregations and thousands of individuals have offered their money, time and talent to the recovery cause. There are not words to convey our gratitude for this outpouring of the Holy Spirit through the actions of God’s children.

This brief article is a way to report on our current status in the area of Humanitarian response and relief to the victims of the disasters over the last seven years. The Church Recovery efforts are a separate issue that has been reported in the past. The relief and recovery identified here tell the story in numbers only. These numbers are only a small snapshot of the “real Response” that comes through the stories of lives changed and restored and of the volunteers who have received their own life-changing experiences our efforts have provided not only physical but also spiritual renewal to individuals and communities who have been recipients of the love of Christ in action.

***Any funds that are left will be deposited into the La UMC Foundation for the future Disaster Ministries.**

I wish to express to Bishop Hutchinson; Dr. Donald C. Cottrill, Provost, Board of Directors and Members of the Conference and the excellent staff of LADRM that it has been my rich blessing to serve in the Conference Office and in the role as the Executive Director of the Disaster Ministry. I have experienced blessings across the connection of our great church which have benefitted and will benefit my life greatly in the future.

In the words of President Ronald Reagan, "We've done our part". And as I walk off into the city streets, a final word to the men and women of the LA Disaster Recovery revolution, the men and women across world who for six years did the work that brought Louisiana back. My friends: We did it. We weren't just marking time. We made a difference. We made the cities stronger. We made the city brighter, and we left her in good hands. All in all, not bad, not bad at all!

Darryl A. Tate, Director

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

First of all, we thank all the churches for their support. The money you put into our campus ministries, Centenary and Dillard University are important to the future of our conference. These ministries and universities are shaping many of our leaders for tomorrow.

We have had three changes in our staffing at our campus ministries. One has been filled and the other two are in the process of being filled. As usual our fall review with all of the campus ministers was exciting and inspiring as they shared the activities going on at each of their sites. We heard of their struggles to attract new students and the innovative ideas to do so. They shared of their ministry's structure and how they develop leaders and of the mission work that they get their students involved in. There were over a hundred students that went on foreign trips to such places as Mexico, Cambodia, Nicaragua, Africa, Guatemala, and the Bahamas. There were hundreds of students that were involved in mission work in this country. We continue to have a number of students making the decision to enter seminary.

This March, the campus ministries will have had a state wide retreat at Camp Istrouma. We look forward to all our campus ministries coming together in worship. The retreat in April of 2010 was well received and the decision was made by the campus ministers to try and have one every two years.

The Board encourages you to become involved in the campus ministry nearest you by praying for its success, becoming a local board member, or giving financial support. Our grants range from \$11,000 at a part time ministry to \$103,000 at our largest campus ministry unit. All of our campus ministries must raise double or triple the amount granted to operate. Your financial support is vital to these ministries to continue to raise up spiritual leaders and equip young adults to answer God's call to ministry as clergy or laity.

We encourage you to invite a campus minister or team of students to come to your church to lead worship or present a program on what is happening at their campus ministry. You will be blessed.

James Hinckley, Chair

BOARD OF LAITY

"Here am I, send me" is the rallying cry for your Conference Board of Laity (CBOL) in concert with other conference leaders responding to the Call to Action's challenge to build vital congregations though inspired, equipped, and sent forth laity. We built a strong foundation for this task that moves with our new leaders into the next quadrennial. Dr. Barbara Ferguson has joined the Board as the new United Methodist Woman's conference president. She replaces Edna Hickman. Ms. Kristine Wilson, our young adult representative, resigned because of a very demanding school schedule. We are grateful to both of them for their service. In the midst of these transformations,

We celebrate:

1. **The Life of Mr. Tim Hebert.** Amid a very difficult year with the loss of several board family members, Mr. Tim Hebert, our talented Conference Web Master and chair of Lay Speaking Ministries, died suddenly and unexpectedly in February. Under Tim's fine leadership all of the districts this past year held Lay Speaker training with courses in two other languages offered in New Orleans. Tim was passionate about the ministry of the laity and we are still grieving his loss.
2. **New Leadership.** As of this writing, the CBOL Nominations Committee has met and almost completed the list of nominees for the next CBOL with some at-large positions still to be filled. Because of bylaw changes, very few of our members will remain on the Board. It has been a pleasure to work with such talented, spirit-filled individuals who give sacrificially of time and resources with very little recognition. We also had a very fine series of youth representatives, including the brother/sister Blackman team: Andrew and Madeline. The new slate of officers will be presented and voted upon at Annual Conference. The Board of Laity Nominating Committee offers the following nominees for offices of the Board for the next quadrennium:

Conference Lay Leader: Mrs. Carolyn Dove
 Associate Conference Lay Leader: Mr. Terrel Deville
 Secretary: Mr. Pete Aguila
 Treasurer: Mr. Henry Stamper
 Daughenbaugh-Matheny Scholarship Chair: Ms. Valla Johnson

Bob Lay Memorial 1000 Club Chair: Mrs. Eloise Cox

Young Adult Representative: Mr. Phillip Bates

Members-At-Large: Ms. Donna Whittington and Mr. Walter Weiss

3. **The Delegation to General and Jurisdictional Conferences.** Congratulations to the seven of our CBOL members who were elected to the Louisiana General and Jurisdictional Conferences that meet in April and July. They are Dr. Sarah Kreutziger, Mr. Buzzy Anding, Mr. Pete Aguila, Mrs. Carolyn Dove, Mrs. Edna Hickman, Mr. Tim Hebert (deceased), and Dr. Anita Crump.
4. **The Achievement of CBOL Goals.** (a) Our team increased laity communication via email, mail-outs, newspaper articles and web services with the help of the Conference and Districts; (b) held many successful and well-attended district training events and fundraisers throughout the state; (c) strengthened bylaws, created new ones, and wrote job descriptions for CBOL positions; and (d) prepared avenues for new leadership via discernment processes in nominations and shared vision with growing ethnic communities. (We are thrilled that we have our first Hispanic delegate to General Conference, Mr. Pete Aquila.) Additionally, we (e) consecrated six Certified Lay Ministers (CLMs); (f) set high expectations for ourselves in promoting our church's outreach with training conducted at every CBOL meeting; (g) fostered the UMM, UMW, and COSROW coming together in shared mission against domestic violence; (h) raised and contributed thousands of dollars for new church starts through the 1000 Club, chaired by Mr. Walter Weiss; and (i) watched as the Daughenbaugh-Matheny Scholarship Fund awarded \$1500 to each of our 24 recipients last year and created a successful DVD as chairperson, Mrs. Carolyn Dove, set a goal of \$100,000 for an endowment.
5. **Shared Partnership.** Bishop Bill Hutchinson was warmly welcomed to our Laity Session last year as an educator, cheerleader, and spiritual leader. He introduced us to the work of Dr. Gil Rendle and the emerging transformation of our church into a movement. This year, the Bishop, Cabinet, and CBOL are co-hosting, **"Claiming our Call as Laity" at the Bishop's Laity Retreat with the Bishop and Dr. Rendle** as leaders, March 16th and 17th at the Wesley Center. We are extremely grateful to Mr. Rob Fairly and the Louisiana Methodist Foundation for underwriting much of the costs for the event. The Cabinet as well as our young people share integral parts of the Retreat. **Bishop Hutchinson** will be our speaker for the **Laity Breakfast, Tuesday, June 5th at Centenary**. Mrs. Joyce Robinson hosts the meal with proceeds going to the Daughenbaugh-Matheny Scholarship Fund.
6. **Risk Taking.** Our District Lay Leaders were intractable in quests to challenge established structure and norms. DLL's Grant Schroeck, Gary Green, and Ron Sarver, Keith Kreutziger, and Rickie Watson worked tirelessly to refine training and outreach and open communication channels in concert with ministry teams. DLL's Eloise Cox, Lueburda Myers, and Ethel Houghton worked on new program ideas as they visited churches, spoke at conferences, and sought new leadership.
7. **Bridging the Gap.** Around 125-150 churches took part in a survey conducted by the CBOL. Your answers across districts were uniform with small variations centered in geography and denominational diversity. Critical challenges most often listed were: old congregations, poor location, aging facilities with poor handicap accessibility, declining finances, dearth of passionate leadership, little enthusiasm for evangelism, lack of meaningful purpose in outreach, little understanding of Methodist

connection, flat mission outreach, and neglect of diversity issues. Your suggested actions call for more geographically friendly training; district-led response teams for struggling congregations, greater sharing of resources (educational and otherwise) among churches, and spiritually-led integrated mission outreach coupled with evangelistic fervor. You told us that you understand the urgency of our Denominational challenges and want to help in the transition to a vibrant future by utilizing competent leadership and training. Over and over, you urged us to pray.

8. **Increased Resources.** We are grateful to our treasurer, Mrs. Glennell Cottrill for her advocacy and to the Conference Finance Committee for raising our budget in 2113 to do even more for the Kingdom.

Our Goals and Priorities for Next Year are:

1. To offer training to our new CBOL team so they may better continue the positive work of the outgoing board.
2. To study and create pathways for mutual leaning and activity between the CBOL and the local churches building on the results of our survey.
3. To explore funding for additional DVDs to publicize our fundraising efforts.
4. To increase our D-M Scholarship endowment.
5. To offer a CBOL co-sponsored conference-wide training event on a regular basis.
6. To welcome our new Episcopal Leader as we say thank you to Bishop and Mrs. Kay Hutchinson for their outstanding service to Louisiana.
7. To celebrate as we continue the work of a truly remarkable team of lay leaders who have served our Conference with such energy, talent, and passion this last quadrennium.
8. To lift up our mission as the guiding principle of everything we do.

Some Concerns that we have as a Board Are:

1. Staying faithful to the challenge before us despite the demands on time and resources.
2. Finding passionate leaders who see and articulate the shared vision.
3. Reaching our young people and other underrepresented groups for authentic partnership in ministry.
4. Embracing the necessary changes for transformation.

It has been a great privilege to serve as your Associate and Conference Lay Leaders these last four years. We are grateful to Mrs. Marverne Terrell who never wavered in her commitment to the Board despite the loss of her daughter; to Bishop Hutchinson, Dr. Don Cottrill, and Dr. Don Avery for their spiritual and practical guidance; to our District Lay Leaders and the District Superintendents who were the “drivers” of our work; to Ms. Rhonda Whitley for all her help; to our former Conference Lay Leaders for their wisdom; and to our other board members for their inspiration, ideas, and hard work. “To God be the Glory for the great things He has done.”

Sarah S. Kreutziger, Conference Lay Leader
Joyce W. Robinson, Associate Conference Lay Leader

CONFERENCE COUNCIL OF YOUTH MINISTRIES

The Louisiana Conference youth had a very fun, spiritually uplifting, and busy year. We focused on 3D faith: Discipline, Discipleship, and Devotion and Romans 1:16-17 “For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes first to the Jew, then to the Gentile. For in the gospel the righteousness of God is revealed - a righteousness that is by faith from first to last, just as it is written; “The righteous will live by faith.”

The youth started off the year with DCYM Training or what is now known as United Methodist Youth Leadership Training. The event was held at Centenary to allow for an easy transition into Annual Conference for youth attending. Youth were able to attend different workshops to help improve leadership skills and learn more about the Methodist faith. Workshops for youth workers were added this year and allowed time for them to get fresh ideas for their district and youth group.

Youth Ignite! was held in two different locations this year. Our North event was at Splash Kingdom with Rev. Chris McLain speaking. The South event was at Camp Istrouma with Rev. Katie McKay Simpson speaking. Splitting the event into two weekends allowed more people to attend since it is only a day event. The two events combined showed a 65% increase in attendance from last year.

Jr. High Retreat was tons of fun for all who attended and proved to be a wonderful growing time for all involved. With a 76% increase from last year we were able to again hold two weekends. The first weekend hosted Rev. Joe Robideaux and Rev. Ashley McGuire the second weekend. LSU Wesley Band helped lead worship both weekends.

Sr. High Retreat was a great success. Rev. Dr. Juliet Spencer was the speaker for the first retreat and Rev. Chris McLain lead us in the second retreat. Chasing Canaan was wonderful for helping make the weekends special. We are happy to say that we had a 58% increase in participants compared to the previous year.

The CCYM Winter Meeting was held at Zachary UMC in mid-January. We had a weekend meeting to help select a theme for the upcoming year, go over evaluations, and start working on our next year. This is also a wonderful reunion time for the CCYM.

Jodie Harper, Lonnie Stewart, Madeline Blackwood, Ashley Segal, and Katelyn Delia were able to travel to Oklahoma City for the Jurisdictional Youth Team meeting in January. This meeting allowed us to plan the Jurisdictional event Ignite! that will be held at Oklahoma City University in July. The conference youth plan on attending this event. Ashley Segal was elected as Chairperson for JYT, Madeline Blackwood and Ashley Segal were elected to be delegates at Jurisdictional Conferences this summer. Katy Delia is also serving as the registration chair for the upcoming Jurisdictional youth event. Lonnie Stewart was elected to be the Male Co-Coordinator for Jurisdictional Youth. The meeting was very productive and well represented by the Louisiana youth.

Conformation Day with the Bishop was held in March. Many confirmands attended and prepared for the commitment they will be making soon to the church and God.

YSF (Youth Service Fund) raised over \$7000.00 this year. This money was able to be distributed all over to help youth for youth purposes. The seven approved YSF grants were the Baton Rouge DCYM One Great Day of Service, Camp Istrouma Disc Golf Ministries, Youth Empowerment in Ghana, Reaching out in Faith to those in Need in Ghana, and Youth Skills Training and Empowerment in Ghana.

This year has been full of fun for all involved but something we are most excited about is the new relationships with God that were created through this time. Starting at Annual Conference we had 6 youth called to be ordained to full time ministry. Over the course of the retreats we had a total of 21 first time commitments, 36 re-commitments, and 20 more called to ministry. We are very excited about this and helping these youth continue into a life full of Christ.

We would like to offer a special thanks to everyone who helps make our events possible, especially the District Coordinators. These people work non-stop to provide support to all of the youth and play a large part getting things done. They give up lots of time to drive all over the state and support the youth. We would also like to thank Jodie Harper, our Conference Coordinator and all of the amazing work she does for the conference. She is always willing to help the youth through all stages of life and has become “Mama Jodie” to many of us.

The CCYM are continuing to work hard and are ready for the amazing new challenges and events God has in store for next year.

Madeline Blackwood, President

DAUGHENBAUGH-METHANEY SCHOLARSHIP FUND

The Daughenbaugh-Matheny Scholarship Fund is concluding the 2008-2012 Quadriennium with accomplishing all but one of our goals thus far. The ultimate goal is to raise \$100,000 for an endowment.

The continued support of Lynette Viskozki of the Financial Aid Office at Centenary College and Monique King, Financial Aid Counselor at Dillard University has been exceptional. The Daughenbaugh-Methaney Scholarship benefits Louisiana United Methodist students at both Centenary College and Dillard University, our two United Methodist institutions of higher education.

We gave twenty-two full scholarships for the 2011-2012 school year of \$1500 each and two fall semester scholarships for \$750 each. Centenary College had nineteen recipients with the following breakdown: eight were first year recipients, three were second year recipients, one was a third year recipients and three were fourth year recipients. Dillard University had five recipients with the following breakdown: two were first year recipients, one was a second year recipient, one was a third year recipient, and one was a fourth year recipient.

Our goals for 2012-2013 are to:

1. Continue to publicize the Daughenbaugh-Methaney Scholarship in each district.
2. Increase the number of applications and recipients as funding is available.

3. Raise \$100,000.00 for an endowment.

One of our previous goals was obtained when Dillard University listed this scholarship on their web page. We are still attempting to secure a \$100,000.00 endowment with the Louisiana United Methodist Foundation. We only need \$65,000.00 more to achieve our goal. Once we have the endowment in place we can use the interest to help fund our scholarships. We invite all United Methodist to help us support higher education for our children.

We continue to encourage every Louisiana United Methodist student attending either Centenary or Dillard to apply for the Daughenbaugh-Methaney Scholarship. The scholarship can be renewed annually while attending one of these institutions by maintaining a 2.5 GPA and participating in the local church.

With the Lord's help we will continue to support Louisiana United Methodist students who seek to receive their higher education while attending Centenary College or Dillard University.

BOB LAY 1000 CLUB REPORT

At the district level since the Annual Conference of 2010, two of the districts added or changed the District Chair (s). There was a meeting scheduled for October 2, 2010 at Woodworth Conference Center that had to be canceled.

I have heard from several districts concerning the amounts due for their respective districts and have replied to all. The monies, within the last few years had to be cut in half and that's the reason for each church having a two year call. That was explained to the members as well as the pastors of each of the new church starts.

There was a meeting of the Laity of the Baton Rouge District held on October 22, 2010, which was different from the previous years. Ordinarily, the Laity Banquet for the Baton Rouge district has been for the Daughenbaugh-Matheney Scholarship only and put on by Laity. This year's Banquet was put on by the District and the monies were to be divided between scholarship and Bob Lay. I don't have a report at this time of the amounts.

The Monroe District two years ago started giving certificates to donors (a different certificate for different amounts given). I have passed that information on to other districts, but so far have not heard from any of them as I did sign the ones from the Monroe District along with the District Chair.

An effort has been made by the Chair of the 1000 Club to pass on information for fund raising from different districts to insure that all districts may have a guide to help improve giving for other districts.

With the economy as it has been, funds are coming in slow, but some districts are meeting their goals. We hope to have improvements in our giving in the near future.

As of March 4, 2012, some of the monies initially for the Grambling Fund (which was not used) have been set aside for New Song UMC. They have a contract which was signed by the pastor, and representative of New Song along with the Director of the 1000 Club and BOL treasurer to be paid within five years with interest. This was approved by all concerned. Rev. Steve Stephens was instrumental in this as well as the Board of Church Extensions.

Rev. Stephens has offered information and brochures for the last several years and we appreciate his help and give his thanks for his effort.

UNITED METHODIST WOMEN
VISION and GOALS for 2012

United Methodist Women is the largest and oldest organization of lay women dedicated to mission in the world. The foundation of this heritage lies in the grassroots efforts of caring, dedicated women at the local level, who embrace the challenges of helping the poor, alleviating social injustices and caring for others. The LA Conference United Methodist Women organization recognizes and applauds each local unit, wherein lies our strength. It is to this purpose, to enrich and support local units, that we have developed and dedicated our 2012 Goals.

2012 VISION:

COMMISSION ON ARCHIVES AND HISTORY

We, the members of the Commission on Archives and History pause to remember our Chairperson Mr. Tim Hebert. Tim passed away in early 2012 leaving a void in our hearts. His professional dedication and personable commitment to the history of Louisiana Methodism has set a benchmark that shall remain our goal.

To be sure the Commission will complete the work laid out before us of preserving all relevant material and artifacts. Per the Book of Discipline our mission statement is “to collect, preserve and make accessible the historically significant records of the annual conference”. Underlying that directive is our commitment to enlighten all members of this Conference of its rich Methodist history and fulfillment of Christ’s directive to make disciples. To that end the 2012-13 year will be one of seeking new ways to remind each of us of our core Wesleyan beliefs. We ask for your prayers as we celebrate our heritage, preserve our artifacts and allow for future generation to add new pages to the story of Methodism.

COMMISSION ON CHRISTIAN UNITY AND INTER-RELIGIOUS CONCERNS **ACCOMPLISHMENTS:**

- Concerning our goal of establishing 2 ecumenical awards for “Leadership in Cooperative Ministry”:
 - We have given the awards for a second year. The response for 2011 was better than the response for 2010 (more nominations were submitted).
 - The congregational award went to the Caring Hands Ministry of Jennings UMC, and the individual award went to Rev. Sharon Zehner.
 - The award winners and all nominations were highlighted in an article in the LA-Now, November 25, 2011 edition.
- We brought the “Bread or Stones” resolution from the Louisiana Interchurch Conference to our 2011 Annual Conference where it passed unanimously. A working committee was established with representatives from the denominations that approved the resolution. We have participated in all meetings, including a meeting in which several state legislators were present, as well as the head of the Louisiana Department of Health and Hospitals. We will continue to be a part of this effort to improve conditions for children in Louisiana.
- We participated in the Louisiana Interchurch Conference Annual Assembly.
- We participated in the National Workshop on Christian Unity. The representative from our Conference was Rev. Erica Jenkins.

GOALS FOR THE UPCOMING YEAR:

1. To encourage ecumenical and interfaith activities by publicizing the 2 awards for “Leadership in Cooperative Ministry”, and publicizing the ministries of the winners and nominees.
2. To work faithfully and effectively with other denominations in the Bread or Stones project, toward the long-term goal of improving conditions for Louisiana children.
3. To actively represent our conference in ecumenical meetings.

PURPOSE OF THE CCUIC:

- **PROMOTING COOPERATION:** Promoting ecumenical and interfaith cooperation among the diverse faith communities in Louisiana.

- **INFORMING AND EDUCATING:** Informing and educating members of the Louisiana Annual Conference about mutual agreements and cooperative work being done among the diverse faith communities in Louisiana.

- **REPRESENTING AND PARTICIPATING:** Representing the Louisiana Annual Conference in ecumenical and interfaith gatherings, and participating in ongoing work.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race in 2011 rekindled the vision of the Louisiana CORR. We reviewed our history of CORR and aligned our vision with the General Conference Commission on Religion and Race.

We selected structure which best fit the Louisiana Conference and allows us to be effective for years to come. This year we plan to work with the Louisiana Conference so that as boards and agencies seek to develop programs and policies of racial inclusiveness.

We align with GCORR to take part in the pledge to Drop the I-Word. We accepted the invitation because it goes hand-in-hand with forwarding GCORR's mission to move the United Methodist Church from Racism to Relationships. This is a campaign to eliminate inflammatory words that lead to acts of hate and injustice against immigrant people. GCORR hopes to diminish the level of hate-filled rhetoric that has become synonymous with the immigration debate. It is an act of inviting deeper relationships with those who can feel devalued and unworthy of entering our worship services on Sunday morning because of the words in our media and our churches. We hosted the W.T. Handy Dinner at the Louisiana Annual Conference.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Accomplishments and Celebrations

COSROW celebrates that we continue to provide ongoing leadership in the area of inclusiveness of all groups within the life of the church.

COSORW's annual luncheon was held on Tuesday, June 7, 2011 with 120 in attendance. The speaker for the luncheon was our conference lay leader, Dr. Sarah Kreutziger, who shared with us a little bit of the history of Methodist women in mission through the years.

During the luncheon we recognized women who completed various milestones in the representative ministry process. We had a lot to celebrate, as we recognized 2 women who were ordained elder, 2 who were ordained deacon, 3 women who were being commissioned (2 elder and 2 deacon), 2 who completed the course of study and 3 who received professional certification in various areas. It was truly a joy to celebrate with so many.

During the luncheon we also awarded the Sojourner Truth Award. This year's recipient was Mrs. Caro Tolliver of Reveille UMC in Monroe. Mrs. Tolliver devotes countless time and effort to helping those in the community who are marginalized and at risk. We celebrate the work she is doing.

At the 2011 Annual conference, instead of monitoring the conference proceedings, we focused on monitoring the delegate elections. We felt that there were some good indicators. A female was the first clergy person elected in the General conference delegation. Also, there were 2 persons of color and 2 women (one of those a person of color) chosen. Of the laity, the first person elected was also a female, and overall there were 3 females, 1 Hispanic, and one young adult elected. In the jurisdictional lay delegation there were 2 women, 1 person of color, and no young adults elected. However, both alternates were African American, one male and one female. The major concern we noted was that most of the delegates elected, on both the clergy and lay side to both Jurisdictional and General conference, were persons who had gone multiple times. There were only 2-3 persons between both delegations who were first time delegates. COSROW encourages this to be considered by both lay and clergy in the next election year.

We celebrate that we were able to give \$100 to the SCJ Clergywomen's Consultation which was hosted by Louisiana this year. We celebrate the conference-wide "Boundaries" training in 2011, which was conducted by Garlinda Burton of the General CSRW. We also celebrate that Louisiana's COSROW chair was one of two persons from the south central jurisdiction selected by GSRW to monitor at Jurisdictional Conference.

Goals that are a priority

We are still working on a joint lay/clergy women's retreat and hope to have plans firmed.

In keeping with the theme of developing spiritual leaders, we anticipate giving money to support the UMW school of Christian mission as well as the clergywomen's retreat.

We are hoping to involve the whole conference in monitoring by having pens and a simplified monitoring form available during conference registration. This both raises awareness and gets people involved in COSROW's work.

We will encourage Louisiana clergywomen to attend the India Ashram trip in 2013, which will be a joint venture with the clergywomen of India.

We look forward to finding concrete ways to support women's spiritual leadership with limited funds.

We anticipate beginning to monitor the composition of conference boards, agencies, committees, etc., as well as the jurisdictional pool.

Concerns and Challenges

One ongoing challenge is to find creative ways to finance the work and ministry of COSROW.

Should the restructuring proposed at General Conference pass, we anticipate this will impact the existence or structuring of the commission on all levels.

Items for Action

There are no items for action at this time.

COMMITTEE ON COMMUNICATIONS

The Conference Communications department continues to work diligently to share the message of mission and ministry through the Louisiana Annual Conference within the state and throughout the denomination.

We continue to have a significant presence in statewide media through events like the 2011 *Day of Caring* (held last May) and the conference-wide 2012 *Louisiana Skeeter Run*, eight 5K and 1 mile walk/runs held throughout the state on April 21. Proceeds from the Louisiana Skeeter Run benefitted Imagine No Malaria, the denomination's initiative to eradicate malaria worldwide.

Working with Conference Task Force on Poverty in the promotion of *A Day of Caring*, the Communications Director organized, designed and implemented a statewide media initiative which included a television and billboard campaigns. Additional publicity included a series of feature articles on local churches engaging in ministry to the poor; the use of social media; creation of a digital press packet for local churches to use in publicizing their efforts in May; media coverage of the statewide event; and appearance on morning talk shows in every major market in the state.

Communications strategy for the *Louisiana Skeeter Run* followed the same format as for *A Day of Caring* expanding on those efforts with help from our friends at United Methodist Communications. In addition to the use of social media, in-conference promotion through our newspaper and website, and an extensive publicity campaign, we received from UMComm:

- A professionally designed microsite where race participants can register
- Graphic art support for event flyers and web/eletter banners for our local churches and supporting groups
- Funding for statewide television and billboard campaigns, and for Facebook ads

- T-shirt design and t-shirts for race participants

Our Communications Director and our Communications Assistant/Web Specialist completed the production of a new Conference website. This fully updated user friendly site was designed by Brick River Technologies, who not only provided us with this new framework, but who will continue to provide hosting and technical support for the site.

As in previous years, stories about our ministry efforts have been written by the Communications Director and distributed through United Methodist News Service and picked up for publication throughout the denomination in other conferences and in *The Reporter*.

At the 2011 United Methodist Association of Communicators gathering, the Conference Director of Communication Betty Backstrom took honors in writing (a story on Bethany UMC's service of remembrance post-Katrina) and in television production (commercial for Day of Caring).

The Communication Director has also:

- Assisted local churches establishing hospitality ministries and greeter trainings.
- Hosted Rethink Church trainings in several districts throughout the conference.
- Produced special editions and inserts for the *Louisiana Now!* focusing on Louisiana Volunteers in Mission, United Methodist Women, Centenary College and Dillard University.
- Held a round table with young clergy and laity to focus on ways to improve ministry and outreach to young adults. The round table also focused on effective use of Social Media.
- Continued to strengthen conference presence on the Web, Facebook and twitter.

Betty Backstrom, Director

CHURCH EXTENSION AND TRANSFORMATION TEAM

Our Vision is:

- to revitalize the ministries of local congregations;
- to plant new vital congregations
- to continue developing a comprehensive system of training and support for leaders of new congregations;
- to engage every lay and clergy person in our Annual Conference in Christ's mandate to make disciples.

1. REVITALIZING MINISTRIES OF LOCAL CONGREGATIONS

Through the generosity of the United Methodist Foundation of Louisiana we:

- Graduated eight congregations from the first class of the Town and Country Ministry Academy;
- Welcomed twenty-one new congregations into the second class of the Academy to help them strengthen evangelism and community service in their small membership churches.

2. PLANTING VITAL NEW CONGREGATIONS

We celebrate the vital ministries of our youngest congregations:

- Faith Community UMC Youngsville (started 2002)
- NorthPoint UMC Blanchard (started 2004)
- Faith Crossing UMC Denham Springs (started 2007)
- NewSong UMC Prairieville (started 2007)
- The Well UMC Ponchatoula (started 2007)

We look forward to:

- Continued participation in Path1 - a national strategy for planting new United Methodist churches in the USA. Path1's objective for 2008-2012 is: To equip 1,000 church planters who, will start 650 churches that average 350 in worship, who start a new congregation within their first 10 years beginning a process that forms 2,500,000 new disciples of Jesus Christ within 30 years.
- Identifying healthy mother churches committed to planting new congregations or creating satellite congregations by 2012.

We are encouraged by:

- the decision of the 2011 Annual Conference to make new church starts the number one missional priority of our Conference;
- the dedication of oil and gas revenues to new church starts;
- the work of the Church Extension Task Force to strengthen our focus on church planting.

3. DEVELOPING A COMPREHENSIVE SYSTEM OF TRAINING AND SUPPORT FOR LEADERS OF NEW CONGREGATIONS

The Office of Church Extension and Transformation continues its church planting initiative - a comprehensive process of identifying, assessing, training, and coaching new church planters. Prospective planters continue to be identified and trained to plant vital, fast growing churches in Louisiana and to reach new people for Christ.

4. ENGAGING EVERYONE IN CHRIST'S MANDATE TO MAKE DISCIPLES

We celebrate:

- The ministry of the Bob Lay 1000 Club to raise money and awareness for new church starts.
- The creation of a new shares program "Partners in Growth" to raise money for new church starts.

5. CONCERNS AND CHALLENGES

We are concerned about reaching a new generation for Christ.

- Almost 50% of Louisiana citizens have no church involvement.
- The average Louisiana United Methodist church sees 1 adult conversion per year for every 108 persons in attendance.
- The average new church, from zero to three years old, sees 1 adult conversion per year for every 3 persons in attendance.
- New churches are thirty times more effective than existing churches at reaching people for Jesus Christ, and we need new churches for new people.

We challenge every United Methodist in Louisiana to:

- Pray daily for all of our churches to become more committed to reaching new people for Jesus Christ.
- Make friends with pre-churched and de-churched persons in your neighborhood and workplace and offer them Christ.
- Join the Bob Lay 1000 Club and the Partners in Growth program to help finance planting and building new churches.
- Encourage your church and/or Sunday school class to include in its budget regular, monthly support for new church starts.
- Remember new church starts in your will and estate plans.

HISPANIC/LATINO MINISTRIES

Under the auspices of the Hispanic/Latino (H/L) Ministries Committee, the H/L Community Centers continued emphasizing three main areas: 1) Expansion of the community ministries, 2) Leadership development, and 3) Congregational development. These areas are within the mandates from the General Conference for this quadrennium.

Expansion of Community Ministries/Congregational Development

The Hispanic/Latino Community Centers located in existing UMC churches (First Grace, Covenant and El Mesias) continued offering many programs, including English as a Second Language (100 students are enrolled at First Grace UMC, 20 volunteer teachers and 10 students from Tulane University are helping to conduct these classes), Spanish classes, Computation classes, General Equivalency Diploma (GED) classes at El Mesias (20 students are enrolled in this program), Bible Studies, job referrals, health care, child care, translations, etc. These programs are addressing the needs of the Hispanic/Latino community and developing strong relationships with the immigrants.

El Mesias UMC in Kenner, the only Hispanic/Latino church in the Louisiana Conference, continued expanding and upgrading the programs/services offered to better serve more Hispanics and Latinos. It holds Bible studies, a Sunday worship service with an attendance of about 70-95 people, and Sunday School classes (one for adults, three for children, one for youth and adolescents, and one for new members).

Other community outreach services are also offered by the 3 Community Centers, health fairs, semi-annual health surveys, College fairs, motivational conferences, and Pastoral care, medical and legal interpretations. Translation services are also available on an as-needed basis. Individual and family counseling are available at the church and centers. Food and clothing are provided to anyone in need.

Our Hispanic/Latino Ministries Committee continued developing strategies to educate others in our Annual Conference about the need to recognize and develop Hispanic/Latino ministries. In 2011, the Hispanic/Latino group successfully provided the musical opening program for some of the Pre-Conference district gatherings, as well as for the Laity Session of the Annual Conference. To overcome the language barrier, Spanish classes are being conducted at the Community Centers to help clergy and lay persons learn Spanish.

Leadership Development

Under the leadership of Missionary Oscar Ramos, efforts for the H/L Centers to become a 501c3 organization became a reality. So far, board members were selected, installed, and are functioning well in the new organization. The Louisiana Department of State and the IRS approved the necessary documents, but we are still expecting to receive the Tax Exempt Number and the Employer Identification Number for the organization (The Seed: Hispanic/ Latino Center for Educational Development.) The board will focus on the need for education in the H/L community and the need to create a culture of education among the H/L community. The new board is already working towards the acquisition of grants to fund its activities.

Pete Aguila became the first Hispanic from the Louisiana Annual Conference to be elected as delegate to the General and Jurisdictional Conferences. He is a member of the committee that deals with the re-structuring of the UMC. GBGM Missionary Oscar Ramos received his doctoral degree from Drew University School of Theology last May. GBGM Missionary Maribel Calvo is a certified clergy candidate in the Charge Conference and is enrolled at the Garrett Evangelical Seminary. She also completed her License to Preaching studies. She chaired the Conference Board of Global Ministries during the 2008-2012 quadrennium.

Overall Accomplishments

- Continued providing and enhancing the awareness of the United Methodist Church presence in the Hispanic community in the Chalmette, New Orleans and Kenner areas.
- Successfully established a 501.c3 status for the Centers
- Achieved increase in worship attendance at El Mesias UMC (current attendance fluctuating from 70 to 95 people). Worship attendance is 35 people at the First Grace Center and 12 at the Covenant UMC Center.
- Continued improving the quality of life of many Hispanic/Latinos in distress.
- Continued achieving definite performance enhancement in the areas of leadership development and congregational development

LOUISIANA CONFERENCE NATIVE AMERICAN MINISTRIES (LaCONAM)

The Louisiana Annual Conference Native American Ministries celebrates the continued support of the many United Methodist Churches, Bishop William W. Hutchinson, Rev. Donald C. Cottrill, Provost, The Louisiana Conference Cabinet, and District Superintendents, the Native American International Caucus, the Native American Comprehensive Plan for the support of LaCONAM and all the Native American United Methodists in the Louisiana Conference in the development of Leadership within the United Methodist Native American population. We celebrate the inclusiveness of LaCONAM on the Multicultural Committee of the Louisiana Conference and the leadership of Rev. Juan Huertes and all the members of the Multicultural Committee. We celebrate the continued support of the only two Native American Ministries in the

Louisiana Annual Conference which include Clanton Chapel, Clanton Chapel Christian Preschool, and the Dulac Community Center. We celebrate the Rekindling Vision of Clanton Chapel and their effort to make Disciples for Jesus Christ among all the different people in Dulac and their effort to work with all churches for the growth of all Christian churches in Dulac. WE celebrate the Native American Ministries Sunday Offering that helps support the ministries of Native Americans.

We celebrate the many VIM groups who come to Dulac to help meet the needs of the people through their work with Clanton Chapel and the Dulac Community Center. We celebrate the collaboration that the Dulac Community Center has done to work with many other organizations to bring assistance to the residents of Dulac and the surrounding area. We celebrate the relationship of LaCONAM with Ann Marshall and the Native American International Caucus in reaching out to all Native People and their issues. We celebrate the relationship of LaCONAM and the Comprehensive Plan of the United Methodist Church. We celebrate the Louisiana Annual Conference and Rev. Donald C. Cottrill, Provost, for sharing in the support of LaCONAM by helping to send seven members from Louisiana to acknowledge and work with the Native Hawaiians as they deal with issues in a land called, by many, Paradise, but the Native People have many issues that have lead to poverty and homelessness to many of the first citizens of these islands. We celebrate the warm welcome given by Bishop Barbara Swenson of the Pacific area, and the royal family of Hawaii. WE celebrate the inclusiveness and connectivity for the Native American United Methodists in Louisiana as we seek to make Disciples from all nations in the world and develop leadership among our Native American United Methodists

Priority goals for the upcoming year for LaCONAM include: Continued efforts to promote the unique identity of the Native American United Methodists who are part of Clanton Chapel and Clanton Chapel Christian Preschool and encourage the Making of Disciples in all the rainbow colors of Dulac in the Ministries of this local church, and promote and encourage the support of the Dulac Community Center and all the needs they seek to meet among the people of Dulac and surrounding areas. WE seek to promote and encourage each United Methodist Church to find ways to support the ministries of the Clanton Chapel, Clanton Chapel Christian Preschool and the Dulac Community Center, financially and in many other ways so that these ministries can continue to reach the people of Dulac. We seek to develop more speakers to promote these ministries and the Native American Ministries Sunday Offering.

Concerns and challenges of LaCONAM: WE seek to have every district in the Louisiana Annual Conference represented by Native American United Methodists or other interested persons in LaCONAM so that we can truly support and be informed of our two Native American Ministries in the Louisiana Annual Conference: Clanton Chapel, Clanton Chapel Christian Preschool, and the Dulac Community Center.

Items for action by the Louisiana Annual Conference: Since the 2008 Book of Discipline of the United Methodist Church specifically requests that “each local church shall elect at charge conference, one person, regardless of race or ethnic origin, or appropriate committee to represent the need for better awareness of Native American contributions in the local church. These names should be given to the District

Superintendent at charge conference to be forwarded to LaCONAM". WE give thanks for all the churches that are currently supporting LaCONAM and we pray that next year, all churches will be represented in support of LaCONAM in the Louisiana Annual Conference. WE request from our Bishop William W. Hutchinson, we regret his leaving us, or other Bishop, the Cabinet of the Louisiana Annual Conference, Our Pastors, our Laity of the Louisiana Annual, Rev. Donald C. Cottrill, our Liaison with the Louisiana Annual Conference; the continued support of LaCONAM, the Native American Ministries Sunday Offering,, Clanton Chapel, Clanton Chapel Christian Preschool, Dulac Community Center, Federal Recognition of the United Houma Nation, completion of the Morganza to the Gulf Hurricane Protection Levee System, and preservation and protection of Native American communities along the Louisiana Gulf Coast so that our ministries and the lives of our people can continue to flourish along the Gulf of Mexico Coast so that we may take part in doing the work of Jesus Christ in these areas.

LOUISIANA VOLUNTEERS IN MISSION

- By the end of 2011 fourteen foreign countries were served including the Bahamas, Cambodia, Costa Rica, Cuba, Guatemala, Haiti, Honduras, India, Mexico, Nepal, Palestine, the Philippines, and Russia. Six states were served including Alabama, Alaska, Arkansas, Kentucky, Louisiana, Mississippi and Missouri.
- Four hundred and thirty-two team members participated in 2011 missions; those consisted of medical teams, construction and educational projects. UVMIM estimates that every volunteer directly affects at least 10-15 local church and community persons before and after their mission. While on the mission site each volunteer will minister directly to about twenty persons. This formula estimates that these 432 LAVIM team members, ambassadors of Christ and representative of their own faith and the Louisiana Annual Conference, touched the lives of almost 11,000 people in hands on mission, sharing the love of Jesus Christ in ways that make a Christian difference.
- Over \$53,800 was received in special mission donations for construction and \$10,712 in medical were received and have been disbursed to the appropriate ministries which continues the ministry and scope of LAVIM. Additional funds will be distributed at appropriate times in the coming months. Two new church plants have been dedicated in Mexico which were begun and completed by the work of LAVIM volunteers. Building materials for those churches were provided by the matching gifts of volunteers along with the Valle Hermosa matching grant awarded some years ago by the Louisiana Foundation. That grant has also afforded LAVIM and its volunteers to work on two schools and two clinics. The surgery suite of the Clinica Britiana in downtown Reynosa, Mexico has now been completed through the gifts of volunteers.
- \$5,800 was received and distributed for special mission emphasis. Included in this sum is the ongoing annual support of twelve children, residents of the Warne Baby Fold in Bareilly, India. Various LAVIM volunteers who have served in India have been personally sponsoring children who live there for over six years. LAVIM has recently acquired the volunteer services of Joyce Clavenna, veteran of several India

missions to handle the correspondence and collection of these sponsorships due to the popularity of this arm of LAVIM's overall mission.

- Numerous churches, parsonages, private homes, and clinics have been repaired, renovated or construction begun in these countries and states which further the ministry of the local missionaries and helping agencies. LAVIM and UMVIM go to do what is desired to be done by the local ministry. We go to be "in ministry with, not to" what is already being accomplished by the UMC and its partners around the globe. In several cases, the work of LAVIM has inspired the ongoing support, Covenant Relationships, of individuals, churches and SS classes in the salary support of the missionaries met while serving on mission teams.
- In the first two months of 2012 (at the time of this writing) four teams were dispatched; two to Mexico, and one each to the Bahamas and Mount Sequoyah. I am glad to report that our Mexico missions have been picking up greatly after about two years of low numbers due to concerns about drug violence along the border. Each of these two Mexico teams was over fifteen in number of volunteers. And we are seeing a return to scheduling for many of our veteran Mexico team leaders. Numbers for those teams appear to be back to normal figures as well. A January Mexico team included members of the McNeese School of Nursing which will be conducting clinics for which the planning is the direct result of their partnership with LAVIM in "windshield studies." Medical care is designed to meet the needs of the community to be served by the viewing of a video which provides health information to nursing classes and by which the clinic and its treatment is planned. The McNeese nursing school is also providing this same project for an upcoming 2013 to Bali, Indonesia.
- Additional 2012 teams planned for the first six months of the year prior to AC are to Mexico (Medical and Construction), Guatemala (Construction and VBS), Haiti (Construction), Honduras (Construction), India (Medical), Indonesia (Construction), Viet Nam (Medical), Mount Sequoyah (Construction), Missouri (Disaster Response). Further in 2012 teams will be dispatched to Guatemala, Haiti, Cuba, Cambodia, and Palestine as well as multiple teams to Mexico, Mount Sequoyah, Choctaw UM Mission, and Joplin Disaster Response.
- There were seventy-six team leaders trained and certified at the annual LAVIM Team Leader Training during January 20-21. Of these, twenty-five were new team leaders. Phil Wingeier-Ray of Pfeiffer University and Dr Sylvia Reimer of GBGM were part of the training staff along with Rev. Ann Sutton, Rev. Dawn Young and Director Larry Norman.
- At this time LAVIM is gearing up for a hopefully large group of volunteers for the annual SCJ UMVIM Work Week at Mount Sequoyah the week after Easter, several Mexico missions in the next few months, a medical team to Viet Nam, and disaster teams to Joplin, MO. May 19 has been set for the first ERT class of 2012. A limit of 30 persons will be trained at the Conference Center and two of LA's own, Bob Deich and Darryl Guy will become certified as ERT Trainers.
- Another of two exclusive editions of the LANOW was prepared and published highlighting the work of LAVIM in late December. We are grateful that the benevolent budget provided by the Annual Conference affords the printing of these two additions and several thousand additional copies of the paper which are distributed during presentations by the Director in local churches which are designed to recruit new team members, team leaders and schedule additional missions. The

LANOW is also distributed during the AC sessions so that representatives are allowed a comprehensive record of the work their gifts are accomplishing.

AFRICA UNIVERSITY

“When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze.” – Isaiah 43:2

At its inception, many doubted that the dream could be realized. Yet, in February 2012, Africa University launched a year-long celebration of its 20th anniversary. It has quite a story to tell.

“We serve a faithful God,” says Dr. Fanuel Tagwira, vice chancellor. “As we now celebrate 20 years of existence, we can say ‘Ebenezer’, for this far the Lord has taken us. He will surely take us further because we serve a God who finishes what he starts.”

Recalling the challenges the University faced during Zimbabwe’s economic crisis in 2008-2009, Tagwira noted that “God was on our side...other universities, primary and secondary schools, and hospitals closed, but Africa University students never lost a day of classes.” For this, Tagwira offered his thanks to The United Methodist Church for its responsiveness and unwavering support.

In 2011, the Louisiana Annual Conference was one of twenty-seven annual conferences that paid 100 percent of their apportioned share of funding to Africa University. The University is profoundly grateful to the leadership and local congregations of the Conference for their generous apportionment contributions to the Africa University Fund.

Enrollment at Africa University is at an all-time high. The current total population of 1634 students is 42% higher than it was for the 2010-11 academic year. There are 23 African countries represented in the student body. At Africa University, male and female students are almost evenly balanced—something that bodes well for increasing the participation of women in decision-making and leadership roles in Africa.

New programs are helping Africa University to grow and remain relevant to community needs across the continent. New academic offerings include undergraduate degree programs in Computer Science and Laboratory Science as well as graduate degree programs in Child and Family Studies, and Public Policy and Governance.

The University is preparing to launch online distance learning. Online training options will focus on areas such as practical theology, health, and business. The initial target countries for Africa University’s online distance learning outreach are Angola, Côte d’Ivoire, Democratic Republic of Congo, Liberia, Mozambique, Nigeria, and Sierra Leone.

In June 2011, 349 students from 19 African countries graduated. The graduating class was comprised of 69 graduate students receiving master’s degrees, and 280 undergraduate students receiving bachelor’s degrees. The Class of 2011 swelled the ranks

of Africa University graduates to more than 4,000 since first opening its doors in March 1992.

In their home countries, graduates are addressing critical issues of hunger, poverty, disease, lack of knowledge, and conflict, all of which prevent millions of people in Africa from enjoying God's promise of abundance (*John 10:10; Jeremiah 29:11*).

At 20, Africa University is part of a crucial feeder system for nurturing a new generation of principled leaders in Africa as evidenced by the number of graduates who are evangelists, pastors, lecturers and administrators of schools, seminaries and universities.

"Many believe that Africa University, voted into being by the 1988 General Conference, is the most exciting ministry that The United Methodist Church has ever founded," says Tagwira. "It is a model of connection; shared responsibility; and best of all; it is a tangible witness to how United Methodists live out the Word of God in a chaotic and self-centered world."

This year, encourage your church to give 100 percent of its Africa University Fund apportionment. The Africa University Fund supports day-to-day operations. Your support helps young people acquire the tools and skills to spread the Gospel of Jesus Christ, heal communities, enable dignified living, and foster hope. Thank you for believing in and supporting Africa University.

CANDLER SCHOOL OF THEOLOGY

Candler School of Theology prepares *real* people to make a *real* difference in the *real* world. Our commitment to authentic discipleship and relevant ministry enables us to develop uniquely well-rounded leaders who are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus.

As one of the 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concern. As one of seven graduate professional schools of Emory University, Candler provides a rich context for learning and formation supported by the extensive resources of a top-tier research university. As a school located in the major metropolitan area of Atlanta, Candler offers students a learning environment that reflects the highly diverse communities of our 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

Candler's student body continues to reflect the diversity and breadth of the Christian faithful. Our enrollment stands at 479, with 372 seeking the Master of Divinity, 64 the

Master of Theological Studies, 19 the Master of Theology, 17 the Doctor of Theology, and 7 enrolled as Special, Non-Degree students. The total student population is 22% U.S. ethnic minority, 8% international, and 50% women. Forty-four denominations are represented, with 52% of MDiv students being United Methodist. The median age of our entering class of MDiv students is 26, with 50% of total enrollment under thirty.

An extraordinary gift of \$15 million from the O. Wayne Rollins Foundation will make possible the construction of the second phase of the school's new building. In recognition of this gift, the first building—a 65,000-square-foot facility completed in 2008—will be named in memory of the late Rita Anne Rollins, the first grandchild of the foundation's namesake. The new building will house the Pitts Theology Library, additional classrooms and offices, group study areas, and the Wesley Teaching Chapel.

Candler and The General Theological Seminary (GTS) in New York have formed an innovative partnership that includes the sharing of library resources, collaborative educational programs, and the exchange of both students and faculty members. The partnership began this fall with the transfer of 90,000 volumes from GTS to Candler's Pitts Theology Library, and will continue to expand this year via student/faculty exchanges and continuing education programs.

We continue to emphasize preparing our students for leadership in an increasingly global context, and now offer 17 academic exchanges with theology schools across five continents and 15 countries, including many related to The United Methodist Church. In addition to our ongoing summer internship program with the Methodist Church in the Bahamas, this year's travel seminars included the Middle East and World Methodist Evangelism Institute evangelism seminars to Colombia, Indonesia, and Israel.

Our Lifelong Learning events strengthen the church by providing opportunities for clergy and lay leaders to learn more about the practice of ministry. Our Fall Conference, "The Art of Preaching in the 21st Century," brought to campus some of the most respected names in preaching, including Otis Moss Jr. and James Howell. The Spring Conference, "The Singing Church," gathered experts to lead an exploration of the best practices and emerging trends of congregational song.

Candler remains steadfastly committed to making theological education financially feasible. Although our operating budget essentially remained flat this year, we dedicated \$4.5 million to financial aid. Seventy-seven percent of eligible students received Candler-based financial aid, with the average award covering more than two-thirds of tuition.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of *educating faithful and creative leaders for the church's ministries in the world* depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. Visit us in person in Atlanta or online at candler.emory.edu to see firsthand how Candler prepares *real* people to make a *real* difference in the *real* world.

CENTENARY COLLEGE

Centenary is *Louisiana's only Tier One National Liberal Arts College*. Founded in 1825 as an institution dedicated to the traditional arts and sciences, the College of Louisiana developed leaders for a changing world in a multilingual, multi-cultural, religiously diverse, young state in the wake of war and sovereign realignment. The oldest liberal arts college chartered west of the Mississippi River joined its strength with an institution founded to celebrate the personal and social transformational effects of the Methodist Societies in England – 100 years after the fact.

Today, Centenary College of Louisiana deploys the arts and sciences to develop leaders for a changing world. Combining elements of personal and social transformation, Centenary College empowers students to weave purpose, passion and profession to make a difference in their communities and world – a transformational difference that will be worthy of celebration 100 years from now.

Accomplishments & Celebrations 2011-2012

We are honored to host again the Louisiana Annual Conference on our campus.

Centenary continued to receive a high level of recognition in the media by being named to various nationally ranked lists.

- Forbes.com and *The Princeton Review* named the College among the top 15% of all colleges and universities in the nation.
- Forbes.com recognized the College as one of “America’s Best Colleges” overall, “Best Private Colleges,” and “Best Colleges in the South.”
- *The Princeton Review* acknowledged Centenary as one of the “Best 376 Colleges” and “Best Southeastern Colleges.”
- *U.S. News and World Report* named Centenary a Tier One national liberal arts college, among the Best Colleges in the U.S.
- *Kiplinger's Personal Finance Magazine* named Centenary as one of the “Best Values in Private Colleges” in its top 100 annual ranking, the only private liberal arts college in a multi-state region to be recognized for the honor.

Our faculty, staff, alumni, and students maintain a level of exceptional accomplishment in their professional and academic lives that continues to be a source of pride for the College. Graduating senior Frank Petitto was selected to present his research at the annual European Symposium of the Protein Society in Stockholm, Sweden, and received the Young Investigator Award in July.

- Dr. Greg Butcher, Dr. Troy Messina, and Centenary graduate Aaron Otto published a technical note in *The Journal of Undergraduate Neuroscience* (JUNE).
- Dr. David Havird, Centenary Professor of English; Jennifer Strange '99 and Ashley Havird, both Centenary adjuncts; and alumna Rachel Reischling '04 have all recently been published in *The Southern Poetry Anthology, Volume 4*, published by Texas Review Press.
- Thirteen members of the Centenary community were selected as recipients of the prestigious **40 Under 40** award given annually by the Greater Shreveport Chamber of Commerce Young Professionals Initiative.

Throughout this year, our students have inspired as they transform into engaged global leaders. In the fall, Centenary welcomed 273 new students to our campus. Student-athletes represent rosters-full Division III success. Teams are winning and setting national records. The freshmen students' average ACT score is 25, and their average GPA is a 3.5. The Centenary College Choir joined the First United Methodist Shreveport Chamber Choir to premiere alumnus James Eakins' *Flowers Over the Graves of War* in the sanctuary of the Church. The Choir continued on to New York City to perform the piece on February 20 in Carnegie Hall.

This year ushered in notable events in our Christian Leadership Center and Religious Life. Reverend Valerie Robideaux became Centenary's Director of Professional Discernment, intentionally engaging students in the integration of their values, academic interest and career goals. This change paved the way for Ms. Maegan Daigle to join Centenary as the Assistant Director of Christian Leadership. The Christian Leadership Center continued to offer programs to community members and Centenary students such as Stepping Stones, men and women retreats, The Discerner's Academy, and True Beauty—an event to inspire women to love others as they love themselves. They have also hosted a two-part series by Dr. Susan Brayford, "In the Beginning" and "In the End," focusing on Genesis and Revelations.

The CLC held its 6th Annual Fundraising Dinner on Centenary's campus on Thursday, March 22. Louisiana United Methodist Conference Bishop William Hutchinson was the featured keynote speaker. He addressed the current state of the Church through the lens of his 50 years in ministry. In the same weekend, the CLC welcomed Andy Crouch, author of *Culture Making: Recovering Our Creative Calling*, for a two-day seminar.

The College celebrates the clergy families of the Louisiana United Methodist Conference who have entrusted the College with the education of their students. We are proud to count among our students Amanda Price (Wybra Price), Kenny Guin (Pam Crews), Kellan and Kayla Klaus (Karl Klaus), Anesu Chigumira (Simon and Eunice Chigumira), and Cody Wolfe (Leland Wade's grandson). Centenary also recognizes that 20% of our students are members of the United Methodist Churches, a percentage that has been consistent for the last 10 years. United Methodist students are eligible for up to \$2,500 per year in Methodist grant money.

Centenary also celebrates that 18.5% of our students are legatees, the sons and daughters of Centenary alumni. In appreciation of families that send more than one generation to Centenary, the College offers each of these students a Legacy Award of up to \$1,000 annually.

Vision and Goals

1. Working within the connection to help congregation and conference to continue to grow as a college-related church
2. Defining church-related liberal arts education for the 21st century
3. Strengthening our connection with the Louisiana United Methodist Conference through increased communication and service

Concerns and Challenges

Over the course of the next few years, the Louisiana United Methodist Conference will be reducing the direct payment to Centenary by \$50,000 per year until the amount going to the College adjusts to \$500,000 annually. Simultaneously, the Conference will be building a \$1 million endowment fund to provide ongoing support for the College in the future. When the Endowment for Centenary reaches \$1 million in 2018, the College will receive an initial annual draw of \$50,000, plus \$500,000 being gifted through apportionments. The endowment represents an opportunity to establish a stable funding source for the College and is a significant statement support from the Conference.

In the short term, the College will need to identify a fundraising strategy for 2018 to replace the difference between the projected \$550,000 from gifts and endowment and the \$750,000 that the College received from the Conference in 2010 and prior years. One strategy might involve growing the endowment.

Centenary continues to compete with Southern Methodist University, Texas Christian University, Millsaps, and Hendrix for students, so we need the support of the Conference to keep more of our United Methodist students who are choosing private liberal arts education in-state at Centenary and Dillard. We hope to renew the call that President Emeritus Donald Webb made so many years ago for “Each Church a Student.” If each United Methodist church in Louisiana would identify (at least) one promising high school student to send to Centenary, and support with financial aid, Centenary would have no problem meeting enrollment goals.

Items for Action

1. We request the Louisiana United Methodist Conference’s endorsement of the listed membership of the Centenary College Board of Trustees.
2. We appreciate the Louisiana United Methodist Conference’s financial support through apportionments and scholarships. This generosity affirms the churches’ dedication to higher education and to Centenary College of Louisiana.

DREW UNIVERSITY THEOLOGICAL SCHOOL

Drew Theological School, deeply rooted in its United Methodist heritage, is a place that empowers its students to conceive and implement dynamic ministries. Drew offers the MDiv, MA, MAM, STM, DMin, and PhD degrees, as well as certifications in Camp and Retreat Ministry, and Spiritual Formation. Academically rigorous and spiritually revealing, Drew develops religious leadership prepared for these ever-changing times. Drew offers 100% tuition scholarships to all United Methodists who meet all admissions requirements and have a 3.5 undergraduate GPA or higher.

In the fall semester, I had the honor of welcoming a new class of students to Drew. This new class is composed of 73 masters and 13 PhD students. In addition, we also admitted 58 DMin students who started the program in the various cohorts around the country. We also welcomed another 19 students in the spring semester. We began the new academic year with a new Associate Dean for Academic Affairs in Dr. Morris Davis, Associate

Professor of the History of Christianity and Wesleyan/Methodist Studies and welcomed two new faculty members and a post-doctoral fellow. Dr. Kate Ott joined us as Assistant Professor of Christian Social Ethics, Dr. Elías Ortega-Aponte as Assistant Professor in Afro-Latino/a Religions and Cultural Studies, and Dr. David Evans as a post-doctoral fellow position and Lecturer in the History of Christianity.

As we began a new academic year, I was reminded of Drew's impact and contribution in the global context. I had the privilege of visiting Drew alumni in Hong Kong, Taiwan, Malaysia, Singapore and South Korea. Our alumni spoke with great appreciation of the education they received at Drew and the professors who taught them. Drew's influence in Korea, in particular, is historic. Henry G. Appenzeller, a graduate of Drew in 1885, brought Methodism to Korea. Appenzeller's connection with Drew has brought hundreds of students from Korea to Drew. Today, we have alumni teaching in seminaries and universities and serving churches in Korea.

I have enjoyed teaching a course on the General Conference and will be taking the class to Tampa. We were honored to have leaders such as Jim Winkler, General Secretary of GBCS, Harriett Olson, Deputy General Secretary of the Women's Division, and Erin Hawkins, General Secretary of GCORR, come and speak to the class. Three members of the Drew community are serving as delegates to the General Conference: Mark Miller, Tanya Bennett and I.

We are living into a "majority minority" faculty, staff and student body at Drew that trains leaders for the church that will be soon serving in a "majority minority" world. Forty-five percent of our faculty is African/African Americans, Asian/Asian Americans, and Latino/a. We have almost an equal number of women and men on the faculty.

We are thrilled to have received a grant of \$75,600 from the GCORR Action Fund for the purpose of widening the ethos of multi-ethnic theological education. The grant will assist us in a thorough curriculum review with the hopes of enhancing every aspect of the multi-lingual, multi-ethnic, and multi-cultural reality at Drew.

Creative, cutting-edge, inclusive, multi-cultural, social justice ministry is part of the legacy of Drew, and I am proud to be associated with it! Below are just a few other ministries that make me proud to be associated with Drew.

Bishops in Residence at Drew

I have enjoyed meeting Bishops and many Boards of Ordained Ministry to convey our desire at Drew to be a resource to the entire denomination. I am particularly pleased that Drew is hosting a January Term class taught by UM Bishops. This past January, Bishop Alfred Johnson taught a class in urban ministry. He recently shared with me some reflections about his experience teaching here at Drew: "I am deeply impressed with the quality, depth and reflective experience of the students in my class. Both their reflection, inquiry and contribution to the field of urban ministry greatly deepened my own theological reflection and praxis."

In January 2013, Bishop Peggy Johnson of the Eastern PA and Peninsula Delaware Conference will teach a class on Ministry with People with Disabilities. In January of 2014, Bishop Jane Middleton of the Central PA Conference will teach a class on Ministry

and Health.

United Methodist Liaison at Drew

The Rev. Jeff Markay continues to work with our UM students by introducing them to the leaders and resources within our denomination. He helps them navigate the process toward commissioning and ordination as well as with issues of discernment. We have monthly UM Lunches to meet with bishops, and leaders of the general agencies, conferences and connection. We are grateful for every opportunity to build a UM ethos here at Drew so that the connectionalism is strong when our students graduate to become leaders in their settings of ministry. We are also grateful to have the Rev. Susan Worrell as the Deacon Liaison on campus who shares resources and wisdom with those hearing a call to the Ministry of the Deacon in the UMC.

Center for Clergy and Congregational Health and Wholeness

In the fall of 2011 representatives from GBOPHB of the UMC came to Drew to meet with Dean Samuel and me. The purpose of the visit was to explore developing a partnership between the two institutions to address issues of clergy health. This cooperative partnership will lead to two things in 2012, namely, the launching of a longitudinal study on the health habits of seminary students while in seminary and for five years upon graduation and a conference, bringing together deans and presidents and staff members from the 13 UM seminaries, to be held in June on Clergy Health and Theological Education.

Taking seriously our shared lot in a global community, theological education is not just interested in “small talk”— we strive for hard talk, demanding friendships and challenges. We at Drew look forward to working with the good and faithful people of the UMC as we forge deeper friendships in the shared ministry of making disciples of Jesus Christ for the transformation of the world.

GAMMON THEOLOGICAL SEMINARY

Gammon Theological Seminary, located in Atlanta, GA, is the United Methodist constituent member of the Interdenominational Theological Center (ITC), a consortium of six historically African American theological schools. Gammon/ITC is a co-educational, professional graduate school of theology. Its faculty personifies vigorous scholarship, rigorous academic discipline, and significant research in the service of the church and other communities in the world. Gammon/ITC is the world’s premier resource for black church scholarship and faith-based solutions to the spiritual and socioeconomic challenges confronting the African American community and beyond.

Founded in 1883 by the Methodist Episcopal Church and with assistance from the Freedman’s Aid Society, today Gammon Theological Seminary is one of the 13 theological schools of the United Methodist Church. The faculty and administration of Gammon/ITC create an environment in which critical thinking, investigative reflection, decision making, and responsible action are fostered. Gammon/ITC is a member of the Atlanta University Center Complex, the world’s largest enterprise of African American higher education. It is also a member of The University Center of Georgia and the Atlanta

Theological Association. The school is fully accredited by the Association of Theological Schools and the Southern Association of Colleges and Schools.

Gammon/ITC offers the following degree programs: the Master of Divinity, the Master of Arts in Religious Education, the Master of Arts in Church Music, the Doctor of Theology (Th.D.) in Pastoral Counseling, and the Doctor of Ministry (D.Min.). There are also a number of dual degree programs offered in cooperation with seminaries and schools in the Atlanta Theological Association. Admission is open to qualified men and women of the United Methodist Church.

Because of the support of this Annual Conference, Gammon/ITC students carry on a proud tradition. They are taught to think independently and communicate effectively. They are also challenged to become involved in finding solutions to problems that affect the human condition, and to become active in the community beyond this campus. Additionally, graduates of this institution are encouraged to maintain a lifelong desire for intellectual growth, spiritual development, and the acquisition of skills for the practice of ministry.

Gammon/ITC has had a very exciting and busy year living out its mission, which is to recruit, support and educate pastors and leaders for the United Methodist Church. There are at least three significant ways that we have lived out our mission and furthered our vision:

- 1) Enrolled one of the largest entering classes on record for our institution. This entering class is comprised of young persons (average age of 25) called by God to be prophetic leaders for the mission of making disciples of Jesus Christ for the transformation of the world.
- 2) Instituted the Merit Scholars Program, which is a scholarship for incredibly bright and called students, that covers full tuition and fees. Gammon/ITC is able to attract these students because of your contributions to the Ministerial Education Fund.
- 3) Launched the Center for the Study of Religion and Race. Gammon/ITC's historic commitment to producing public theologians – men and women who are spiritually astute, intellectually keen, politically sophisticated, and culturally sensitive – is advanced with the establishment of this Center. With assistance from the General Commission on Religion and Race, it is Gammon/ITC's desire to continue the great work of addressing issues of cultural competency, advocacy and education in areas that further racial justice and equity.

Gammon Theological Seminary is extremely grateful to this Annual Conference for your support of theological education, and for your commitment to ensuring that God's church will be served by persons who are called and trained to lead us forward.

The three-year leadership certification program for seminary graduates and professionals in ministry include six seminars led by experts in non-profit leadership.

Intersection, an innovative continuing education opportunity, incorporates readings, online presentations, and reflection on contemporary issues of life and ministry. Continuing education credit is available.

Garrett-Evangelical helps develop bold local pastor leaders through the UMC Course of Study School. This quality education and formational experience, guided by a strong and committed faculty, offers classes in English, Spanish, and Hmong. In addition to the on-campus residential model, Garrett-Evangelical supervises three extension locations: Indiana, Illinois Great Rivers, and Upper Midwest (Iowa).

The seminary continues to raise \$2 million to endow the Rueben P. Job Chair in Spiritual Formation, ensuring that the seminary remains at the forefront of developing and enhancing spiritual formation studies at the certificate, master's and doctoral levels.

The expanded Doctor of Ministry program offers four tracks: Congregational Leadership, African American Congregational Leadership, Spiritual Direction, and Mission in the Contemporary United States. Our D.Min. program is also a portal to the Association of Chicago Theological Schools' D.Min. program in preaching.

We are proud to serve the United Methodist Church, and we ask for your continuing prayers and support as we pursue our mission and our renewed vision.

PERKINS SCHOOL OF THEOLOGY

Perkins marked centennial celebrations of the University's 1911 founding and 1915 opening with the publication in 2011 of *Perkins School of Theology: A Centennial History* by Joseph L. Allen, professor *emeritus* of Ethics.

In addition to celebrating a distinguished past, Perkins is moving toward a bright future. Effective student recruitment coupled with the lowest attrition rate in more than a decade led to double-digit annual growth in enrollment. United Methodists comprise 77% of our M.Div. cohort. Ten annual conferences in the South Central Jurisdiction provided funds which were matched by the Perkins Prothro Foundation to create endowments for students from their annual conferences. Resulting Perkins Annual Conference Endowment (PACE) grants from earnings on those endowments continue to provide financial aid annually. Twenty-seven United Methodist Annual Conferences are represented in our student body, plus five UMC-related conferences: Indonesia, Kenya, Korea, Malaysia and Singapore.

Dr. Brad Braxton was appointed Lois Craddock Perkins Professor of Homiletics and is the first African American to hold an endowed chair at SMU, effective June 2012. Dr. Heidi Anne Miller, assistant professor of Christian Worship, and Dr. Linn Marie Tonstad, assistant professor of Christian Theology, joined Perkins in 2011. Dr. Pablo Andiañach, professor of Old Testament at ISEDET in Buenos Aires and a distinguished Methodist leader in Argentina, is a visiting professor.

Alyce M. McKenzie was promoted to the *George W. and Nell Ayers LeVan Endowed Chair of Preaching and Worship*, named a recipient of SMU's 2011 Altshuler Distinguished Teaching Professor Award, and elected 2012 President of the Academy of Homiletics.

Bruce D. Marshall was appointed to the *Edward and Emma Lehman Chair in Christian Doctrine*. Marshall also became director of the Graduate Program in Religious Studies, combining the resources of Perkins and the department of religious studies in SMU's Dedman College for students who pursue the Ph.D.

Dr. Hugo Magallanes was appointed director of Center for the Study of Latino/a Christianity and Religion at Perkins.

Perkins recognized retirements of David Maldonado, Jr., Marjorie Procter-Smith, and Charles M. Wood. Wood, who serves on the UMC Committee on Faith and Order, was elected 2012-2013 president of the American Theological Society.

Perkins established the Center for Religious Leadership to provide training in the theology of leadership and practical skills for leadership.

Perkins sponsored "Listening For Our Common Mission: The Church and Theological Education at Perkins," a significant event attended by bishops, Board of Ministry chairpersons, and other conference leaders relating to leadership development and clergy recruitment from across the South Central Jurisdiction.

SOUTHERN METHODIST UNIVERSITY

As SMU celebrates the centennial of its founding in 1911 by the Methodist Episcopal Church, South, and its opening in 1915, the University continues to rise in national prominence. Highlights of the past year follow:

- SMU's total fall 2011 enrollment was 10,982, including 6,221 undergraduates and 4,761 graduate students. The ethnic minority enrollment made up 22.9 percent of the student body. The fall enrollment included a record number of 1,119 international students from 89 countries. Perkins School of Theology experienced an 11 percent enrollment increase, including students from 14 Annual Conferences.
- SMU's external awards for research and sponsored projects have increased significantly. During 2010-11, SMU received \$21.6 million for research and sponsored projects, up from \$16.5 million in 2008-09. In 2011 the Carnegie Foundation for the Advancement of Teaching raised SMU's classification to a research university with "high research activity."
- SMU Unbridled: The Second Century Campaign, launched in 2008, is the largest fund-raising effort in the University's history, with a goal of \$750 million. At campaign midpoint in 2012, gifts totaling \$574 million are providing funds for 231 scholarships; 22 endowed academic positions; 15 academic program endowments, including support for two schools and one academic department; and 16 new or renovated facilities.
- SMU will break ground in April 2012 for a new Residential Commons complex of five buildings to house an additional 1,250 students on campus. This will enable SMU to implement a sophomore residency requirement.
- A new Ph.D. program in art history, established in 2011, brings to 26 the fields offering doctorates at SMU. Among new academic programs, the Embrey

Human Rights Program offers one of only five human rights majors in the nation.

- The George W. Bush Presidential Center, scheduled for completion in 2013, consists of a library, museum and independent institute. The Bush Institute has already begun programming with symposia on subjects including education, energy, literacy and economic opportunity for Afghan women. In 2011 the Institute was instrumental in bringing to the campus His Holiness the Dalai Lama to receive an honorary degree, present a public lecture and interact with SMU and high school students.
- SMU's centennial events in 2011 included a symposium on "The University and the City: Higher Education and the Common Good," at which Perkins Dean William B. Lawrence presented a concluding summary. Centennial publications include *The Perkins School of Theology: A Centennial History* by Professor Emeritus Joseph L. Allen.

SMU treasures its Methodist heritage, and we ask for your continued prayers and support.

UNITED THEOLOGICAL SEMINARY

Is God calling you or someone you know to the ministry of Jesus Christ? If so, we invite you to explore how United can assist you in fulfilling God's purposes for your life and how you can help others in this journey. Come and check us out in person or online at www.united.edu!

United is one of the fastest growing, accredited seminaries in North America. Why are Christian disciples and leaders signing up for our traditional and online programs? They do so because United is committed to teaching the Bible and the historic Christian faith, cultivating spiritual formation for personal and social holiness, and renewing the Church for the mission of Jesus Christ in the world. What could be more important or exciting?

In addition to expanding our service in the Midwestern US, United will continue to enhance its use of technology to deliver theological education in underserved regions in North America and beyond. United's hybrid/online UMC FLEX Master of Divinity degree was designed specifically to meet the requirements of the UMC for ordination and it is accessible anywhere with good Internet service.

Three new professors will join our excellent team of faculty in 2012. Additionally, United's doctoral program will add new mentors and focus groups around the ministries of renewal, mission, preaching, healing and Christian education. United's hybrid/online UM Course of Study is expanding each semester, along with UM Certification offerings.

Please let us know if you have questions about how we can best assist you or, if you would like to help make it possible for an American or international student to study at United.

Enrollment at United is growing steadily and we invite you to call or visit soon!

LYDIA PATTERSON INSTITUTE

It is my pleasure to submit this report to the Bishop and members of the conference with great appreciation for your love, support and prayers as we work together to do God's work on the border.

Lydia Patterson Institute is a true representation of the meaning of connectionalism as proclaimed by the United Methodist Church. Together, with every member of this conference and beyond, we have just entered into the 99th year of ministry with underprivileged young men and women on the US-Mexican border.

Life on the border is a daily challenge. In the last few years, our students have lived some of the most horrifying experiences that one can imagine. Some have lost members of their families, including one or both of their parents. Most have experienced assaults, kidnappings, and death and violence on the streets. The character of our students is such that in spite of all, they still manage to smile. They have faced the situation with courage and faith. They have remained focused on their school, and they constantly thank Lydia Patterson and the United Methodist Church for bringing them hope and a place of refuge where they feel safe. They are grateful for the spiritual encouragement they receive here, and continually talk about Lydia Patterson as their mean for survival. Their goal is to graduate and go to college. Again, thanks to the support of our United Methodist colleges and universities, 95% of our students are reaching that dream. Last year, the United Methodist colleges and universities awarded more than \$1 Million in scholarships to our students alone.

After two years of drops in enrollment as a result of the violence and the economy across the border, we recovered our students this year. With so many parents out of work, we doubled the number of work scholarships in order to keep the students in school. It is at times like these when the faith of our supporters becomes most evident. We are thankful to United Methodist individuals and churches that went beyond paying for their apportionments to provide for one or more scholarships to save our students. Many in your conference were among those who made the difference, and we are extremely grateful.

The work of Lydia Patterson goes beyond providing a good education to the students. It is about preparing leaders for the church and forming disciples for Jesus Christ and the

transformation of the world. The lay ministry program has grown from 5 students to 95 this year. Students continue to serve churches locally and throughout the jurisdiction. Many are now in seminary; others are in the process for ordination; and some are youth leaders, Bible teachers, choir directors, or maybe even leading small churches. Through this program, we hope to comply with the needs of the church as well as change the lives of many, including ours.

The support of our United Methodist friends is evident in their recognition of our work. At times it is expressed in visits to our campus. Last summer we hosted the 40th anniversary of MARCHA who returned to celebrate in the place where the organization was born. We were also honored by the visit of the College of Bishops who undoubtedly committed their total support. Work teams, mission groups, individuals, and everyone coming to share a meal with our students, is a new spark of hope for them.

We will soon be celebrating our Centennial Anniversary. Among the numerous events planned for the year 2013, is the publishing of the Lydia Patterson history. As a guiding light and beacon among the missions of the United Methodist Church, it is only right that its past be properly recorded. Plans are also in place to launch a capital campaign to rebuild our campus and place Lydia Patterson among those ministries of the United Methodist Church that will continue God's work for another 100 years. As we approach this memorable date, we offer our words of gratitude and ask for your continued prayers for the safety of our students and continued success of our ministry.

Socorro de Anda, President

LOUISIANA UNITED METHODIST CHILDREN AND FAMILY SERVICES

Following four decades of exemplary leadership, Terrel DeVille retired as President and CEO on June 30, 2011. Upon his retirement, the Board of Directors appointed Mr. DeVille President Emeritus and made him a Life Member of the Board of Directors. The Board of Directors conducted a national search and interviewed internal and external candidates to find a new Chief Executive Officer. With 22 years in various positions at the Home, Rick Wheat was named President and CEO. The transition in leadership occurred smoothly and without interruption to our active work of ministry.

During 2011, we received 616 referrals for placement in our residential programs. We were able to provide residential care to 203 individual youth. 138 adolescents received care at Louisiana Methodist Children's Home in Ruston, 7 older adolescents resided in our Transitional Living Program in Monroe, 38 adolescents received care at Methodist Home for Children of Greater New Orleans in Mandeville, and 20 adolescents resided in our new facility in Sulphur, Methodist Children's Home of Southwest Louisiana. The average length of stay was just over seven months.

Across all services, the intensity of physical, educational, behavioral and psychological needs of our residents has deepened. Their spiritual needs remain great. With your support we provide care to children with significant needs. We minister to "the least of these", the children whose needs are too complex for other settings, children who are

shunned by communities, and children whose responses to the physical and sexual abuse and neglect they have experienced are often self-destructive or dangerous to others.

Facility improvements were made to Louisiana Methodist Children's Home in Ruston during 2011 including the addition of an electrical generator for the administration building and minor building repairs and maintenance across campus. Rev. Edie DeVilbiss stepped gracefully into the big shoes left by Rev. Mickey Stringfield who retired as Director of Pastoral Care during 2011.

Methodist Home for Children of Greater New Orleans continues to enjoy the strong support of local United Methodist congregations. The least restrictive of our residential programs, the children of Methodist Home for Children of Greater New Orleans attend public school and participate in a variety of community events supported by local organizations.

Dedicated in October of 2010, Methodist Children's Home of Southwest Louisiana admitted its first residents in July of 2011. The facility, staff and program were well prepared. We are grateful for the gracious welcome and very generous support we have received for our services in southwest Louisiana. Our Board of Directors held its Fall Board Meeting in Sulphur at Henning Memorial UMC and then had lunch and toured the new facility.

With District Superintendent Malone's invitation, our Family Plus staff in Monroe moved into a suite leased in partnership with the Monroe District Office. Grace United Methodist Church in Ruston has offered a very nice building for use as offices and a ministry site. Our Family Plus staff in Shreveport have moved from offices provided by Broadmoor UMC into a beautiful house supplied by the church. Our Family Plus services across Louisiana are offered in partnership with local congregations which share space with us for our counseling ministry to families. Our Multisystemic Therapy program celebrated its 5th anniversary in 2011. I am pleased to report that in each of the last three years, members of our MST program staff have been ranked in the top 5% of MST therapists and were awarded the coveted Essie Award for their ability to build therapeutic relationships with families.

Services provided by the Outdoor Wilderness Learning (OWL) Center continue to grow with more than 11,000 visitors during 2011. The OWL Center's Equine Assisted Psychotherapy is a beneficial tool for our residents. The OWL also serves as an excellent "vacation" destination for residents of our facilities in south Louisiana.

Louisiana United Methodist Children and Family Services continue with all our services fully accredited by the Council on Accreditation and the United Methodist Association's EAGLE Accreditation. In 2011, we became the first health and welfare ministry to receive "EAGLE Accreditation with Commendation".

Our residential services are fully licensed by Louisiana's Department of Children and Family Services' Bureau of Licensing. During 2012, as a consequence of broad changes Louisiana is making to its child and family welfare system, our residential services will become licensed by the Louisiana Department of Health and Hospitals.

During the next two years, our three operational priorities are to establish our residential services under Louisiana's new Coordinated System of Care and DHH licensure, to expand our home and community-based services across Louisiana to provide more prevention and early intervention services to families, and to develop treatment group homes in the greater New Orleans region.

As we diligently pursue these three efforts, we also wish to assist local congregations interested in the creation of child and family ministries in communities across Louisiana. We want to be supportive partners in ministry with congregations that have a heart for ministry to children and families in their communities.

I encourage you to follow our ministry throughout the year by visiting our web site: <http://www.LMCH.org>, reading our blog: <http://www.LMCH.org/blog>, and following us on Twitter: <http://www.twitter.com/LUMCFS> and Facebook at <http://www.facebook.com/LUMCFS>.

The employees of Louisiana United Methodist Children and Family Services represent more than 400 hands of the Church doing active ministry to children and families throughout Louisiana. We are evidence of God at work in the world. As I end this, my first annual report, I thank each of you for loving the Home and for actively supporting our ministry to Louisiana's children and families. Please pray for our Board of Directors, pray for our staff across Louisiana, and especially pray for the children and families who receive our care, that they might appropriate the incredible grace of God for healing and peace.

MACDONELL UNITED METHODIST CHILDREN'S SERVICE, INC.

PURPOSE/MISSION: The mission of MacDonell United Methodist Children's Services, Inc. is to provide a safe haven for youth and young adults, which includes clinical and spiritual care of those who need the healing ministries offered by our agency.

A. Accomplishments and celebration of work completed

- A Senior V.P. completed Leadership Terrebonne.
- Direct therapeutic services and volunteer time with the children and teens wa increased tremendously this past year, and the Agency added a new staff position Spirituality Coordinator/Patient Advocate.
- The average daily census increased to 21.88 in 2010 – 2011 versus 20.35 in 2009 2010.
- The 26th Annual Gala proceeds exceeded the precious year by close to \$8,000.
- The Agency President was named the Athena award winner and was elected to serve on several community boards, including the local pro-life agency.
- A Senior V.P. celebrated 30 years of service and another staff celebrated 35 year of service to MacDonell.

B. Goals that are a priority for the upcoming year

- Development of a new Out-patient Counseling Center.

- Development of new strategic and marketing plans.
- Increase in the number of fundraisers held annually.
- Continued evaluation for the effective and efficient use of buildings; possible sub lease options.

C. Concerns and challenges facing board or agency

The primary challenge this year will continue to be the changes required through the Coordinated System of Care (CSoc) mandate by the Governor's office. Specifically, MacDonell's Board has voted to move us to a Non-Medical Group Home, which will reduce our daily rate (per diem) by almost \$10./day per admission. Additionally, our beds will be reduced from a maximum of 24 – 28 to a cap of 16. Thus, in essence, the Agency will have to respond to what amounts to a double-reduction in revenue.

D. Items for action/vote by the Annual Conference

Continued prayers and donations through the Churches of the Louisiana Annual Conference.

Heidi A. Hillery, President/CEO

METHODIST HEALTH SYSTEM FOUNDATION, INC

Methodist Health System Foundation, Inc.'s consistent community involvement is making an ongoing positive impact. As we continue to build on the strengths of our past, we rededicate and rediscover creative means to fulfill our mission – to the support, development and management of health related programs and services for the benefit of the citizens of East New Orleans and beyond. Even as the community's healthcare system evolves our responsibility remains the same, Methodist Health System Foundation, Inc.'s commitment to creating a healthy community continues to grow stronger.

As noted physician and author, Jonas Salk stated, "The reward for work well done is the opportunity to do more." After discovering the polio vaccine, Salk refused to patent the vaccine in order for it to be shared as widely as possible. We, too, share in the community responsibility "to do more" to bring healthcare opportunities to the individuals and families of East New Orleans and beyond. Sharing is more than our vision; it is our legacy.

We are pleased to report that for the fiscal year ending June 30, 2011, we have expended a total of \$3,425,353.00 in the form of grants, programs, services, and other support. We recognize, now more than ever, a balance is essential in funding short term needs and multi-year strategic initiatives. We remain proactive in response to the needs of the individuals in the communities we serve as we prudently balance grant allocations.

We are grateful to our dedicated Board Members, staff and community partners who serve as a wellspring of support, collaboration and commitment for a healthy community and the social lifestyle, environmental and public policy programs that promote health and wellness. We are encouraged by your prayers and support as we share a vision for the future, which will benefit individuals, families and communities for many years to come.

Frederick C. Young, Jr., President

DULAC COMMUNITY CENTER

Our mission is to provide social services, emergency response and learning opportunities to people in lower Terrebonne parish with emphasis on women, children and Native Americans in response to the Gospel. This year, with a renewed energy and spirit of gratitude to all who have labored with us through the years, we are celebrating our 80th year as an organization and ministry.

Fortunately, the past year we have had a quiet hurricane season and only were visited by a tropical storm that caused minimal flooding to parts of our facility and low-lying areas in the community; with the help of volunteers we were and are able to continue to assist with recovery needs. Many volunteer teams continue to come to serve with us enabling us to do much needed housing repairs and rebuilding for low-income and/ or persons with disabilities.

The Center today continues to find ways to meet the physical, social, economic, and emotional needs of the community in fostering programs and services that are responsive to the needs of the people we serve. We have many partners that assist us in carrying out our mission. Some of our current programs are: GED Classes, Tutoring Classes, After-school Recreation, Volunteers In Mission, Housing Rehabilitation Program, Girls Circle, Thrift Store, Community Events and Dinners, Food Bank and Food Distributions, Vacation Bible School, Bayou Eagles Native American Culture and Dancing, Disaster Relief Services, Acupuncture, Community Service Worksite, and Community Health Fairs.

Goals that are a priority for the upcoming year include:

- Attract more community volunteer participation and ownership in the center.
- Evaluate and offer programs that are responsive to the needs of the community.
- Develop board and staff leadership and development.
- Identify and pursue both resources and funding for continuity and sustainability of the center.

Concerns and challenges facing our agency include:

- Lower level facilities prone to flooding/ repetitive loss.
- Increasing financial pressure, sustainability, fundraising/ raising funds.
- Human resources/ staffing, and attracting and motivating people given the often limited resources.
- Increase concerns about efficacy.

John Silver, Executive Director

NORTH RAMPART COMMUNITY CENTER

The Mission of North Rampart Community Center (NRCC), continues to be to support the needs of New Orleans children through partnerships with families, schools, and communities by providing academic, social, health, and cultural learning opportunities to enable and strengthen their personal growth and development.

2011 was a good year for the Center and Board. It was a time of settling down to do ministry without having to struggle with financial short comings. As Executive Director, I had my feet to the ground and took off running. I have been at the center for 13 years now, and I spent a lot of time in 2011, re-organizing and moving the Center forward both Spiritually, Program wise, taking care of our Historical Facility and spreading the name of North Rampart Community Center, all over the city of New Orleans.

This past year, I have helped participate with our new Board of Directors in reporting, working with, planning and organizing committees and volunteers to help me move the Center to financial stability with dynamic and productive programs.

Throughout 2011, one of my priorities has been to stabilize the staff and build up the facility for this year and for next year (2012). Also, the re-organizing of our summer camp goals with our youth and children has been a priority for me.

I am still concerned about our budget, as I was throughout 2011, even though our financial support remained strong and the Center budget is in good shape our economy is on a downturn. Volunteers from all over the country have continued to come to work at the Center and Churches continue to love and support the ministry, remaining consistent with their prayers and finances.

In 2011, I continued working with the local McDonough 15 Charter School and (18) other local schools in our city. We have included all of the children we can in our after-school programs. We currently have more than 253 children enrolled in our after school programs. Our summer camp program had 80 children. We worked with volunteers from Dillard, Loyola, Xavier, Delgado, UNO, and SUNO Universities, all year.

I have learned so much from the General Board of Global Ministries, Women's Division, Louisiana Conference, and all the Friends and Supporters! This past year was truly a pleasure to work with each of you for the purpose of sharing and teaching the Children, building the partnerships, working with the families, and having so many social, health, cultural and learning opportunities. Personal growth and development is really evident in the lives of these inner city youth, thanks to the prayers and support from all of the above groups. I have really been blessed in my first year at the helm!

HOPE MINISTRIES, INC.

The mission of HOPE Ministries is to prevent homelessness, and promote self-sufficiency and dignity. HOPE helps impoverished families at-risk for homelessness in

Baton Rouge reach self-sufficiency through an in-depth family mentoring program, community education including financial literacy and poverty awareness training, and a unique client choice food pantry. *Understanding the Dynamics of Poverty*® one-day training approved for six continuing education credits helps social service workers, clergy, manager and supervisors as well as other concerned citizens understand poverty's impact on individuals, families and society.

2011 Accomplishments and Celebrations:

Family Mentoring Program: This in-depth case management program matches a family at-risk for homelessness with volunteer mentors who help guide the family on its path to self-sufficiency. HOPE recruits, screens and trains volunteer mentors to help provide creative problem-solving skills as families get back on their feet. A financial incentive is provided along with education on financial stability, job readiness and household management. This program serves residents of East Baton Rouge Parish and surrounding communities. HOPE partners with a variety of community organizations to provide our clients with the tools they need to achieve and maintain housing, financial and family stability. Due to budget cuts, HOPE's mentor recruiting efforts were negatively impacted, thus fewer mentors. Still we maintained our case management.

Getting Ahead in a Just-Gettin'-By World: This 40-hour workshop series is made up of 15 sessions conducted twice a week for about 8 weeks. The program helps participants identify the root causes of poverty, increase financial literacy, recognize and build on existing resources, and design an action plan for becoming self-sufficient.

In 2011...

- ☐ The Family Mentoring Program served 55 families representing 193 individuals;
- ☐ 67% of the families were able to pay their rent on their own after participating in the Family Mentoring Program
- ☐ 86% got a job

Client Choice Food Pantry: HOPE's unique pantry serves clients in a grocery-store setting. This is a unique food pantry atmosphere – one of dignity that allows clients to select the food that best suits the nutritional and health needs of their families. This model is a pilot program of the Greater Baton Rouge Food Bank and serves as an innovative example for other food distribution programs.

In 2011...

- ☐ HOPE served roughly 253,551 pounds of food to families living in the 70805 zip code
- ☐ Roughly 4,000 individuals from over 1,110 households received supplemental food throughout the year

Holidays for HOPE: Through HOPE's holiday outreach efforts:

- ☐ Over 350 families received either Thanksgiving or Christmas food
- ☐ 113 families participated in The Christmas Place, HOPE's holiday toy distribution program, and over 300 children received gifts for Christmas;
- ☐ Volunteers and donors from many different churches and businesses helped to give our clients a very Merry Christmas!!

Social Enterprise: HOPE Ministries helps at-risk families reach self-sufficiency, and we believe our agency should be self-sufficient as well. To that end, we are pursuing

business ideas to generate income that will flow back into our client programs. In 2011, we offered *Understanding the Dynamics of Poverty*, a full-day poverty awareness workshop for social service workers and other professionals who interact with persons living in poverty. To date we have trained over 100 companies and organizations employees.

In 2011....

MINISTERS' EMERGENCY AID FUND

The Ministers' Emergency Aid Fund is supported by Conference ministers who voluntarily contribute one-half of one percent of their base salary annually. We recommend the following guidelines for the Ministers' emergency aid Fund:

1. That each minister under appointment in the Louisiana Annual Conference be asked to give an amount equal to one-half of one percent of the minister's base salary for 2012 to the Ministers' Emergency Aid Fund (line 5030 on the Conference Remittance Sheet.)
2. That this fund be used to provide emergency benefit aid to the ministers of the Louisiana Conference and their immediate families who may be in special need; and that this emergency aid be given subject to the following limitations:
 - a. The maximum amount allowed for a single emergency shall be \$1,000.
 - b. Exceptional situations may be given special considerations by the Cabinet.
 - c. Only one grant will be provided to any individual in any 12 month period.
3. That each pastor and local church be requested to provide an adequate medical insurance program for family participation.

In 2011, the Louisiana clergy gave \$16,340 to this fund. Fourteen thousand five hundred fifty dollars (\$14,550) was distributed in 2011 for grants to 14 different clergy families.

Ministry Happens!:

SoulJourney—

RIM First Year

Purpose: Building a bridge between the academy and the local church.

A model for mentoring.

To provide an opportunity for relationships to form.

Model: Meet for an overnight retreat at beginning of the year at the Wesley Center and an Abbey Retreat at the end of year.

Meet monthly for one-day gatherings with didactic component and group processing of unresolved issues. One day is spent in a round-table conversation.

Rationale for new model:

-more focus on processing,

-mentoring from month to month as candidates are working through unresolved issues,

- uses a systems lens, but more in concrete application than theoretical presentation,
- regular meetings lend themselves to more congruency, thus, the opportunity for deeper community/relationship building.

RIM Second Year

Purpose:

To keep the connection alive and the conversations happening

Model: Two Overnight Retreats:

- A fall overnight retreat to deepen connections and deal with issues candidates are facing.
- Spring Abbey Retreat for candidates to be still and know. . .
- In-between these retreats, we have several one-day gatherings which our Methodist Foundation leads for one half of the day helping the RIM reflect on financial matters such as stewardship, person finance, etc. The second part of the day is spent with The Center for Pastoral Excellence, processing unresolved issues.

RIM Third Year

- Optional one day gathering to connect and process unresolved issues.
- Abbey Retreat for candidates to be still and know. . .
- Meet with Foundation and Center a few times, and follows the model one-day, half with Foundation and half with the Center for Pastoral Excellence. The Center is the facilitator of both times.

Deferred Candidates—Mentoring deferred candidates for ordination of the Conference Board of Ordained Ministry

Clergy Peer Group—

Clergy Peer Groups are designed as a healthy group experience providing a model and an opportunity for clergy to be involved in healthy, safe, small groups that offer support, insight, and group processing of unresolved issues. The intent is to help leadership deal with both inner and outer issues we face. Its focus is on strengths and emerging strengths. We continue to explore different ways to do this model that is conducive to the culture in which we live. This year, we are exploring an on-line teleconversation Peer Clergy Group.

Educational Experiences for Ministers and Laity—

All of the Choice Seminars are based on the work of Martin Buber and his work I-Thou. This is formational, concrete and practical.

The Choice for Ministers #1

\$175 single occupancy, meals all seminar materials

1.2 CEU's

Facilitated by Dr. W. Craig Gilliam

Intention: The Choice offers a lens to see in a different way: It teaches how to live and lead from an I-Thou place. It helps us to see others and ourselves differently; to see leadership and congregations differently; to see problems and solutions differently. As a result, our responses and the way of our hearts has a deep impact on the communities we

lead and in which we serve. When they look differently because we are different, our solutions are more permanent and lasting. The Choice 1 explores this different way of being a leader in community and offers practical and transforming insights for leadership and community life.

The Choice for Ministers #2

(Participants of Seminar #2 should have completed Seminar #1.)

\$175 single occupancy, meals all seminar materials 1.2 CEU's

Facilitated by Dr. W. Craig Gilliam

Intention: The Choice offers a lens to see others and ourselves differently, leadership and congregations differently, problems and solutions differently. The Choice 2 builds on the learning from The Choice 1. It offers concrete and practical ways to lead groups to and from an I-Thou place. This offers insight for: Building on strengths, how to change environments, how to supervise, how to lead committees and congregations in a way that makes I-Thou the norm.

The Choice for Ministers #3

A New Model for Going Even Deeper

Facilitated by Dr. Craig Gilliam

CEU's: 1.2

Location: computers and telephones

Cost: \$75

Prerequisites: The Choice for Ministers 1 and 2

Reading I-Thou by Martin Buber

Intention: The Choice 3 dives deeper into The Choice 1 and 2 diagrams and its implications for ministry, for leadership, for supervision, for dealing with conflict and for consultation and coaching.

Model of Process: This model is designed around small groups (4 people). Gatherings involve:

1. 8 hour on-line gatherings.
2. Outside assignments will be requested of participant's in-between assignments.
3. When needed, one individual coaching session per month.

NEW!

THE CHOICE FOR CONFLICT TRANSFORMATION:

How do we as leaders help our congregations move through conflict in a positive, mature way?

Cost: \$245

Facilitated by Dr. W. Craig Gilliam

Description: As ministers, knowing how to deal with conflict in a healthy way is both a skill to learn and an art to develop. No longer is it optional. To be a minister moving toward excellence, working with conflict is part of the terrain. This workshop will explore dealing with conflict as both a skill and an art. It will offer both a theoretical understanding and practical steps for working with individuals and congregations caught in anxiety and conflict.

Teleconversation:***Getting Stuck Systems Un-Stuck***

Facilitated by Rev. John Winn

Cost: \$75

Location: In the comfort of your office or home

Intention: Am I stuck on “the only way to do worship” or “favoring control over collegiality” or a host of other ways we, ourselves, have become comfortable “leading” a congregation? That is surely part of the puzzle, because it has to do with maintaining the integrity of a well-differentiated leader. Have you recently thought about the part your own family of origin might be playing in the way you lead or fail to lead? Is there a way out? It helps to talk it through with others in the same boat and using mind-stretching resources. We will plow again some of the rich furrows of Ed Friedman’s, *FAILURE OF NERVE*, *GENERATION TO GENERATION*, AND *FRIEDMAN’S FABLES*.

Transition Seminar***Manna for the Journey***

Location: Wesley Conference Center

Dates: First Saturday of May

Intention: To help ministers and their families say good-bye to the congregation they are leaving and to say hello to those they are entering. We offer support, insight and community to the families in transition.

Abbey Retreat for Clergy and Deacons—

Each spring, The Center offers an opportunity for each of us to “*lie down by a slow river and stare at the light of the trees. . .and be the rich lens of attention,*” through a spiritual transformation retreat at St. Joseph Abbey, a Benedictine Monastery in Covington. The Abbey Retreat is included as part of *SoulJourney*; however, it is also open to probationary deacons and elders in their second and third post-academic years, past alumnae of The Center, those in the Clergy Peer Groups, and as space allows, any minister in the Conference who feels a need for a time apart for rest and renewal. The Abbey Retreat is a time to rest, renew and restore.

Leadership Resource—

This is a monthly resource for clergy and laity. It addresses issues of leadership in congregational life. It contains articles, reading lists, quotes, poetry, etc. . . on issues ministers face. The last months have had a special focus on *Leading and Growing through Conflict*.

Collaborative Ministries--

3 M Network (Maintaining Ministers in Ministry)—

This event is done jointly between The General Board of Higher Education and Ministry, UMC, The Center for Ministry of the Mississippi Conference, and The Center for Pastoral Effectiveness of the Louisiana Annual Conference. Across jurisdictional lines, 3M is a networking experience that allows an opportunity for Conferences to explore and share ideas about what each is doing in this area of Sustaining Pastoral Excellence. The 3M experience has included representation from every jurisdiction in the U.S.

New! - Training for Facilitators in Conflict Transformation

Consulting with Other Annual Conferences—

Continue to consult with other Annual Conferences that are creating their own Center's for Pastoral Effectiveness.

Annual Evaluation

Each year, The Center is in dialogue with Conference leadership asking, "How can we help you as leadership be more effective? What resources do we have available to assist our Annual Conference in maintaining ministers in ministry."

Agency Administration

The Center's Administrative Assistant, Linda Gregg assists in planning, administrating, and organizing events.

THE ACADEMY FOR SPIRITUAL LEADERSHIP

THE VISION/GOAL OF THIS AGENCY FOCUS IS:

Developing Principled Christian Leaders for the Church and the World.

The Academy for Spiritual Leadership is a ministry of the Louisiana Annual Conference designed to respond to the vision of the conference *to raise up spiritual leaders for Christ*. Our goal is to offer quality retreat courses that focus on a variety of skills which empowers both laity and clergy in their role as spiritual leaders in the church and in the world.

Our Primary Focus

Developing Principled Christian Leaders for the Church and the World

Path of Spiritual Leadership – Living Into Hope

A One Year Offering for Congregation Teams by both

The Academy for Spiritual Leadership and The Center for Pastoral Excellence

Spiritual Leadership – Living into Hope is a new offering that has emerged both from The Academy for Spiritual Leadership and The Center for Pastoral Excellence. It is a way of bringing teams from local churches to have a common experience, and to provide time for planning that will lead their congregation in new and creative ways.

Living Into Hope will offer four retreats led by persons who are widely recognized in their field. After meeting with a planning team we have centered on these four themes:

October 4-6, 2012 - Retreat 1

Living Into Creative Worship

November 29 – December 1, 2012 - Retreat 2

Living Into the Art of Leadership in Meetings and Groups

January 31 – February 1, 2013 - Retreat 3

Living Into Ministry Beyond the Walls and Into the Neighborhood

April 18-20, 2013 Retreat 4

Living Into Hope – What's Next for our Church?

Churches are invited to bring a team consisting of the pastor or church staff person along with 4 key lay persons to each retreat. The teams may vary from time to time depending upon the focus of the retreat.

Focus:

- ~ Retreats that provide a support system for change
- ~ Create a culture in the congregation that builds on the gifts of the people
- ~ Offer worship that becomes a life giving force to nurture and sustain disciples for Jesus Christ
- ~ Create cultural sensitivity to changing neighborhoods and communities
- ~ Pay attention to generational differences in congregations
- ~ Create settings for new ideas to become assimilated into the life of the congregation
- ~ Encourage responsiveness over resistance and hope over distrust,
- ~ Bring churches together to gain a sense 'we are not alone' and 'we can listen and learn from one another'.

The Path of Contemplation Retreat July 15-18, 2012

The Path of Contemplative Retreat has become a standing offering of the Academy each summer. It is a chance for persons to respond to the invitation of Jesus to 'come away with me and rest awhile.' The hallmark of this time apart is the open space it gives sojourners to put down their calendars, their computers, their meetings, and simply 'be still and know that I am God'. We live in community that has a daily rhythm of Morning and Evening Prayer, meals in common, labyrinth walks, and time to ponder, time to pray while embraced in a shared bond of contemplation and silence. Somehow it is life giving and life renewing.

It is amazing to see how persons who have never experienced a contemplative retreat are renewed and refreshed as they leave. Most of them leave asking, "When will you have this again?" We had forty six persons join us for the retreat last July. Persons who have completed the Spiritual Direction Training become the staff and offer times for those on retreat to have spiritual direction.

***The Path of Training in Spiritual Direction
New Session Begins October 2012!***

Training in Spiritual Direction is a two-year course designed for persons who want to explore the art and ministry of spiritual formation in the congregation as well as spiritual direction in a one on one setting. Participants are required to attend six training retreats over a two year period where they are exposed to the latest books and resources in the field. The retreats have a rhythm between lectures and peer group work. The faculty person is Rev. Wendy Miller, from the Eastern Mennonite University in Harrisburg, Virginia, where she teaches spiritual formation in the seminary.

The six sessions follow these themes:

October 29-November 1, 2012 - Retreat 1

Introduction to Spiritual Guidance

March 4-7, 2013 - Retreat 2

Nurturing Spiritual Formation in the Congregation and its Outreach to the Community

May 6-9, 2013 - Retreat 3

The Dark Night of the Soul

October 28-31, 2013 - Retreat 4

Discernment as a Spiritual Practice

February 24-27, 2014 - Retreat 5

Restoring the Soul of the Congregation

April 28 – May 1, 2014 - Retreat 6

Nourishing the Congregation in Times of Crisis

Participants are given assigned reading for each session as well as written work that relates to the theme being discussed. Attention at the retreats is given to Morning and Evening Prayers, Sabbath Rest, and Holy Communion. The peer groups are a central component of the training, and are led by a staff person who has received prior training in this field. It becomes a place of nurture, sharing, and supervision. They stay in the same peer group throughout the two years.

We are now partners with **Garrett Theological Evangelical Seminary** which offers 6 academic credit hours for those who complete the course with The Academy. These academic hours can apply to persons seeking to become Deacons in the Louisiana Conference or to receive Certification in Spiritual Formation from the General Board of Higher Education and Ministry in Nashville, TN. This is another way The Louisiana Conference is giving advanced training to laity and clergy in the arena of *Developing Christian Leaders for the Church and the World*.

*The Academy Reunion Retreat
Spring, 2013*

The Reunion Retreat is a response to the many requests of ‘when we can get together again’ at the conclusion of the retreats. This is the thirteenth year anniversary of ***The Academy*** and we are making this time of retreat available to those who have been involved in the various offerings. It will have a similar rhythm of faculty talks, Sabbath

rest, small groups, as well as morning and evening prayers. This will give a chance for sojourners to renew their contacts with one another as well as find rest and renewal.

Carole Cotton Winn, Director

COORDINATOR OF THE CONFERENCE BOARD OF ORDAINED MINISTRY

Rev. John Edd Harper serves in his eighth year as the Coordinator for the Louisiana Conference Board of Ordained Ministry (CBOM). Gertrude Knight continues in her fifth year as the part-time Administrative Assistant to the Coordinator of the CBOM. All of the registrar files for the CBOM are consistently updated and maintained in a systematic manner. The CBOM members and DCOM members are being trained with regard to their responsibilities in working with candidates (elders and deacons) going through the provisional membership process or local pastors going through the course of study. The CBOM is developing written policies and guidelines to be used in a CBOM handbook. The CBOM is helping provisional candidates for ordained ministry move from readiness to effectiveness/excellence in ministry. Young adults (ages 16-20) are being targeted for identification and enlistment into ordained ministry as a vocation. The CBOM has created a document outlining the various aspects of excellence in ministry (EiM=C²). Professional and paraprofessional certification (camping and retreat ministry, children's ministry, Christian education, evangelism, ministry with the poor, music ministry, older adult ministry, spiritual formation, urban ministry, and youth ministry) within The United Methodist Church has been promoted throughout the Conference. A *Certified Lay Minister* process is being implemented through a joint effort between the CBOM and the Louisiana Conference Board of Laity. A conference wide boundaries training was offered in September 2011 and will be offered each year for new clergy and lay professionals within the conference. An intentional professional development (IPD) process is being developed to help clergy who are not achieving excellence in ministry have a support network and process to help them move toward excellence in ministry.

The responsibilities of the Coordinator of the Conference Board of Ordained Ministry include:

- 1) Meet with the CBOM in all its functions to facilitate the Board's process in dealing with candidates for ministry (CBOM Executive Committee member without vote).
- 2) Attend Division of Elders retreats, Division of Deacons and Diaconal Ministers retreats, and Local Pastor Interviews around the Conference to have files available on persons being interviewed.
- 3) Contact each District Committee on Ordained Ministry to keep track of all the candidates within that district.
- 4) Serve as a resource person to work with and to answer questions related to candidacy and where candidates are in the process to:
 - the Louisiana Foundation for grants/loans and RIM educational opportunities.
 - the District Committees on Ordained Ministry.
 - the License to Preach School.
 - the Division of Elders.
 - the Division of Deacons and Diaconal Ministers.
 - the Division of Local Pastors and Associate Members.
 - the Center for Pastoral Excellence.

the Academy for Spiritual Leadership.

- 5) Interface with our conference psychological consultant.
- 6) Track and communicate with the Course of Study schools for each student attending COSS.
- 7) Work with the CBOM financial officer to facilitate payment of all CBOM bills.
- 8) Serve as a resource person for the annual meeting with cabinet and executive committee of the CBOM.
- 9) Assist the officers and leadership team of the CBOM.
- 10) Organize the CBOM responsibilities during annual conference.
- 11) Study the current Book of Discipline and Conference Journal to be familiar with policies and procedures related to the CBOM.
- 12) Maintain official permanent records and tracking documents of all persons in the candidacy process, certified candidates, provisional members progressing toward elder's or deacon's orders, associate members, part-time and full-time local pastors, diaconal ministers, and certified professionals and paraprofessionals (clergy and laity).
- 13) Request and receive annual reports from full connection deacons, provisional deacons, and diaconal ministers.
- 14) Request and receive biennial review and renewal forms for professional and paraprofessional certification from certified persons (clergy and laity) and forward copies to the General Board of Higher Education and Ministry.
- 15) Send out all correspondences of official forms, requirements (written work), and interview schedules to all provisional members regarding the Division of Elders and the Division of Deacons and Diaconal Ministers retreats (spring and fall) for those participating in our provisional (Resident in Ministry) membership process (at least 3 years).
- 16) Prepare the Clergy Session report for Annual Conference and submit the most accurate information for the Conference Journal.
- 17) Codify written policies and guidelines for the CBOM.
- 18) Offer annual District Committee on Ordained Ministry members training.
- 19) Provide annual candidacy mentor training.
- 20) Present annual clergy mentor/coach training.
- 21) Facilitate annual orientation and training for Certified Lay Ministers.
- 22) Provide annual training for "Sacred Trust: Boundary Issues for Clergy and Spiritual Leaders."
- 23) Create informational displays during Annual Conference for the CBOM and professional and paraprofessional certification.
- 24) Support the Certified Lay Minister process as it relates to the District Committee on Ordained Ministry.

CLERGY RENEWAL LEAVES

Three clergy requested and two participated in a Clergy Renewal for 2012. The one person was unable to participate due to calendar concerns. As in the past, the clergy found their renewal time to be a spiritual and a physical blessing. The Renewal Leave provides a time away from the day to day demands of a busy life in ministry and offers

the opportunity to refresh and renew the soul and the body. Many have found time for family and friends, for reading and reflection, and for participation in a learning experience in a particular aspect of ministry. Most have commented that they were not aware of how close to “burn out” until they were able to move back and reflect on their life and work. When returning, most have expressed a new energy and interest in ministry in their setting.

As a reminder, Clergy Renewal Leaves are available for those who are serving in the pastoral role in the Conference. The Leave provides for up to eight weeks, with a stipend of \$750 per week. The clergyperson works with their District Superintendent and the PPR/SPR committee for approval. Details for the Leave are available through the Office of Sustaining Pastoral Excellence, 527 North Blvd, Baton Rouge, LA 70802

During the time of the grants, we have been able to provide 31 Clergy Renewal Leaves for our pastors, and for their churches. Many have been blessed through this time away, and many clergy have been given a second chance at ministry.

WESLEY CENTER BOARD OF TRUSTEES

The mission of the Wesley Center is to provide a place for spiritual holiness, healing, and wholeness under the guidance of the Lord Jesus Christ.

We have made substantial progress this year in paying off the debt on Phase I of our Long Range Development and the Board believes we will be close to having the loans paid off by next years Conference. While we are continuing to study what projects will be a part of Phase II, until we have paid for Phase I we will not start additional work.

The Center does have several new additions at the Center. Thanks to donations we now have a workout-weight room in one of the Lodges. A prayer labyrinth has been completed near the statute of Christ at the end of the trail. We also have a new smaller Chapel building near the head of the trail in the parking lot, the Love Chapel.

Our Executive Director Roseanne Gillespie has overseen a very busy and active year. The Wesley Center has been used by numerous church groups such as Cursillo, Happening, Academy for Spiritual Leadership, Discerner's, UMW, Conference Youth, the Cabinet just to list a few, as well as lots of outside groups. Our finances are solid and Roseanne is continuing to analyze where we can most efficiently utilize our resources. Our highest occupancy months continue to be February and October, with our least utilized months June, August, and December. For those of you looking to utilize the Center, hopefully that will help your planning.

Our goal remains to ultimately become a self-sustaining facility. To that end we have had a slight increase in our fees effective this year. Our usage fees have not increased in several years and will remain below those of Tall Timbers. While the goal of becoming self-sufficient without the need for Conference apportionments remains to be reached, we are continuing to progress toward it.

In closing we invite you to join us at the Wesley Center for your next event or to simply visit us if you are in the Alexandria area.

Mark L. Riley, Chair

SOUTH CENTRAL JURISDICTION

We are anticipating your arrival in Oklahoma City for the South Central Jurisdictional Conference, July 18-21, 2012. The Oklahoma and OIMC Host Committee has been hard at work to make your time here comfortable and the tasks easy to accomplish.

The conference will officially open on Wednesday evening with the Communion and Memorial Service to be held at St. Luke's UMC. There will be several committees meeting prior to that both on Wednesday and on the two days previous.

We will hear reports of the work of the Jurisdiction, and elect three bishops of the church. The consecration service for new bishops will be on Saturday morning at 10:00 a.m. as the conclusion of the Conference.

If you wish to attend you may register by going to: scj.umportal and clicking on 2012 Jurisdictional Conference.

MOUNT SEQUOYAH

2011 was a year of recovery for Mount Sequoyah Retreat and Conference Center. The future is bright due to great support from the various Conferences it serves. Some things do not change and one is the excellent work given to Mount Sequoyah by the VIM Teams from Louisiana and their willingness to come each and every year.

The Louisiana Plaza remains a favorite place to hang out, enjoy nature and the company of others over a cup of coffee. Because of the support of the Louisiana Conference and excellent work, Mount Sequoyah continues to serve the United Methodist Church as a place for spiritual reflection, renewal and growth. The support, prayers and gifts of time and money by the Louisiana Conference are appreciated.

In November 2011 Dr. John and Mrs. Sheri Altland, the Executive Directors, submitted their resignations to pursue other opportunities. The Board is grateful for their contributions to Mount Sequoyah over the past seven years. Lamar Pettus, a Trustee of Mount Sequoyah and Chair of Board of Trustees of the Arkansas Conference, is serving as Interim Executive Director. Lamar and his wife, Donna, are retired attorneys. Lamar is keenly aware of the needs and the business of Mount Sequoyah. Lamar has a 30 year history of active participation and service at the local, District and Conference levels.

With the generous financial assistance of the Arkansas Methodist Foundation, the Board employed The Alban Institute, a consulting firm, to evaluate its operations. The Board has finalized a job description for the next Executive Director and has launched a nationwide search. The Board has set a salary which allows it to be very competitive and believes it will find a committed and practicing Christian with experience in conference, retreat, hotel/motel marketing and private sector fund raising experience and skills.

All areas of operations are being analyzed. Programs having a history of producing financial losses are either being eliminated or redesigned and are projected to generate a positive cash flow in 2012. One particular project has gone from producing an annual loss of \$6,000.00 to producing a projected \$2,400.00 in positive cash flow for 2012. A new caterer for food service is under contract and food service will return a positive cash flow to offset the costs of maintenance, insurance and utilities for the cafeteria. Facility use fees are under constant review and increases have already been initiated in some areas. Even with the increased fees, Mount Sequoyah faces scheduling problems and recently was unable to schedule an already booked venue. This is good news! Local architects and general contractors have volunteered to provide assistance in determining

significant maintenance required and the costs to be incurred in the renovation and restoration of old buildings which continue to serve but are in desperate need of renovation.

The way we operate and our programming focus is changing. While continuing to seek conferences and retreats primarily targeted at religious organizations and secular groups, we are building programs specifically designed to attract young families with children of all ages. Church leaders envisioned Mount Sequoyah as a retreat filled with the laughter and yells of our youth and we want to make the Mountain a place where that can happen once again - an affordable vacation site where young families can bring their children, experience the nature of God's creation, and grow together in Christ.

The staff is involved in brainstorming sessions in which the challenge is to think outside the box in programming, use of facilities and programs designed to raise private sector funding for the renovation and restoration of the historic structures on campus.

Mount Sequoyah will not shy away from its heritage or purpose. Mount Sequoyah is an extension of the United Methodist Church and its mission is to assist the United Methodist Church in the Church's mission of "Making Disciples for Jesus Christ for the Transformation of the World". Mount Sequoyah emphasizes Christian hospitality and it is the goal of Mount Sequoyah and its staff that all who visit this mountain will experience the love of Jesus Christ and the spiritual renewal and growth which accompany that encounter.

By our actions, our words, our deeds and our prayers Mount Sequoyah's desire is that all of the expected 12,000 visitors in 2012, especially any who have never heard the Good News of Jesus Christ leave this Mountain wondering what is different about the Mountain and the staff who serve it. We at Mount Sequoyah refer to this as Christian love and hospitality. Come share Christ with us.

Our prayer is for wisdom for our new leadership and the Board in its stewardship role and that God will use this Mountain to ignite a revival within this area, this jurisdiction and His world.

Your suggestions are appreciated and your prayers are requested. Thanks for your support and come see us soon.

Lamar Pettus, Interim Executive Director

BOARD OF ORDAINED MINISTRY

The Board of Ordained Ministry is blessed to work with the hundreds of women and men in representative ministry in the Louisiana Conference of The United Methodist Church. This work begins with a discernment of those who believe they have been called into ministry that begins in the local church where pastors and laity are actively seeking those who are called to ministry and helping to confirm that call through the Pastor-Parish Relations Committee and the Charge Conference. The District Committees on Ministry further help these candidates for ministry to discern their call to ministry as to where this call to ministry would best be lived out. The Conference Board of Ordained Ministry helps to further discern their call to ministry by helping these individuals receive funding for their education and after completing their education to help them make a better transition from an academic setting to the church in the world. In this transition time we prayerfully work with candidates become the most effective ministers of the Gospel of Jesus Christ as they lead the church into the world to share the love of God in Jesus Christ as together we make disciples of Jesus Christ for the transformation of the world.

Effectiveness in ministry has been our focus in this quadrennium (2008-2012). The Conference Board of Ordained Ministry has created the following tools to help Deacons,

Local Pastors, Elders, and Certified Professionals to be more effective in our connectional ministry:

- “*Our Life Together*” – a covenantal document (2008-2009);
- “*Excellence in Ministry Equals Character and Competence -- EiM = C²*” – an excellence in ministry document (2010-2011);
- “*Intentional Professional Development*” (2011-2012) – a tool to aid clergy who may be struggling to achieve an adequate level of effectiveness in ministry, or who may have demonstrated a history of ineffectiveness in their appointments. This tool will help clergy gain further clarity as to how and where they can better live out their ministry focus. After intense work and evaluation this focus may lead to a gracious exiting process for some clergy.

These tools are and will be helping us to become more effective in leading the church in disciple making that makes a positive difference in the world.

Some other highlights of the work of the Board of Ordained Ministry for this year are:

- There were twenty-nine youth and young adults who participated in the “Awakening” – an experiential ministry exploration retreat under the direction of the Rev. Juan Huertas and the Rev. Carole Cotton Winn.
- Fifteen students participated and completed the License to Preach School directed by the Rev. Gary Willis and the Rev. Lamar Oliver.
- We have one-hundred and eight clergy mentors ready to assist persons who are in the process of becoming a deacon or elder in full connection or part-time or full-time local pastor to be more effective.

Our joy remains in the work of enlisting and recruiting candidates for ministry and working with them through the seven District Committees on Ministry (DCOM) and through the Conference Board of Ordained Ministry (CBOM). After they have completed their educational requirements our candidates are transitioned into a supportive working relationship with the respective divisions of the Board of Ordained Ministry (Division of Deacons and Diaconal Ministers led by the Rev. Pam Crews and the Rev. Linda Joseph, Division of Elders led by the Rev. Marie Williams and the Rev. Karl Klaus, and the Division of Local Pastors and Associate Members led by the Rev. Derrick Hills and the Rev. Dr. Pat Day).

We appreciate, enjoy and reap the benefits from the committed work of the Rev. John Edd Harper, Coordinator of the Board of Ordained Ministry. All of this joyful work of the CBOM is made possible through the prayerful support of the Annual Conference. Thank you for your continued support through your prayers, sending us your “brightest and best” candidates for ministry, and through paying your apportionments. Without all of your support this work would be almost insurmountable.

Danny Gleason, Chair

DIVISION OF ELDERS

It is with a deep sense of gratitude, on behalf of all of us who have served on the Division of Elders, that I write this last report of the quadrennium. We have been honored to serve these past four years. Thank you for affording us this privilege. We view the work of the Division of Elders as very significant in the life of the Annual Conference and have sought to serve with integrity, honesty and faithfulness. The Division of Elders, which is made up of ordained Elders, Deacons and committed and capable Laity, is given the responsibility of guiding, challenging and preparing Residents in Ministry (RIMs) from the time they apply for commissioning and Conference Membership until they complete that process either through ordination or exiting the process.

Each person who serves on the Division gives countless hours in preparation for spring and fall interviews by reading and listening to sermons, evaluating Bible study lesson plans and assessing answers to doctrinal questions. The twice a year interview process is in itself intense, time consuming and incredibly enriching to both Division members and Residents in Ministry. Additionally, Division members make yearly In-parish visits to the RIM settings, serve as mentors and pray for the candidates. It is an enormous task and an awesome responsibility.

Over these past few years, the Division has been very intentional about bringing our interview process and our In-parish visit process more closely in line with our accountability document (EIM=C2) which the Clergy of the Louisiana Conference has approved as our standard of excellence in ministry. This has meant using the same language in our interview and evaluation process and lifting those standards as foundational in our lives as we serve together. In addition, we have designed a document that clearly outlines the responsibilities and expectations for each of those persons/groups involved in the In-parish interview process: District Superintendent, Senior Pastor (if there is one), PPRC/SPRC and RIM. We believe that this is helping us do our work more responsibly.

The Division also interfaces with the Center for Pastoral Excellence facilitated by Dr. Craig Gilliam, as he leads the RIMs through SoulJourney, a personal and spiritual growth experience they share throughout their RIM process. Part of this process includes a financial component focusing on personal and church finances. It is led by staff from the Louisiana United Methodist Foundation throughout the three year process.

God continues to bless the Louisiana Conference by calling gifted women and men into the ministry of Elder and we invite local churches to send us your brightest and best. On behalf of the entire Division of Elders I thank you once more for the opportunity to serve in this special way.

Marie Palmer Williams, Chair

DIVISION OF DEACONS

Division of Deacons encompasses several branches of ministry, all having servant leadership in common.

- A Deacon is “called by God to a lifetime of servant leadership.” A deacon models the relationship between worship in the community of faith and service to God in the world. Deacons serve in a variety of ministry settings, both in the church and in the world.
- Diaconal Ministers are commissioned to a lifetime of service extending the witness of Christ’s love and justice in the world.
- Lay professional certification provides lay persons with training, support, supervision, and accountability needed to lead a congregation that either does not have a traditional clergy appointment or one that is developing team ministry.
- Paraprofessionals are persons seeking specialized training in education, music, youth ministry, etc., to assist professionals but are not themselves licensed at a professional level.

Changes in Policy and Procedure

The Conference Board of Ordained Ministry adopted Policy Number 302, Renewal and Re-certification of Diaconal Ministers and Certified Professionals. The policy states a diaconal minister is required to interview with the Conference Board of Ordained Ministry annually, while re-certification is required every other year, on even numbered years.

Guidelines for Support and Supervision of the Deacon Resident in Ministry document was approved by the Conference Board of Ordained Ministry. The guidelines specifically state responsibilities of the Staff/Parish Relations Committee of the Local Church, responsibilities of the Senior Pastor, as well as responsibilities of the District Superintendent.

The Pastor/Staff Parish Consultation Form, specifically designed for the Deacon, speaks to mission requirements for the Deacon. The requirements listed are in cooperation with the Intentional Professional Development document. The form is to be completed annually and included in the Ministry Review Report.

With the changes in how academic criteria are met, students now may or may not be on a seminary campus. The Division of Deacons is beginning to establish relationships with those students that have expressed an interest in the area of Ordained Deacon. The Division is contacting the students personally once a year in an effort to solidify the relationship.

Future Plans

As we live into what it means to be Excellent in Ministry, the Division of Deacons is continually searching for opportunities to strengthen and grow its ministries as we hold each other to the highest standards of accountability.

DIVISION OF LOCAL PASTORS & ASSOCIATE MEMBERS

I am pleased to report that the Division of Local Pastors and Associate Members are eagerly and conscientiously doing the work to which it has been assigned.

The Division meets twice each year in order to conduct interviews. Currently, the Division conducts the fall interviews in Woodworth with the Wesley Center being the interview site. The spring Interviews are conducted in three different regions throughout the state: the northern (Ruston, LA), the central (Woodworth, LA) and the southern (LaPlace, LA). The rationale for conducting interviews in this manner throughout the state is to accommodate the diverse population of local pastors, many of which take leave time off of their secular jobs to meet these dates and times throughout the state. Recently, we conducted spring interviews for this year, which were held Monday, February 27th at Trinity in Ruston; Tuesday, February 28th at the Wesley Center in Woodworth; and, Wednesday, February 29th at 1st UMC in LaPlace. During the three day tour, the Division interviewed a total of 105 persons serving as local pastors in our churches in Louisiana.

The Course of Study Schools, being accessed by many of our pastors, is from all indications adequately meeting the educational needs of our local pastors. These schools are fostering our emphasis on "Excellence in Ministry" as they offer the kinds of courses, which educate and empower our local pastors for pastoral ministry in the United Methodist Church. These schools are being visited by members of the Division on a rotating basis.

We continue to celebrate excellence in ministry as we applaud 5 persons who previously have been serving as supply pastors, but now meet the approval of the Division to serve as local pastors in the annual conference: three from the Baton Rouge District, one from the New Orleans District, and one from the Monroe District.

The members of the Division of Local Pastors and Associate Members continue to look to excellence in ministry as we work together in building God's Kingdom on earth. In doing so, we look forward to the coming year as we work to: 1)strengthen the relationship between clergy mentors and their mentees; 2) strengthen the relationship between the Division of Local Pastors and Associate Members and all of the pastors serving within the Division; 3) strengthen the relationship between the Division of Local Pastors and Associate Members and the Districts; and, 4) strengthen the leadership of the Division Chair and Assistant Chair by developing more specific job descriptions.

ORDER OF ELDERS

The Order of Elders leadership team for the 2008-2012 quadrennium is Doug Cain, Andy Goff, Juan Huertas, Katie McKay, Brady Whitton (chair), and Donnie Wilkinson

¶306 of the *2008 Book of Discipline* describes the orders as, “a covenant community within the church to mutually support, care for, and hold accountable its members for the sake of the life and mission of the church.”

In 2011, the Order of Elders organized a self-nomination process for those who felt called to serve as delegates to General and Jurisdictional Conferences and distributed a catalog of nominees to clergy session at Annual Conference. This process was well-received and I want to note that all but one of delegates elected appeared in this self-nomination packet. I believe it would be worthwhile to continue this practice.

The Order also sponsored a Labor Day Family Picnic with the intention of creating space for elders and their families to deepen existing relationships and make new ones. As the order is a primary covenant community for elders these relationships, and the opportunities to develop them, are essential.

A new chair will be elected at this Annual Conference. I offer my thanks for the privilege and opportunity to serve and great appreciation to the members of the leadership team for their commitment and hard work.

Brady S. Whitton, Chair

ORDER OF DEACONS

The Order of Deacons is a covenant community striving to support, care for, and hold each other accountable for the sake of the life and mission of the church. We solicit the continuing prayers of the church as we live out our individual and collective identity and vocation.

Highlights:

- *The Gathering 2011: Deacons, Elders, and Local Pastors Together* was sponsored by the General Board of Higher Education and Ministry, and held on February 1 – 3 in Orlando. The discussions focused on the future of the church and the impact on the orders and fellowships. We also reviewed the Call to Action Report, Church Systems Task Force Report and the Ministry Study Report.
- Our annual Deacon/Diaconal Breakfast Meeting was held on June 7, 2011, during Annual Conference. We welcomed two newly ordained deacons, Carol Civils and Valerie Robideaux, and introduced one new provisional deacon, Cathy Brewton. We also celebrated the ministries of Hu Debo, Barbara Murray, and Sidney Montegudo on their retirement from active service.
- On Sunday, October 2, 2011, we gathered at the Wesley Center for an overnight retreat. We enjoyed a time of fellowship and adopted a *Rule of Life* for our order. As a special treat, Dawn Young, who was in Cambodia at the time, visited with us via *Skype* video call.
- On Monday, October 3, 2011, we had our final *Deacons Day Apart* with Bishop Hutchinson. Bishop Hutchinson led us in examining some of the legislation and issues expected to come before General Conference including: the Four Areas of Focus, Call to Action, Study of Ministry, and Worldwide Nature of the Church. He also shared his vision of the future of the church, and identified ways the Order of

Deacons can support our new bishop. Bishop Hutchinson was presented with a specially made deacon's basin as a token of our appreciation of his leadership and service in the Louisiana Conference.

LA FELLOWSHIP OF LOCAL PASTORS AND ASSOCIATE MEMBERS

The Louisiana Chapter of the Fellowship of Local Pastors and Associate Members had 5 in attendance at the National Conference of Associate Members and Local Pastors that was held at the Ramada Inn Conference Center in Branson, Missouri September 14 – 17, 2011. Attending were Rev. Carol Richardson, Rev. Robert Chance, Rev. Ross Ford, Rev. Bill Strawbridge and retired Local Pastor, Letty Strawbridge. The theme for the gathering was “Get Up and Do Not Be Afraid.” The Workshop Leader for the Conference was Rev. Leonard Sweet who challenged and encouraged each of us to “Get Up” and “Not Be Afraid.” Rev. Sweet, in his challenge to the attendees, also encouraged all Local Pastors and Associate Members and not only those in attendance to go into our communities where we have been appointed and be the very best that we can be. Using the theme for the Conference, he emphasized, “Get Up and Do Not Be Afraid.” To add a personal opinion, Rev. Sweet has been the best speaker and workshop leader in the four years I have been blessed to attend the National Fellowship Gathering.

As to other items during this Conference, Dr. Rena Yokum was in attendance to explain and report on some changes that are occurring at the General Board in Nashville. Rev. Charles Hicks reported proposed By-Law changes, tithing from the Conference and Book of Discipline Questions affecting Associate Members and Local Pastors. In addition, I was appointed by the National President to the Nominating Committee which was charged with providing nominees for officers of the National Fellowship for the next two years. After interviewing a number of potential candidates and presenting them to the Conference, the following were elected: Rev. Mike Mahaffey – President, Rev. Tom Herring – Vice President, Rev. Valerie Harvard – Secretary, Rev. Claude Hebert – Treasurer. As to other business at the Conference, the 2012 National Conference will feature Rev. Dr. Lovett H. Weems, Jr. and the theme will be “Guiding Your Ministry to Be More Fruitful” and the 2012 Conference will be September 18–21, 2012 at the Radisson Resort Orlando Hotel in Orlando, Florida.

February 1–3, 2011, I had the opportunity to attend the “Gathering of the Chairs” held in Orlando, Florida. Those invited to this meeting were the Chairs of the Order of Elders, Order of Deacons and Fellowship of Local Pastors & Associate Members from across the connection. The meeting was billed as providing information on the upcoming changes the Divisions were facing but, in my opinion, it didn't live up to that billing.

Sadly, I have not been successful in securing a joint meeting with the Mississippi Fellowship and those negotiations have ended.

It has been my honor to serve as Chair of the LA Fellowship for the past four years. I have been blessed time and again, not only by the members of this Fellowship but by the Ordained Clergy and by the Laity of this Conference. In my retired status, know that I will commit to continue praying for God's blessings upon ALL the Clergy and ALL the Laity who faithfully serve in our great Louisiana Conference.

CARE AND NURTURE TEAM

Policy Number 101

Clergy Counseling Funds

The uses of the clergy counseling funds are overseen by the Care and Nurture Chairperson of the Conference Board of Ordained Ministry of the Louisiana Annual Conference. The fund is to be used for the confidential psychological therapy needs of the clergy and their families of the Louisiana Conference.

The funding is \$300 per clergy and/or their family members per each request. The clergy or family member is to make request for funds in writing to the Care and Nurture chairperson, and to include the name, address, and phone number of the licensed therapist for whom they are requesting payment. Payment is made directly from the Conference Board of Ordained Ministry to the therapist. The Care and Nurture Chairperson keeps the names of those being counseled in absolute confidence. The records of the persons helped through this fund are to be kept by the Care and Nurture Chairperson only for the year in which funds are received. At the end of the year all records of names of those helped are destroyed.

No clergy person or family member will be reimbursed directly. Only providers of licensed psychotherapeutic services will be paid for services rendered.

The amount paid in any given instance may be increased at the discretion of the Care and Nurture Chairperson, in consultation with the Chairperson of the Conference Board of Ordained Ministry. The Care and Nurture Chairperson will keep the names in confidence but may speak of the factors which are suggesting the increase.

Policy Adopted by Care and Nurture Team on May 10, 2005

Policy Approved by the Conference Board of Ordained Ministry on January 24, 2006

Who may receive the grants? Clergy of the Louisiana conference and/or their immediate family members.

How much is the grant? Grants are for up to \$300 per request.

How do I apply for the grant?

Write a letter to CBOM Care & Nurture Chair:

Rev. Dr. Theresa McConnell
 228 Dogwood Road
 Shreveport, LA 71105-3110
 Cell phone: 318-820-0546

Include the name, address, and credentials (the letters behind the name) of the licensed mental health professional for which you are requesting payment. Payment is made directly to the provider. Included the detailed address to which you, the applicant, want your letter of confirmation sent. Some prefer correspondence sent to their church, while others want information sent to their home or other location. Some prefer the use of email, but need to remember that email is not secure and that the email may not reach the Chair so a telephone follow-up to any email correspondence is suggested. Please specify in your letter of request to the CBOM Care & Nurture Chair the preferred mode of communication and/or address to help the process go smoothly.

How is my name kept confidential? The name of the client does not go beyond the letter requesting the grant, and is kept absolutely confidential as the process is implemented. The grant is requested through the CBOM Coordinator and Treasurer to be sent to the provider (with no applicant name attached). The CBOM Care & Nurture Chair sends the provider a separate, confidential letter stating for whom the check is to be used when it is received. Records of correspondence from the applicant are seen and kept only by the Chair of Care and Nurture, and are destroyed at the end of each calendar year along with any correspondence sent to the licensed mental health professional.

How long does the process take? The letter of request will be processed within a week to ten days from the date of receipt, and the conference office will prepare and send the payment at the next time for check-writing (usually within another week). The applicant requesting the grant is sent communication verifying that the process is under way. If the applicant has not received a response from the CBOM Care & Nurture Chair within 15 days of making application, please contact the CBOM Care & Nurture Chair to make sure the request was received.

COMMISSION ON EQUITABLE COMPENSATION

The Book of Discipline clearly states that the primary responsibility for payment of pastoral salaries remains with individual pastoral charges (see par. 624). In addition, the Annual Conference provides a program of support for the ministers (not the individual churches) to assure them of a livable level of financial support when serving a full-time appointment. Towards this end, The Commission on Equitable Compensation recommends the following program:

Local churches whose ministerial leadership is receiving an Equitable Compensation Grant are expected:

1. To raise their local compensation by a minimum of 5% annually until there is no longer a need for Conference support.

2. To pay all apportioned ministerial items (Equitable Compensation, Episcopal and District Superintendents Funds), World Service and Conference Benevolences.
 3. To conduct an Annual Stewardship Campaign.
 4. To carry Louisiana Worker's Compensation insurance on their minister and staff.
 5. Pay 100% of Health Insurance as set by the Board of Pensions and remain current on local congregation's clergy pension obligations.
- A. The minister's Conference relationship sets the Equitable Compensation he/she is eligible to receive as outlined below. Any changes in Conference relationship during the year will change eligibility. The formula rate for full time is 60% of the lower of the Denominational Average Compensation (DAC) or Conference Average Compensation (CAC) each year. The formula for 2013 grants will be based on the 2013 Denominational Average Compensation (DAC). Thus the full time amount for 2013 will be \$38,320 (60% of the DAC of \$63,867).

2013

<u>Conference Relationship</u>	<u>Full Time Compensation</u>	<u>Percent Applied</u>	<u>EC Base</u>
+Elder	\$38,320	103%	\$39,470
+Provisional Elder	\$38,320	102%	\$39,086
+Associate Member	\$38,320	101%	\$38,703
+Full-time Local Pastor	\$38,320	100%	\$38,320

- B. For the purpose of determining the Equitable Compensation Grants, the minister's total plan compensation includes: base salary, cash allowances, utilities and housing allowance (or, when a parsonage is provided, 25% of the plan compensation as the approximate value of that parsonage).
- C. Ministers receive an additional \$100 for each year of service as a full-time minister up to a maximum of 10 years' service.
- D. Ministers receive an additional \$200 a year for each church over one.
- E. Equitable Compensation pays its share of CRSP and CPP based on the minister's income.
- F. Equitable Compensation pays up to \$75 for one Annual Conference sponsored Continuing Education Event per year for clergy who are currently receiving Equitable Compensation Grants.
- G. Annual Grants approved by the Commission shall be paid in monthly installments on the basis of available funds at the beginning of the calendar year.
- H. The charge to which the minister is appointed must be classified by the Cabinet as a full-time appointment for the minister to be eligible for full compensation. The policy of the Louisiana Annual conference is not to provide Equitable Compensation Grants for Associate Pastors.
- I. District Superintendents must submit to the chairperson of the Commission on Equitable Compensation, an application for each minister in their District seeking assistance from the Equitable Compensation Fund. These are to be sent after Charge Conference but no later than December 31. For new appointments, application forms furnished by the Commission should be turned in as soon as possible.

- J. All ministers receiving Equitable Compensation Grants are required to renew their applications when receiving a change in appointment, and to notify the chairperson of the Commission on Equitable Compensation of any change in compensation or Conference relationship.
- K. Special consideration will be given in unique cases upon recommendation of the Cabinet and concurrence with the Executive Committee of the Commission on Equitable Compensation.
- L. To facilitate Mission appointments, certain funds will be made available to the Cabinet to "provide for supplementing base compensation beyond the minimum base compensation schedule." (par.625.6, The Book of Discipline, 2008)

Regarding Moving Expenses:

Charges of 250 members or less which have frequent changes in pastors shall be eligible for assistance from the Conference with moving expenses on the following basis:

- A. If the pastor is moved after one year and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$500.
- B. If the pastor is moved after two years and the charge has not initiated the change, the Conference shall pay to the charge 1/2 of actual moving expenses up to a maximum of \$300.
- C. If the pastor is moved after three or more years, no assistance shall be available to the charge.
- D. The pastor must be living on the charge in order for the charge to receive such assistance.
- E. Verification of moving expenses shall be made by submitting a copy of the bill to the District Superintendent in whose District the charge is located.
- F. Request for assistance shall be initiated by the charge, approved by the District Superintendent (in whose District the charge is), then submitted to the Chairperson of the Commission on Equitable Compensation.
- G. Special consideration will be given in unique cases by the Cabinet's recommendation, by the willingness of the District making the request to provide 50% of the requested amount, and concurrence with the Executive Committee of the Commission on Equitable Compensation.

RETIRED MINISTER'S HOMES BOARD

The purpose of our report to the Annual Conference each year is to keep our Ministry before the local Churches of the Louisiana Conference, which are represented here by

their Clergy and Lay Delegates. There are new delegates to the Conference each year that may not know about the Ministry that is performed by our Board.

When Methodist Ministers retire, there is no longer a congregation to provide a parsonage for them and they have not been able to build up any equity in a home. Some cannot afford to purchase a home and make monthly house notes from their limited pension income. At the present time, the Board has thirty-six homes throughout the state with at least one home in each District. Our residents pay a monthly maintenance and insurance fee of nine cents per square foot. For a 1,200 sq. ft. residence, the fee is \$108.00 per month. There are homes available in Bossier City, Ruston, Baton Rouge, Amite, Lafayette and Monroe. These homes are also available to Clergy on disability leave.

Our greatest financial help from Methodist people comes when we receive the donation of a home that we can either use for one of our retirees or sell and invest the proceeds in a new home. The last home we purchased was in Hammond with such funds. We are also open to partnering with a Church or an individual in providing a home for a particular retiree. When funds are available, the Board will provide up to fifty thousand dollars in matching funds.

On Sunday, September 9, 2012, the Annual Conference will observe Retired Ministers' Homes Board Sunday and the Churches are to present this Ministry and receive an offering for this work. Our goal is to be able to fund our entire annual administrative cost from the contributions from this offering. This goal could be reached if every Church in the Conference contributed only 60 cents per member. That's just pocket change for each Church but together amounted to \$24,195.69 last year. The success of this offering makes it possible for us to keep the monthly fees of our retired clergy as low as possible.

LOUISIANA INTERCHURCH CONFERENCE (LIC)

To Live the Faith We Hold in Common

The 42nd Annual Assembly of the LIC was held on March 5-6, 2012, at the Bishop Tracy Center in Baton Rouge. The **Rev. Msgr. John A. Radano, Ph.D.**, of Seton Hall University, addressed the theme "***Vatican II, a Gift to the Ecumenical Movement***". The Rev. Samuel Tolbert, Jr., President of the Louisiana Home and Foreign Mission Baptist State Convention was installed as President during the Annual Assembly Worship service. The Week of Prayer observance "*We will all be changed by the victory of our Lord Jesus Christ*" was celebrated in many communities around the state and region. At the Assembly the Public Policy task force reported on a plan for Churches to advocate & engage in practical ways in the goal of reducing child poverty in LA. The Assembly passed a resolution presented by the Commission on Stewardship of the Environment on coastal restoration which calls for increased awareness and advocacy by people of faith for support of the Restore Act now being considered by Congress that includes funding reclamation efforts to rebuild coastline. Bishop William Hutchinson and Designate Dr.

Don Cottrill represent the Louisiana Annual Conference. Assembly Representatives included Rev. John Deschner and Rev. Erica Jenkins, Chair and Vice Chair (respectively) of the Commission on Christian Unity and Interreligious Concerns (CCUIC), Rev. Larry Miller - Treasurer of the LIC, and delegate Mrs. Pat Wilkerson.

The LIC Board met in September at the Wesley Center in Woodworth, LA., addressing the theme of “*Challenges and Visions for Mission and Ministry in the 21st Century: Sharing Personal Stories, Moving Forward Together*”. Judicatory Leaders and/or their Representatives gave forthright commentary on the challenges faced in their collective ministries as well as shared ideas on our common goal of furthering the Gospel. The Commission on Criminal Justice held a two day conference geared toward the goals of reaching the Families of those Incarcerated and those with At-Risk Youth, and advocacy. Mrs. Betty Puckett, field staff member, in addition to offering personal assistance to farm families, represents farmers during meetings, mediation, and appeals with USDA and the Farm Service Agency.

The LIC continues with its goals to partner with Louisiana Interfaith Disaster Recovery Network (LIDRN) and Louisiana Prison Chapel Foundation (LPCF) in erecting Chapels in the State’s correctional centers. Largely funded by the member churches we are grateful for the support of the United Methodist Church in Louisiana and its commitment to ecumenical relationships. We are also most grateful to the Conference for providing free office space for the LIC, as begun in November of 2011. For the 8 years prior to this, the Conference had provided the office space to the LIC at a modest cost. LPCF shares this space with the LIC as well.

Founded in 1970, the LIC membership includes fifteen member Communion, an Associate Member – The Order of St. Lazarus, and representation from Church Women United. The member churches strive to proclaim the Gospel message *To Live the Faith we Hold in Common*.

LOUISIANA MORAL & CIVIC FOUNDATION

Introduction-

In 2011 LMCF completed its 69th year of ministry, commenced when Methodist Bishop Dana Dawson issued (August 27, 1942) an official call for a mass meeting of Moral Forces. In response to that historic call, approximately 100 people of all faiths (denominations) and no faith gathered in Alexandria to begin a work that continues today through the Louisiana Moral & Civic Foundation. The state legislature and other state leaders continue to recognize LMCF as a *role model* and an *organization without peer* in efforts to **make Louisiana a better place for all of our citizens to live.**

Early leadership-

One of the many Methodist leaders in LMCF’s organizational meeting that took place in Alexandria on September 25, 1942, was Dr. Henry Bowden, Sr. from Lake Charles. Dr. Bowden is credited for establishing the method of funding the new organization through

an “asking” in the budgets of local churches and from *people of means*, who would feel led to help. From its historic beginning, LMCF has continued to focus on helping citizens of Louisiana address moral and social concerns. It continues to depend upon the promise made in that organizational meeting, that if LMCF *would do the work for which it was established; churches would place LMCF in their annual budgets*. In addition, as originally envisioned, God has “*raised up*” *individuals of means who financially support this ministry*, but their numbers have dwindled to a very small number that remain.

Administration-

In 2011 LMCF received contributions from **United Methodists:** \$ 110.00
 In 2011 LMCF received total budget contributions from all sources: \$116,961.00
 Our asking from the churches of \$1.00 per member per year in 2012 remains the same. LMCF appreciates all church and individuals, who by their contributions, **invest** in this *ministry of morality*, and by doing so, determine if it will be able to continue.

Ministry-

LMCF in 2011 continued to minister **through four major programs:**

Awards, Educational, Legal and Legislative. Of special interest to many Methodists is the

2011 Dr. Henry Bowden, Sr. Preaching Award presented to **Dr. Pat Day**.

Conclusion-

Louisiana Methodists in 2011 continued to provide leadership and exercise their influence upon LMCF through past president Rev. Jimmie Pyles, and other United Methodist members serving on LMCF’s State Advisory Council. **Thank you** for the **opportunity to serve** the people in Louisiana called, **United Methodists**.

COMMITTEE ON EPISCOPACY

The Committee on Episcopacy continued to support our Episcopal leader, Bishop William Hutchinson, in this last year of his leadership and service leading up to his retirement. Work on the revitalization and establishment of vital congregations under the Call to Action of our denomination has begun, and the committee is working with Bishop Hutchinson to ensure that the transition in Louisiana’s Episcopal leadership will not impede the progress of the work and plans initiated by him and his cabinet.

As part of the transition process, an evaluation of the Episcopal residences was performed and bids were obtained for needed maintenance, repairs and improvements. CFA has

authorized grants sufficient to pay for this work, and it is ongoing. To facilitate future monitoring of and work on the Episcopal residences, the Discipline-provided Episcopal Residence Committee, which includes members of the Board of Trustees, CFA and Episcopacy Committee, will be formally instituted to assume this work.

Plans for appropriate ways, times and events to honor and express our love and appreciation to Bishop Hutchinson and Kay for their leadership and service are under way, and notification will be provided as plans become more definite.

Our committee wishes to express our heartfelt gratitude to Bishop Hutchinson and Kay for shepherding all Louisiana United Methodists through times of challenge and great opportunity; and for leading us through hurricanes and floods to the strong hope and assurance of a brighter day for our churches, and a renewed focus on “keeping the main thing the main thing” – making disciples of Jesus Christ for the transformation of the world. May God grant them His richest blessings in retirement, as they move on to serve Him in different ways and places.

2012 GENERAL CONFERENCE REPORT

Louisiana Delegation

Bishop Hutchinson, Provost Cottrill, and Members and Friends of the Louisiana Annual Conference: One year ago you elected twenty-four of us and sent us out on a journey on your behalf – a journey that would require intense preparation, perseverance, and prayer. We are grateful for the support, input, and encouragement you all have offered along the way.

Before we newly named delegates left to travel home from Shreveport last year, we began organizing to form and function as a team. Legislative committee assignments were made and other roles were determined. We would meet in person as a delegation nearly half a dozen times between last year’s Annual Conference and the General Conference session a month ago, stay connected electronically and by phone, both with each other and networking with delegates from other conferences, and travel for various other preparatory gatherings from Oklahoma City to St. Louis to Tampa in anticipation of our work. Besides the extensive legislative materials, we also read the Adaptive Leadership Series of five books by Abingdon Press, and met one day to consider the larger questions and concerns facing our Church today and how proposed legislation might relate to them.

Last December, we were among the first delegations to respond to and to endorse the Council of Bishops’ statement on the Call to Action, an initiative which had both reflected and set in motion much of the dialogue and discussion leading up to General Conference toward restructuring and seeking greater clarity of our purpose and direction as the United Methodist Church. The restructuring proposal and its alternatives all failed to make it through the legislative committee. A compromise plan, which passed in the

plenary session, was declared unconstitutional by the Judicial Council, as reported on the final afternoon of the General Conference.

One of our delegates reports: "I was struck by how incredibly difficult it is to get consensus of all the different factions and groups at General Conference to get any new things done or any major legislation passed. I was impressed by how incredibly diverse our church is: diverse in theological perspectives, ethnic groups and cultures, economically, and areas of ministry emphasis. I was impressed that though we wore different clothing and spoke different languages and ate different foods, we were united in our faith in Jesus Christ. General Conference for this first time delegate was both frustrating and exhilarating at the same time."

Throughout this Annual Conference session, you have already heard numerous references to major General Conference issues and decisions, particularly restructuring and pensions (which restated the Clergy Retirement Security Program with a slight reduction in benefits and an adjustment to eligibility for participation). The delegates from more than 60 nations (40% outside the US) considered 1,200 petitions and took the following actions:

- Adopted a \$603.1 million budget for 2013-2016 (that total is 6.03 percent less than the 2009-2012 budget);
- Through the adopted budget, funded \$5 million for Central Conference theological education and \$7 million for a young clergy initiative (and a stronger presence of youth and young adults, and Central Conference delegates was felt throughout the General Conference);
- Retained the church's position regarding homosexuality, deciding not to adopt language that would have said United Methodists are not of one mind on this issue;
- Did away with "guaranteed appointments" for clergy (currently under Judicial Review);
- Fell short of the 2/3 majority needed for setting aside a bishop to serve as full-time president of the Council of Bishops; and
- Approved making the United Methodist Women an autonomous organization rather than its operating under the General Board of Global Ministries.

If you wish to track the outcome of particular legislation or further details on these, please go to www.umc.org and you will find several different ways to track in more detail the actions that were taken and decisions that were made. Our Louisiana Delegation blog, www.laumcdelegation.org, gives highlights of major actions taken. Here we splashed our feet into the waters of digital and online presence, noting highlights of the journey from time to time, with frequent posting during the General Conference session. This presence partnered well with the expanded digital nature of General Conference itself, as live streaming and twitter feed kept connections awake and buzzing not only in Tampa, but anywhere folks were following and joining the conversation. We have heard from many of you that you were checking in closely and watching what was happening, even participating in the feedback and conversation.

Keeping such a global church connected is indeed a challenge. My experience in the Superintendency Committee, which I was honored and humbled to chair, was a microcosm of other aspects of the Conference. In this committee alone, with 62 delegates, language interpretation was required in seven different languages besides English. At times we had to slow down our conversation just to make sure everyone was able to follow where we were and what was being said. Taking time to listen and clarify was a spiritual discipline necessary for our working together well.

Language and cultural differences were not the only challenges. Holy conferencing was emphasized and practiced to remind us of our larger framework as a body with many gifts and perspectives. Seating delegates at round tables was a new plenary format designed to encourage our interactions with one another, and especially with members of other delegations. Another of our first-time delegates shares: "I went to General Conference wanting to be a part of a change, a part of the growth of the United Methodist Church. During my first committee meeting I realized so did a lot of the other people. It just wasn't the same change I saw." This delegate then reflects on a night that the entire plenary shared a love feast. During that feast a neighboring delegate shared his bread with this delegate and said, "I wish I had your passion. I might not always agree with you, but I wish I had your passion."

Throughout the days of roller coaster emotions, from heartbreak to hope, we were re-grounded in holy life-giving presence through worship services centered on the transformation that occurs when we reach out to God and to one another. The waterside Convention Center in Tampa was a perfect setting for encounters with Jesus in scripture and questions for the people of God today. Each delegate was presented with a hand painted blue silk stole to remind us of our calling and the ways we are covered and linked in prayer on this journey. Imagine, if you will, a thousand delegates, gathered around a central table (much like we are here), who are draped in blue, as though just emerging wet and freshly washed from the waters of baptism!

It was welcome "lagniappe" for the Louisiana delegation to be met with familiar faces who were key players in the overall workings of the Conference: Lane Cotton-Winn completed her several years of service as a member of the Commission on the General Conference, and was leader on the Committee on the Agenda and Calendar. Darryl Tate also served on the General Conference Secretary's staff as he has done more than once before. Both Lane and Darryl could be found on the platform for most plenary sessions. Richard and Frances Hooton have now served as marshals in such an outstanding way for so many quadrennia, that they were asked to coordinate and oversee the whole team of marshals for this General Conference. Stacy Hood's visible presence with the musical team leading worship made those already beautiful services feel like we were "back home." In addition, our own Kirby Verret was present for the "Act of Repentance toward Healing Relationships with Indigenous Peoples," a ceremony unique to this General Conference session. Several other persons from Louisiana attended for a particular event or to observe. The "Dulac Cross" from the Louisiana Conference was a central focus as the processional cross for the plenary worship throughout the conference.

You have seen several persons wearing blue stoles today. Serving as delegates in Tampa were: Sarah Kreutziger, Andy Goff, George (“Buzzy”) Anding, Pat Day, Olivia Pruett, Larry Miller, Pete Aguila, Bernadine Johnson, Carolyn Dove, and myself. Reserve Delegates who attended and served were: Edna Hickman, Katie McKay Simpson, Terrel DeVille, Fred Wideman, Rachel Scott, and Donald Avery. Now joining these delegates will be additional Jurisdictional Delegates and Reserve Delegates for our continued work as a Delegation: Rob Fairly, Ramonalynn Bethley, Larry Stafford, Juan Huertas, Anita Crump, Lynn Malone, and Henry Stamper.

We are mourning the sudden loss by death of one of our delegates whom Bishop Hutchinson also named at the Memorial Service this week. Tim Hebert, Jurisdictional Lay Delegate, died unexpectedly on March 4, 2012. Tim was a talented and dedicated leader in our conference who gave generously of himself to the delegation, including being instrumental in establishing our delegation blog.

As our team organized last fall, for the first time in recent memory the Louisiana delegation used a discernment process for lifting up potential Episcopal candidates from Louisiana. This process led to the delegation’s endorsement of Fred Wideman, Senior Pastor of Broadmoor UMC in Baton Rouge, who has joined nine other endorsed candidates from other conferences, in traveling around the jurisdiction for interviews with other delegations, and networking for countless conversations about our Church’s calling and next steps on the journey. We are now turning our sights toward Jurisdictional Conference, which will meet in Oklahoma City July 18-21, primarily for the purpose of electing the new bishops who will serve conferences in the Jurisdiction. We covet your continued prayers for our days just ahead, and for all who will be gathering from 15 conferences which include Nebraska, Kansas, Missouri, Oklahoma, Arkansas, Texas, and New Mexico. By Saturday, July 21, we should know who has been elected and who will be our newly assigned Bishop as of September 1.

We pray that in all we have been about as YOUR delegation, and in all we have yet to do, that we may be guided by and faithful to the mission of the church that we are called to follow and live as redeemed, connected, and growing disciples of Jesus Christ.

Ellen Alston, Lead Clergy Delegate
Louisiana Conference Delegation
